SCHEDULE OF BENEFITS
OUTLINE OF COVERAGE

The Insurance for each Insured and each Insured Dependent will be based on the Insured's class shown in this Schedule of Benefits.

Benefit Class	Class Description
Class 1	Eligible Employee Effective After 7/1/07

BENEFITS FOR DENTAL EMERGENCIES

Covered Expenses will be paid at the Preferred Provider rate even though the service was performed by a Non-Preferred Provider, if the services are rendered in connection with a Dental Emergency and either the Covered Person could not reasonably travel to a Preferred Provider or the circumstances reasonably preclude the Covered Person from receiving the necessary care and treatment from a Preferred Provider. However, if the Non-Preferred Provider rate is greater, the Non-Preferred Provider rate will apply. In no event will the Covered Person be liable for any more out-of-pocket expenses whether they see a Non-Preferred Provider or a Preferred Provider for services rendered in connection with a Dental Emergency.

DENTAL EXPENSE BENEFITS

When you select a Preferred Provider, a discounted fee schedule is used which is intended to provide you, the Insured, reduced out of pocket costs.

Combined Type 2 and Type 3 Procedures - Each Benefit Period	$50

On the date that three members of one family have satisfied their own Deductible Amounts for that Benefit Period, no Covered Expenses incurred after that date by any other family member will be applied toward the satisfaction of any Deductible Amount for the rest of that Benefit Period. No Covered Expense that was incurred prior to such date, which was used to satisfy any part of a Deductible Amount, will be eligible for reimbursement.

Coinsurance Percentage:	
Type 1 Procedures	100%

Type 3 Procedures	50%

INCREASED DENTAL MAXIMUM BENEFIT

Carry Over Amount Per Insured Person – Each Benefit Period	$250
Benefit Threshold Per Insured Person – Each Benefit Period	$500
Maximum Carry Over Amount	$1,000

BENEFIT THRESHOLD refers to a maximum amount of benefits paid for dental expenses incurred in the preceding Benefit Period to qualify for an increase in the Carry Over Amount in the subsequent Benefit Period (see below).

After the first Benefit Period following the effective date of this provision, the Maximum Amount for Dental Expenses Per Insured Person as shown in the Schedule of Benefits will be increased by the Carry Over Amount if:

a) The Insured Person has submitted a claim for dental expenses incurred during the preceding Benefit Period; and

b) The benefits paid for dental expenses incurred in the preceding Benefit Period did not exceed the Benefit Threshold.

In each succeeding Benefit Period in which the total dental expense benefits paid do not exceed the Benefit Threshold, the Insured Person will be eligible for the Carry Over Amount.

The Carry Over Amount can be accumulated from one Benefit Period to the next Benefit Period up to the Maximum Carry Over amount unless:

a) During any Benefit Period, dental expense benefits are paid in excess of the Threshold. In this instance, there will be no additional Carry Over Amount for that Benefit Period; or

b) During any Benefit Period, no claims for dental expenses incurred during the preceding Benefit Period are submitted. In this instance, there will be no Carry Over Amount for that Benefit Period, and any accumulated Carry Over Amounts from previous Benefit Periods will be forfeited.

Eligibility for the Carry Over Amount will be established or reestablished at the time the first claim in a Benefit Period is received for dental expenses incurred during that Benefit Period.

In order to properly calculate the Carry Over Amount, claims should be submitted timely in accordance with the Proof of Loss provision found within the General Provisions. You have the right to request review of prior Carry Over Amount calculations. The request for review must be within 24 months from the date the Carry Over Amount was established.

Members are required to pay the difference between the plan payment and the Preferred Provider's contracted fees for covered services.

NON-PREFERRED PROVIDERS. A Non-Preferred Provider is any other provider and may also be referred to as an "Out-of-Network Provider". CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any eligible employee effective after 7/1/07 working at least 40 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;

2. the day he or she becomes a Member; or

3. the day he or she first has a dependent.

COVERAGE FOR NEWBORN, FOSTER AND ADOPTED CHILDREN AND CHILDREN FOR WHICH A PARENT IS REQUIRED BY A COURT OR ADMINISTRATIVE ORDER TO PROVIDE HEALTH BENEFIT PLAN COVERAGE. A newborn child will be covered from the date of birth. An adopted child, foster child or other child for which a parent is required by a court or administrative order to provide coverage will be covered from the date of placement.

Coverage for such child shall consist of coverage for dental expenses, subject to applicable deductibles, coinsurance percentages, maximums and limitations, resulting from care or treatment of congenital defects, birth abnormalities and premature birth, including, but not limited to, necessary care for individuals born with cleft lip or cleft palate.

