We certify that you are insured under the Critical Illnesses Policy (herein called the Plan) issued to the Policyholder, subject to the definitions, exclusions and other provisions of the Plan against loss resulting from Critical Illness. Certain provisions of the Plan are summarized in this Certificate. All provisions of the Plan, whether contained in your Certificate or not, apply to the insurance referred to by the Certificate.

The Effective Date of your Certificate is as shown in the Certificate Schedule if you are on that date actively at work. If not, this Certificate will become effective on the next date you are actively at work as an eligible Employee. This Certificate will remain in effect for the period for which the premium has been paid. This Certificate may be continued for further periods as stated in the Plan.

This Certificate is issued in consideration of the payment of the required premium and of your statements and representations in the application. This Certificate, on its Effective Date, automatically replaces any Certificate or Certificates previously issued to you under the Plan. "You" and "your" refer to the Employee or any other Insured under Family Coverage. "We", "us", and "our" refer to the Company.

## **SECTION I - ELIGIBILITY, EFFECTIVE DATE AND TERMINATION**

### **ELIGIBILITY**

You as used in this Certificate, means a person insured under this Certificate who is:

1. an Employee of the Policyholder or an eligible Spouse of the Employee;
2. under age 70;
3. engaged in full-time work; and
4. included in the class of Employees eligible for coverage as shown on the application.

### **EFFECTIVE DATE**

The Effective Date of the Plan is shown on Page 1 of the Master Policy.

The Effective Date for you is as follows:

1. Your insurance will be effective on the date shown on the Certificate Schedule provided you are actively at work.
2. If you are not actively at work on the date coverage would otherwise become effective, the Effective Date of your coverage will be the date on which you are first thereafter actively at work.

The Effective Date for a Spouse or Dependent Child is the date shown on the Certificate Schedule Page subject to the following:

1. The date your insurance is effective for a Spouse or Dependent Child who is eligible on that date; for whom coverage is applied for and premium paid; and who are not hospital confined.
2. At 12:00 a.m. Standard Time, on the day a Spouse or Dependent Child is no longer hospital confined if the Spouse or Dependent Child was otherwise eligible for coverage on the date your insurance became effective.
3. For a Spouse or Dependent Child eligible on or first acquired after your Effective Date, the Effective Date will be:
  - a. For newborn children, the Effective Date is the moment of birth, but we must be given notice of the birth within 31 days for coverage to continue beyond 31 days (see Section III, Definitions, Insured).
  - b. For other than newborn children, the date we assign after approving the application for such coverage.

### **TERMINATION OF YOUR INSURANCE**

Your insurance will terminate on the earliest of:

1. the date the Plan is terminated;
2. on the 31st day after the premium due date if the required premium has not been paid;
3. on the date he ceases to meet the definition of an Employee as defined in the Plan; or
4. on the date he is no longer a member of the class eligible.

However, if an Employee dies while covered under a Certificate, then their surviving Spouse shall become the Insured if such Spouse is an Insured. If there is no surviving Spouse covered under the Certificate, then the Certificate shall terminate on the next premium due date.

Insurance for an insured Spouse or Dependent Child will terminate the earliest of:

1. the date the Plan is terminated;
2. the date the Spouse or Dependent Child ceases to be a dependent;
3. the premium due date following the date we receive your written request to terminate coverage for your Spouse and/or all Dependent Children.

Termination of the insurance on any Insured will not prejudice to his rights regarding any claim arising prior to termination.

### **Portability Privilege**

When coverage would otherwise terminate under this Plan because an Employee ends employment with the Employer, they may elect to continue coverage. The coverage that may be continued is that which the Employee had on the date their employment terminated, including Dependent coverage then in effect.

1. Coverage may not be continued for any of the following reasons:
  - a. the Employee failed to pay any required premium;
  - b. this Group Policy terminates.
2. To keep the Certificate in force the Employee must:
  - a. make written Application to the Company within 31 days after the date their insurance would otherwise terminate;
  - b. pay the required premium to the Company no later than 31 days after the date the Certificate would otherwise terminate.
3. Insurance will cease on the earliest of these dates:
  - a. the date the Employee fails to pay any required premium;
  - b. the date this Group Policy is terminated.

If an Employee qualifies for this Portability Privilege as described, then the same Benefits, Plan Provisions, and Premium Rate as shown in their Certificate as previously issued will apply.

## **SECTION II - PREMIUM PROVISIONS**

### **PREMIUM PAYMENTS**

Aggregate premiums for the Plan are to be paid to the Company our Home Office in Columbia, South Carolina. Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period.

### **GRACE PERIOD**

The Plan has a 31-day Grace Period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the next 31 days. During the Grace Period, this Certificate will stay in force, unless the Policyholder has given the Company written notice of discontinuance of the Plan.

However, if any child is incapable of self-sustaining employment due to mental retardation or physical handicap and is dependent on a parent(s) for support, the above age of 26 will not apply. Proof of such incapacity and dependency must be furnished to the Company within 31 days following such 26th birthday.

It is meant to decrease the risk of cancer recurrence rather than the palliative or suppression of a cancer that is still present.

