SECTION I - ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

ELIGIBILITY

Employee as used in this Plan, means a person insured under this Plan who is:

1. an Employee of the Policyholder, or an eligible Spouse of the Employee;
2. under age 70; and
3. engaged in full-time work; and
4. included in the class of employees eligible for coverage as shown on the application.

EFFECTIVE DATE

The Effective Date of this Plan is shown on Page 1 of this form.

The Effective Date for an Employee is as follows:

1. An Employee's insurance will be effective on the date shown on the Certificate Schedule provided the Employee is then actively at work.
2. If an Employee is not actively at work on the date coverage would otherwise become effective, the Effective Date of his coverage will be the date on which such Employee is first thereafter actively at work.

The Effective Date for a Spouse or Dependent Child is the date shown on the Schedule Page subject to the following:

1. The date the Employees insurance is effective for a Spouse or Dependent Child who is eligible on that date; for whom coverage is applied for and premium paid; and who are not hospital confined.
2. At 12:00 a.m. Standard Time, on the day a Spouse or Dependent Child is no longer hospital confined if the Spouse or Dependent Child was otherwise eligible for coverage on the date the Employee's insurance became effective.
3. For a Spouse or Dependent Child eligible on or first acquired after the Employee's Effective Date, the Effective Date will be:
 - a. For newborn children, the Effective Date is the moment of birth (see Section III, Definitions, Insured).
 - b. For other than newborn children, the date we assign after approving the application for such coverage.

TERMINATION OF THE PLAN

The Plan will cease if the premium is not paid before the end of the Grace Period.

After the end of the first Plan year, the Company has the right to cancel the Plan on the day prior to the date any premium is due by giving 31 days written notice. The Plan will terminate when the number of participating Employees is less than the number mutually agreed upon by the Policyholder and the Company in writing.

In these events, this Plan and all certificates issued hereunder will terminate on such date at 12:01 a.m. Standard Time at the Policyholder's address. This will be without prejudice to the rights of any Insured as respects any claim arising during the period the Plan is in force.

The Policyholder has the sole responsibility to notify Employees of such termination.

TERMINATION OF AN EMPLOYEE'S INSURANCE

An Employee's insurance will terminate on the earliest of:

1. the date the Plan is terminated;
2. the 31st day after the premium due date if the required premium has not been paid;
3. the date he ceases to meet the definition of an Employee as defined in the Plan; or
4. the date he is no longer a member of the class eligible.

However, if an Employee dies while covered under a Certificate, then his surviving Spouse becomes the Insured if such Spouse is an Insured. If there is no surviving Spouse covered under the Certificate, then the Certificate shall terminate on the next premium due date.

Insurance for an insured Spouse or Dependent Child will terminate the earliest of the following:

1. the date the Plan is terminated;
2. the date the Spouse or Dependent Child ceases to be a dependent; or
3. the premium due date following the date we receive your written request to terminate coverage for your Spouse and/or all Dependent Children.

Termination of the insurance on any Insured shall be without prejudice to his rights as regarding any claim arising prior thereto.

Portability Privilege

When coverage would otherwise terminate under this Plan because an Employee ends employment with the Employer, they may elect to continue coverage. The coverage that may be continued is that which the Employee had on the date their employment terminated, including Dependent coverage then in effect.

1. Coverage may not be continued for any of the following reasons:
 - a. the Employee failed to pay any required premium;
 - b. this Group Policy terminates.
2. To keep the Certificate in force the Employee must:
 - a. make written Application to the Company within 31 days after the date their insurance would otherwise terminate;

- b. pay the required premium to the Company no later than 31 days after the date the Certificate would otherwise terminate.
3. Insurance will cease on the earliest of these dates:
 - a. the date the Employee fails to pay any required premium;
 - b. the date this Group Policy is terminated.

If an Employee qualifies for this Portability Privilege as described, then the same Benefits, Plan Provisions, and Premium Rate as shown in their Certificate as previously issued will apply.

SECTION II - PREMIUM PROVISIONS

PREMIUM CALCULATIONS

Premiums payable on any premium due date for insurance will be calculated in accordance with the Schedule of Premiums. The rates shown in this Schedule can be changed annually. The Company will give the Policyholder written notice 60 days prior to the date any change in rates is to be effective.