The Insured may give us written notice within 30 days of the date of birth or placement of a dependent child to start coverage. If timely notice is given, we will not charge an additional premium for the 30-day notice period. If timely notice is not given, we will charge the applicable additional premium from the date of birth or placement for an adopted child. We will not deny coverage for a child due to the failure of the Insured to notify us within 30 days of the child's birth or placement. If no additional premiums are required due to adequate dependent coverage already existing, the 30-day notice period will be waived and no written notice is required.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any eligible employee effective after 7/1/07 working at least 40 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is not required to contribute to the payment of his or her insurance premiums. An insured may or may not be required to contribute to the payment of insurance premiums if he or she is both covered under this policy and also covered under another plan.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the eligibility period of 30 calendar day(s) of continuous active employment.
In no event, will the waiting period exceed 90 days after a Member's first day of employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

ELIMINATION PERIOD. Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.

2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before thedate on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

Injury or Sickness
For Certain Dependents

Coverage will continue for a Dependent student (see Definition of Dependent on 9060) for a covered Dependent student who takes a leave of absence from school due to an injury or illness for a period of twelve months from the last day of attendance in school, provided, however, that nothing in this provision shall require coverage of a dependent student beyond the age at which coverage would otherwise terminate.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Preferred Provider.
3. the Maximum Allowable Charge ("MAC") as covered under your plan, if services are provided by a Preferred Provider, who is a general dentist.

Usual and Customary (“U&C”) describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider’s fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Preferred Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage amount because actual provider charges may not be used to determine plan/insurer or similar term and insured/member/enrollee or similar term payment obligations.

If a service is received out of network, either you or your provider may submit the claim to us:

ACCESS TO PREFERRED PROVIDERS. If you are unable to schedule a visit with a Preferred Provider within a reasonable period of time or driving distance and are not otherwise in need of emergency services, please contact us at the toll-free number shown on your ID card and we will attempt to locate a Preferred Provider for you to visit. Our network contract with providers requires them to offer appointments upon request within a reasonable time. For non-emergency appointments, a reasonable amount of time shall not be more than thirty (30) days. Reasonable driving distance varies by the geographic area and specialty type. Network providers are required to furnish or arrange for twenty-four (24) hour per day, seven days per week urgent/emergency care service. Our customer service representatives are prepared to help you find a Preferred Provider based on the circumstances. However, if we are unable to locate a Provider for you or you are in need of emergency services and are unable to obtain such services from a Preferred Provider, we will review and pay the eligible claims submitted as if you had visited a Preferred Provider.

Provider Directories can be accessed by visiting our website www.ameritas.com. For your convenience, our online directories are updated daily.

You may also request a paper directory by calling 800-776-9446.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.

2. for initial placement of any prosthetic appliance or fixed partial denture unless such placement is needed because of the extraction of one or more teeth while the insured person is covered under this plan or for any teeth extracted prior to coverage under this plan once the Insured has been covered under this contract for 36 months. But the extraction of a third molar (wisdom tooth) will not qualify under the above. Any such appliance or fixed partial denture must include the replacement of the extracted tooth or teeth.

3. for appliances, restorations, or procedures to:

    a. alter vertical dimension;
    b. restore or maintain occlusion; or
    c. splint or replace tooth structure lost as a result of abrasion or attrition.

4. for any procedure begun after the insured person's insurance under this contract terminates; or for any prosthetic dental appliances installed or delivered more than 90 days after the Insured's insurance under this contract terminates.

5. to replace lost or stolen appliances.

6. for any treatment which is for cosmetic purposes.

7. for any procedure not shown in the Table of Dental Procedures. (There may be additional frequencies and limitations that apply, please see the Table of Dental Procedures for details.)

8. for orthodontic treatment under this benefit provision. (If orthodontic expense benefits have been included in this policy, please refer to the Schedule of Benefits and Orthodontic Expense Benefits provision found on 9260).

9. services or supplies for the treatment of an occupational injury or sickness which are paid or payable under the North Carolina Workers' Compensation Act only to the extent such services or supplies are the liability of the employee, employer or workers' compensation insurance carrier according to a final adjudication under the North Carolina Worker's Compensation Act or an order of the North Carolina Industrial Commission approving a settlement agreement under the North Carolina Workers' Compensation Act.

10. for charges which the Insured person is not liable or which would not have been made had no insurance been in force.

11. for services that are not required for necessary care and treatment or are not within the generally accepted parameters of care.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Your benefits are based on a Benefit Year. A Benefit Year runs from July 1 through June 30.

Examples of procedures which may be subject to Alternate Benefits are crowns, inlays, onlays, fixed partial dentures, composite restorations, and overdentures. Examples of procedures which may be subject to plan payments based on consultant review are services related to oral maxillofacial surgery, fixed partial dentures, periodontics, and endodontics.

Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.

Commonly reviewed procedures include: Periodontic procedures, Oral Maxillofacial Surgical procedures, Implants, Crowns, Inlays, Onlays, Core Build-Ups, Fixed Partial Dentures, Post and Cores, Veneers, Endodontic Retreatment, and Apexification/Recalcification procedures.
- We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.

ORTHODONTIC EXPENSE BENEFITS

Orthodontic expense benefits will be determined according to the terms of the policy for orthodontic expenses incurred by an Insured.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Benefit During Lifetime shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured during his or her lifetime.

COVERED EXPENSES. Covered Expenses refer to the usual and customary charges made by a provider for necessary orthodontic treatment rendered while the person is insured under this section. Expenses are limited to the Maximum Amount shown in the Schedule of Benefits and Limitations. All benefits are subject to the definitions, limitations and exclusions and are payable only when we determine they are necessary for prevention, diagnosis, care or treatment of a covered condition and meet generally accepted dental protocols.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

ORTHODONTIC TREATMENT. Orthodontic Treatment refers to the movement of teeth by means of active appliances to correct the position of maloccluded or malpositioned teeth.

TREATMENT PROGRAM. Treatment Program ("Program") means an interdependent series of orthodontic services prescribed by a provider to correct a specific dental condition. A Program will start when the bands, brackets or appliances are placed. A Program will end when the services are done, or after eight calendar quarters starting with the day the appliances were inserted, whichever is earlier.

EXPENSES INCURRED. Benefits will be payable when a Covered Expense is incurred:

a. at the end of every quarter (three-month period) of a Program for an Insured who pursues a Program, but not beyond the date the Program ends; or

b. at the time the service is rendered for an Insured who incurs Covered Expenses but does not pursue a Program.

The Covered Expenses for a Program are based on the estimated cost of the Insured's Program. They are pro-rated by quarter (three-month periods) over the estimated length of the Program, up to a maximum of eight quarters. The last quarterly payment for a Program may be changed if the estimated and actual cost of the Program differ.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. for a Program begun before the Insured became covered under this section.

2. in the first 12 months that a person is insured if the person is a Late Entrant.

3. in any quarter of a Program if the Insured was not covered under this section for the entire quarter.

4. if the Insured's insurance under this section terminates.

5. services or supplies for the treatment of an occupational injury or sickness which are paid or payable under the North Carolina Workers' Compensation Act only to the extent such services or supplies are the liability of the employee, employer or workers' compensation insurance carrier according to a final adjudication under the North Carolina Worker's Compensation Act or an order of the North Carolina Industrial Commission approving a settlement agreement under the North Carolina Workers' Compensation Act.

6. for charges the Insured is not legally required to pay or would not have been made had no insurance been in force.

7. for services not required for necessary care and treatment or not within the generally accepted parameters of care.

8. To replace lost, missing or stolen orthodontic appliances.

COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expenses.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:

    a. Any group insurance policy, but not including school-accident-type coverage, blanket, franchise individual, automobile or homeowner coverage;

    b. Any group prepayment, group practice or group or individual service plan; or

    c. A governmental program or coverage required or provided by any law, except Medicaid and any plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.

2. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.

3. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.

4. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.

2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:

    a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.

b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:

i. the parents are married;

ii. the parents are not separated (whether or not they ever have been married); or

iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Dental coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:

i. the Plan of the Custodial Parent;

ii. the Plan of the spouse of the Custodial Parent;

iii. the Plan of the non-Custodial Parent; and then

iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and

2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

CLAIMS OVERPAYMENT. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from the insured or provider for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

Pursuant to NCGS 58-3-225(h), not less than 30 calendar days before we seek overpayment recovery or offset future payments, we shall give written notice to the health care provider, which notice shall be accompanied by adequate specific information to identify the specific claim and the specific reason for the recovery. The recovery of overpayments or offsetting of future payments shall be made within the two years after the date of the original claim payment unless we have reasonable belief of fraud or other intentional misconduct by the health care provider or its agents, or the claim involves a health care provider receiving payment for the same services from a government payor.

GENERAL PROVISIONS

ENTIRE CONTRACT; CHANGES: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. A change in this policy is not valid until the change is approved by an executive officer of the insurer and unless the approval is endorsed on or attached to the policy. An agent does not have authority to change this policy or to waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: (a) After the second anniversary of the date this policy is issued, a misstatement made by the applicant in the application for the policy may not be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) beginning after that anniversary.