For the purpose of this definition "treatment" does not include maintenance drug therapy or routine follow-up visits to verify if cancer or carcinoma in situ has returned.

**Waiting Period** means the number of days after the Effective Date before we will pay benefits for loss due to a Critical Illness. We won't pay benefits for a Critical Illness that begins during the Waiting Period.

## **BENEFIT DEFINITIONS**

**Heart Attack (Myocardial Infarction)** means the death of a portion of the heart muscle (myocardium) resulting from a blockage of one or more coronary arteries. **Kidney Failure (Renal Failure)** means the end stage renal failure presenting as chronic, irreversible failure of both kidneys to function. If the Schedule shows a Maximum Benefit Reduction Date, a Certificate's Maximum Benefit will be reduced to the Reduced Maximum Benefit Amount, also shown in the Schedule, on that date. Benefits will be based on the Maximum Benefit amount in effect on the Critical Illness Date of Diagnosis. Any partial benefits paid will be deducted from the amount payable for the applicable Critical Illness.

Payment of benefits is subject to the following:

1. We will pay benefits for a Critical Illness in the order the events occur.
2. No benefits are payable for each different Critical Illness after the first unless its date of diagnosis is separated from the prior different Critical Illness by at least 6 months or for cancer at least 6 months treatment free) and it is not caused by or contributed to by a Critical Illness for which benefits have been paid.

Once benefits have been paid for a Critical Illness, no additional benefits are payable for that same Critical Illness unless the dates of diagnosis are separated by at least 12 months or for cancer at least 12 months treatment free). Cancer that has spread (metastasized), even though there is a new tumor, will not be considered an additional occurrence unless you have been treatment free for 12 months.

We will pay the amount shown in the Benefit Schedule for Health Screening Tests performed after the Waiting Period and while an Insured's coverage is in force. ## Portability Privilege Amendment

This Amendment is part of the form to which it is attached. Unless amended by this document, all definitions, exclusions, limitations, terms, and other provisions apply. For the purpose of this Amendment, “you” (including “your” and “yours”) refers to the Insured named in the Certificate Schedule.

### **Effective Date**

This Amendment becomes effective on the Effective Date of the form to which it is attached.

### **Portability Privilege**

The following language replaces the ELIGIBILITY provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance:

#### **ELIGIBILITY — CLASSES OF COVERAGE**

##### **Class I**

All full-time and part-time benefit-eligible Employees are eligible for Class I coverage. That eligibility extends to their spouses and children under age 26.

##### **Class II**

A Class I primary insured is eligible for Class II coverage if he:

- Was previously insured under Class I; **and**
- Is no longer employed by the Policyholder.

The Employee must elect Class II coverage under the Portability Privilege within 31 days after the date for which his class I eligibility would otherwise terminate.

Only Dependents covered under Class I coverage are eligible for continued coverage under Class II.

Class II insureds cannot continue coverage through the employer’s payroll deduction process. They must remit premiums directly to the Company.

The following language replaces the TERMINATION OF THE PLAN provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy.

#### **TERMINATION OF THE PLAN**

The Plan will cease if the premium is not paid before the end of the Grace Period.

After the end of the first Plan year, the Company has the right to cancel the Plan. To do so, the Company must give 31-60 days written notice that the plan will end on the date before the next premium due date.

The Policyholder has the right to cancel the Plan on the date before any premium due date by giving 31 days written notice.

Upon such termination, Class I and Class II coverage will be affected as follows:

**Class I**

If terminated, this Plan and all certificates issued under this class will terminate on such date at 12:01 a.m. Standard Time at the Policyholder's address. This will be without prejudice to the rights of any Insured regarding any claim arising while the Plan is in force.

The Policyholder has the sole responsibility to notify Class I Employees of such termination. When notice of termination is received by the Company, the Portability Privilege under Class I coverage is no longer available.

**Class II**

The group policy will remain active, and coverage under Class II will continue as long as premiums are paid, subject to the premium grace period. Notification of any changes in the plan will be provided directly to each insured by the Company. The Policyholder will lose any rights and obligations under the Plan.

The following language replaces the TERMINATION OF AN EMPLOYEE'S INSURANCE provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

**TERMINATION OF AN EMPLOYEE'S INSURANCE**

An Employee's insurance will terminate on the earliest of the following:

1. The date the Plan is terminated, for Class I insureds;
2. The 31<sup>st</sup> day after the premium due date if the required premium has not been paid;
3. The date he ceases to meet the definition of an Employee as defined in the Plan, for Class I insureds; **or**
4. The date he is no longer a member of the Class eligible for coverage.

Insurance for Dependents will terminate on the earliest of the following:

1. The date the Plan is terminated, for Dependents of Class I insureds;
2. The 31<sup>st</sup> day after the premium due date, if the required premium has not been paid;
3. The date the Spouse or Dependent Child ceases to be a dependent; **or**
4. The premium due date following the date we receive the Employee's written request to terminate coverage for his Spouse and/or all Dependent Children.

Termination of the insurance on any Insured will not prejudice his rights regarding any claim arising prior to termination.