PREMIUM PAYMENTS

The first premiums are due on the Effective Date of this Plan. After that, premiums are due on the first day of each month that the Plan remains in effect.

Aggregate premiums for this Plan are to be paid to the Company at our Home Office in Columbia, South Carolina. Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period.

GRACE PERIOD

This Plan has a 31-day Grace Period. This means that if a renewal premium is not paid on or before the date it is due, it may be paid during the next 31 days. Portability Privilege Amendment

This Amendment is part of the form to which it is attached. Unless amended by this document, all definitions, exclusions, limitations, terms, and other provisions apply. For the purpose of this Amendment, “you” (including “your” and “yours”) refers to the Insured named in the Certificate Schedule.

Effective Date

This Amendment becomes effective on the Effective Date of the form to which it is attached.

Portability Privilege

The following language replaces the ELIGIBILITY provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance:

ELIGIBILITY — CLASSES OF COVERAGE

Class I

All full-time and part-time benefit-eligible Employees are eligible for Class I coverage. That eligibility extends to their spouses and children under age 26.

Class II

A Class I primary insured is eligible for Class II coverage if he:

- Was previously insured under Class I; **and**
- Is no longer employed by the Policyholder.

The Employee must elect Class II coverage under the Portability Privilege within 31 days after the date for which his class I eligibility would otherwise terminate.

Only Dependents covered under Class I coverage are eligible for continued coverage under Class II.

Class II insureds cannot continue coverage through the employer’s payroll deduction process. They must remit premiums directly to the Company.

The following language replaces the TERMINATION OF THE PLAN provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy.

TERMINATION OF THE PLAN

The Plan will cease if the premium is not paid before the end of the Grace Period.

After the end of the first Plan year, the Company has the right to cancel the Plan. To do so, the Company must give 31-60 days written notice that the plan will end on the date before the next premium due date.

The Policyholder has the right to cancel the Plan on the date before any premium due date by giving 31 days written notice.

Upon such termination, Class I and Class II coverage will be affected as follows:

Class I

If terminated, this Plan and all certificates issued under this class will terminate on such date at 12:01 a.m. Standard Time at the Policyholder's address. This will be without prejudice to the rights of any Insured regarding any claim arising while the Plan is in force.

The Policyholder has the sole responsibility to notify Class I Employees of such termination. When notice of termination is received by the Company, the Portability Privilege under Class I coverage is no longer available.

Class II

The group policy will remain active, and coverage under Class II will continue as long as premiums are paid, subject to the premium grace period. Notification of any changes in the plan will be provided directly to each insured by the Company. The Policyholder will lose any rights and obligations under the Plan.

The following language replaces the TERMINATION OF AN EMPLOYEE'S INSURANCE provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

TERMINATION OF AN EMPLOYEE'S INSURANCE

An Employee's insurance will terminate on the earliest of the following:

1. The date the Plan is terminated, for Class I insureds;
2. The 31st day after the premium due date if the required premium has not been paid;
3. The date he ceases to meet the definition of an Employee as defined in the Plan, for Class I insureds; **or**
4. The date he is no longer a member of the Class eligible for coverage.

Insurance for Dependents will terminate on the earliest of the following:

1. The date the Plan is terminated, for Dependents of Class I insureds;
2. The 31st day after the premium due date, if the required premium has not been paid;
3. The date the Spouse or Dependent Child ceases to be a dependent; **or**
4. The premium due date following the date we receive the Employee's written request to terminate coverage for his Spouse and/or all Dependent Children.

Termination of the insurance on any Insured will not prejudice his rights regarding any claim arising prior to termination.

The following language replaces the PORTABILITY PRIVILEGE provision found under ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

PORTABILITY PRIVILEGE

Under the Portability Privilege provision, when coverage would otherwise terminate because an Employee ends his employment, coverage may be continued. He may exercise the Portability Privilege when there is a change to his coverage class. The Employee — and any covered dependents — will continue the coverage that is in force on the date employment ends. The continued coverage will be provided under Class II.

The premium rate for portability coverage may change for the class of covered persons on portability on any premium due date. Written notice will be given at least 31-60 days before any change is to take effect.

The Employee may continue the coverage until the earlier of:

- The date he fails to pay the required premium; **or**
- The date the class of coverage is terminated.

Coverage may not be continued:

- If the Employee fails to pay any required premium; **or**
- If the Company receives notice of Class I plan termination.

General Provisions

Time Limit on Certain Defenses

After two years from the Insured's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Insured's Application. This does not apply to fraudulent misstatements.

Contract

This Amendment is part of the form to which it is attached. It will terminate when that form terminates.

This Amendment is subject to all of the terms of the form to which it is attached unless those terms are inconsistent with this Amendment.

HEART EVENT RIDER TO CERTIFICATE OF INSURANCE FOR SPECIFIED CRITICAL ILLNESS

This rider is a part of the certificate to which it is attached. We have issued this rider to you because (1) you paid the additional premium for this rider; and/or (2) we relied on the application you made. Unless amended by this rider, Certificate Definitions, other Provisions and terms apply to this rider.

The Benefits provided in this rider amend any benefits shown in the base plan for the same conditions.

Effective Date - If issued at the same time as the certificate, this rider becomes effective when the certificate becomes effective. If issued after the certificate becomes effective, this rider will have a later Effective Date, which will be shown in the Rider Schedule issued with this rider.

DEFINITIONS

Specified Critical Illness means such illness shown in the Schedule and as defined in this rider.

Waiting Period means the number of days after the Effective Date before we will pay benefits for loss due to Specified Critical Illness. We won't pay benefits for a Specified Critical Illness which begins during the Waiting Period.

Pre-existing Condition means a sickness or physical condition which, within the 12-month period prior to an Insured's Effective Date resulted in the Insured receiving medical advice or treatment.

Diagnosed/Diagnosis means a definitive and unequivocal diagnosis made by a Physician: (1) based upon the use of clinical and/or laboratory investigations as supported by the Insured's medical records; and (2) meeting any Diagnostic Requirements set forth in the Certificate for the particular Critical Illness being diagnosed. For Benefit purposes, Date of Diagnosis means both the date the surgery or procedure occurs.

If an Eligible Dependent is unable to engage in the normal activities of a person in good health of like age and sex on the date the insurance would otherwise become effective, coverage will not be effective until the date such person is able to engage in the normal activities of a person in good health of like age and sex. This will not apply to an Eligible Dependant Child who is incapable of self-sustaining employment by reason of mental or physical incapacity, and who is primarily dependent on the Insured for support and maintenance.

BENEFIT DEFINITIONS

Category I - Specified Surgeries of the Heart

Specified Surgeries of the Heart "open heart surgery"— means undergoing open chest surgery, where the heart is *exposed* and/or *manipulated* for open cardiothoracic situations.

Benefits are paid for the following Open Heart Surgery procedures only:

1. **Coronary artery bypass surgery**, also coronary artery bypass graft surgery, or bypass surgery is a surgical procedure performed to relieve angina and reduce the risk of death from coronary artery disease.

Off-pump coronary artery bypass (OPCAB) is a form of bypass surgery that does not stop the heart or use the heart lung machine.

Coronary Artery Bypass Grafting (CABG) is used to treat a narrowing of the coronary arteries when the blockages are hard to reach or are too long or hard for angioplasty. A blood vessel, usually taken from the leg or chest, is grafted onto the blocked artery, creating a bypass around the blockage. If more than one artery is blocked, a bypass can be done on each but only one benefit is payable under this rider.

2. **Mitral valve replacement or repair:** a cardiac surgery procedure in which a patient's mitral valve is repaired or replaced by a different valve.
3. **Aortic valve replacement or repair:** a cardiac surgery procedure in which a patient's aortic valve is repaired or replaced by a different valve.
4. **Surgical Treatment of Abdominal aortic aneurysm:** To prevent aneurysm rupture. The operation consists of opening the abdomen, finding the aorta and removing (excising) the aneurysm. Abdominal aortic aneurysm is a ballooning or widening of the main artery (the aorta) as it courses down through the abdomen. At the point of the aneurysm, the aneurysm generally measures 3 cm or more in diameter.

Category I Benefits exclude all procedures not specifically listed above, including procedures such as, but not limited to, angioplasty, laser relief, stents or other surgical and non-surgical procedures.