The following language replaces the PORTABILITY PRIVILEGE provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

**PORTABILITY PRIVILEGE**

Under the Portability Privilege provision, when coverage would otherwise terminate because an Employee ends his employment, coverage may be continued. He may exercise the Portability Privilege when there is a change to his coverage class. The Employee — and any covered dependents — will continue the coverage that is in force on the date employment ends. The continued coverage will be provided under Class II.

The premium rate for portability coverage may change for the class of covered persons on portability on any premium due date. Written notice will be given at least 31-60 days before any change is to take effect.

The Employee may continue the coverage until the earlier of:

- The date he fails to pay the required premium; **or**
- The date the class of coverage is terminated.

Coverage may not be continued:

- If the Employee fails to pay any required premium; **or**
- If the Company receives notice of Class I plan termination.

## **General Provisions**

### **Time Limit on Certain Defenses**

After two years from the Insured's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Insured's Application. This does not apply to fraudulent misstatements.

### **Contract**

This Amendment is part of the form to which it is attached. It will terminate when that form terminates.

This Amendment is subject to all of the terms of the form to which it is attached unless those terms are inconsistent with this Amendment.

## **BENEFIT DEFINITIONS**

### **Category I - Specified Surgeries of the Heart**

**Specified Surgeries of the Heart** "open heart surgery"— means undergoing open chest surgery, where the heart is *exposed* and/or *manipulated* for open cardiothoracic situations.

Benefits are paid for the following Open Heart Surgery procedures only:

1. **Coronary artery bypass surgery**, also coronary artery bypass graft surgery, or bypass surgery is a surgical procedure performed to relieve angina and reduce the risk of death from coronary artery disease.

**Off-pump coronary artery bypass (OPCAB)** is a form of bypass surgery that does not stop the heart or use the heart lung machine.

**Coronary Artery Bypass Grafting (CABG)** is used to treat a narrowing of the coronary arteries when the blockages are hard to reach or are too long or hard for angioplasty. A blood vessel, usually taken from the leg or chest, is grafted onto the blocked artery, creating a bypass around the blockage. If more than one artery is blocked, a bypass can be done on each but only one benefit is payable under this rider.

2. **Mitral valve replacement or repair:** a cardiac surgery procedure in which a patient's mitral valve is repaired or replaced by a different valve.
3. **Aortic valve replacement or repair:** a cardiac surgery procedure in which a patient's aortic valve is repaired or replaced by a different valve.
4. **Surgical Treatment of Abdominal aortic aneurysm:** To prevent aneurysm rupture. The operation consists of opening the abdomen, finding the aorta and removing (excising) the aneurysm. Abdominal aortic aneurysm is a ballooning or widening of the main artery (the aorta) as it courses down through the abdomen. At the point of the aneurysm, the aneurysm generally measures 3 cm or more in diameter.

**Category I Benefits exclude all procedures not specifically listed above, including procedures such as, but not limited to, angioplasty, laser relief, stents or other surgical and non-surgical procedures.**

### **Category II - Invasive, Procedures and Techniques of the Heart**

A Category II Benefit is paid for the following procedures only:

1. **AngioJet Clot Busting** used to clear blood clots from coronary arteries before angioplasty and stenting. The device delivers a high pressure saline solution through the artery to the clot, breaking it up and simultaneously drawing it out.
2. **Balloon Angioplasty (or Balloon valvuloplasty )** used to open a clogged blood vessel. A thin tube is threaded through an artery to the narrowed heart vessel, where a small balloon at its tip is inflated. A balloon opens the narrowing by compressing atherosclerotic plaque against the vessel wall. The balloon is then deflated and removed.
3. **Laser Angioplasty.** Similar to balloon angioplasty, a laser tip is used to burn/break down plaque in the clogged blood vessel.
4. **Atherectomy** used to open blocked coronary arteries or clear bypass grafts by using a device on the

end of a catheter to cut or shave away atherosclerotic plaque.

5. **Stent implantation.** Where a stainless steel mesh coil is implanted in a narrowed part of an artery to keep it propped open.
6. **Cardiac catheterization** (also called heart catheterization) is a diagnostic and occasionally therapeutic procedure that allows a comprehensive examination of the heart and surrounding blood vessels.
7. **Automatic Implantable (or Internal) Cardioverter Defibrillator (AICD).** Means the initial placement of the AICD. AICDs are used for treating irregular heartbeats. The defibrillator is surgically placed inside the patient's chest where it monitors the heart's rhythm. When it identifies a serious arrhythmia it produces an electrical shock to disrupt the arrhythmia.
8. **Pacemakers.** Means the initial placement of a pacemaker. Pacemakers are implanted to send electrical signals to make the heart beat when your heart's natural pacemaker is not working properly. This electrical device is placed under the skin. A lead extends from the device to the right side of the heart. Most pacemakers are used to correct a slow heart rate.

Subject to the re-occurrence benefit in the base plan, only one Category II benefit is payable. Benefits will not be paid for multiple procedures listed under the Category II benefit.

**Category II Benefits exclude all procedures not specifically listed above.**

3. It is not excluded by name or specific description in this Rider.