Category II - Invasive, Procedures and Techniques of the Heart

A Category II Benefit is paid for the following procedures only:

1. **AngioJet Clot Busting** used to clear blood clots from coronary arteries before angioplasty and stenting. The device delivers a high pressure saline solution through the artery to the clot, breaking it up and simultaneously drawing it out.
2. **Balloon Angioplasty (or Balloon valvuloplasty)** used to open a clogged blood vessel. A thin tube is threaded through an artery to the narrowed heart vessel, where a small balloon at its tip is inflated. A balloon opens the narrowing by compressing atherosclerotic plaque against the vessel wall. The balloon is then deflated and removed.
3. **Laser Angioplasty.** Similar to balloon angioplasty, a laser tip is used to burn/break down plaque in the clogged blood vessel.
4. **Atherectomy** used to open blocked coronary arteries or clear bypass grafts by using a device on the

end of a catheter to cut or shave away atherosclerotic plaque.

5. **Stent implantation.** Where a stainless steel mesh coil is implanted in a narrowed part of an artery to keep it propped open.
6. **Cardiac catheterization** (also called heart catheterization) is a diagnostic and occasionally therapeutic procedure that allows a comprehensive examination of the heart and surrounding blood vessels.
7. **Automatic Implantable (or Internal) Cardioverter Defibrillator (AICD).** Means the initial placement of the AICD. AICDs are used for treating irregular heartbeats. The defibrillator is surgically placed inside the patient's chest where it monitors the heart's rhythm. When it identifies a serious arrhythmia it produces an electrical shock to disrupt the arrhythmia.
8. **Pacemakers.** Means the initial placement of a pacemaker. Pacemakers are implanted to send electrical signals to make the heart beat when your heart's natural pacemaker is not working properly. This electrical device is placed under the skin. A lead extends from the device to the right side of the heart. Most pacemakers are used to correct a slow heart rate.

Subject to the re-occurrence benefit in the base plan, only one Category II benefit is payable. Benefits will not be paid for multiple procedures listed under the Category II benefit.

Category II Benefits exclude all procedures not specifically listed above.

BENEFITS

We will pay the benefit if you are treated with one of the Specified Surgical Procedures or Interventional Procedures shown on the Rider Schedule if:

1. The Date of Treatment is after the Waiting Period;
2. Treatment is incurred while this Rider is in force;
3. Treatment is recommended by a physician; and
3. It is not excluded by name or specific description in this Rider.

This Rider pays the indicated percentages of the Initial Maximum Benefit Amount shown in the Certificate Schedule that occurs while this Rider is in force. Benefits are not payable under this Rider for Loss if these conditions result from another Specified Critical Illness.

Benefits for Cat II will reduce the benefit amounts payable for Cat I benefits. Benefits will be paid only at the highest benefit level. If a Cat I and II are performed at the same time, benefits are only eligible at the [100%] (higher) event and will not exceed the amount Initial Face Amount shown on the Rider Schedule. You are only eligible to receive one payment for each benefit category listed on the schedule page. The Dates of Loss for Covered Procedures must be separated by at least 6 months for benefits to be payable for multiple Covered Procedures.

Payment of initial, re-occurrence, or additional occurrence benefits are subject to the Benefits section of your Certificate.

LIMITATIONS AND EXCLUSIONS

This Rider contains a 30-day Waiting Period. This means no benefits are payable for any Insured who has been diagnosed for a covered condition before coverage has been in force 30 days from the Insured's Effective

Date shown in the Rider Schedule. If an Insured is first diagnosed has a covered procedure during the Waiting Period, benefits for treatment of that Specified Critical Illness will apply only to loss commencing after twelve months from the Insured's Effective Date; or, at your option, you may elect to void this rider from the beginning and receive a full refund of premium.

Any Benefits for Coronary Artery Bypass Surgery denied under this rider due to pre-existing conditions may be paid at the reduced benefit amount under the certificate, subject to the terms of the certificate.

EXCLUSIONS

1. No benefits will be paid if the Specified Critical Illness is a result of:
 - a. Intentionally self inflicted injury or action;
 - b. Suicide or attempted suicide while sane or insane;
 - c. Illegal activities or participation in an illegal occupation;