GRACE PERIOD: Unless, not less than 45 days before the premium due date, We have delivered to You, or have mailed to Your last address as shown by Our records, a written notice of Our intention not to renew this policy beyond the period for which the premium has been accepted, a grace period of at least 31 days will be granted for the payment of each premium due after the first premium. During the grace period, the policy continues in force.

REINSTATEMENT. If a renewal premium is not paid before the expiration of the period granted for the Insured to make the payment, a subsequent acceptance of the premium by the insurer or any agent authorized by the insurer to accept the premium, without requiring in connection with the acceptance an application for reinstatement, reinstates the policy. However, if the insurer or authorized agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated on approval of the application by the insurer or, if the application is not approved, on the 45th day after the date of the conditional receipt unless the insurer before that date has notified the Insured in writing of the insurer's disapproval of the application. The reinstated policy covers only loss resulting from an accidental injury sustained after the date of reinstatement and loss due to sickness that begins more than 10 days after the date of reinstatement. In all other respects the Insured and insurer have the same rights under the reinstated policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed in the policy or attached to the policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

CLAIM FORMS: We will provide You the forms needed for filing proof of loss. If the forms are not provided before the 16th day after the date of the notice, the claimant shall be considered to have complied with the requirements of this policy as to proof of loss on submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which the claim is made.

NOTICE OF CLAIM: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonable possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at our Home Office or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

PROOF OF LOSS: Written proof of loss must be furnished to the insurer at its said office in the case of a claim for loss within 180 days after the termination of the period for which the insurer is liable and in case of a claim for any other loss within 180 days after the date of the loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, other than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for any loss, other than a loss for which this policy provides any periodic payment, will be paid immediately on receipt of due written proof of the loss. Subject to due written proof of loss, all accrued indemnities for a loss for which this policy provides periodic payment will be paid monthly and any balance remaining unpaid on termination of liability will be paid immediately on receipt of due written proof of loss.

PHYSICAL EXAMINATIONS AND AUTOPSY: At Our own expense We have the right and opportunity to conduct a physical examination of the Insured when and as often as the insurer reasonably requires while a claim under the policy is pending and, in case of death, to require that an autopsy be conducted if not forbidden by law.

LEGAL ACTIONS: An action at law or in equity may not be brought to recover on this policy before the 61st day after the date written proof of loss has been provided in accordance with the requirements of this policy. An action at law or in equity may not be brought after the expiration of three years after the time written proof of loss is required to be provided.

CHANGE OF BENEFICIARY: Unless You make an irrevocable designation of beneficiary, the right to change a beneficiary is reserved for You, and the consent of the beneficiary or beneficiaries is not required for the surrender or assignment of this policy, for any change of beneficiary or beneficiaries, or for any other changes in this policy.

MISSTATEMENT OF AGE: If the age of an Insured has been misstated, the amounts payable under this policy are the amounts the premium paid would have purchased at the correct age.

UNPAID PREMIUM: At the time of payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted from the payment.

CANCELLATION: We may cancel this policy at any time for reasons previously disclosed by written notice delivered to You, or mailed to Your last address as shown by Our records, stating when the cancellation is effective, which may not be earlier than 45 days after the date the notice is delivered or mailed. After this policy has been continued beyond its original term, You may cancel the policy at any time by written notice delivered or mailed to Us, effective on receipt or on a later date specified in the notice. In the event of cancellation, We will promptly return the unearned portion of any premium paid. If You cancel, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the Insured resided when the policy was issued. If We cancel, the earned premium shall be computed pro rata. Cancellation is without prejudice to any claim originating before the effective date of cancellation

CONFORMITY WITH STATE STATUTES: Any provision of this policy that, on its effective date, conflicts with the statutes of the state in which You reside on the effective date is by this clause effectively amended to conform to the minimum requirements of that state's statutes.

ILLEGAL OCCUPATION: We are not liable for any loss to which a contributing cause was an Insured's commission of or attempt to commit a felony or to which a contributing cause was an Insured's being engaged in an illegal occupation

INTOXICANTS AND NARCOTICS: We are not liable for any loss sustained or contracted in consequence of an Insured's being intoxicated or under the influence of any narcotic unless the narcotic is administered on the advice of a physician

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving Us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then We may, at Our option, pay the benefit up to an amount not to exceed $5,000, to any relative by blood or connection by marriage of the Insured who is considered by Us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release Us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. An Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of his or her license. We will in no way disturb the provider-patient relationship.

TERMS AND CONDITIONS. Payment of any benefit under this policy is subject to the definitions and all other terms of this policy pertinent to the benefit.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

PAYMENT OF BENEFITS. Preferred Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Preferred Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Preferred Provider directly.

E. Continuation of Coverage Provisions (COBRA)

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

1. The Member dies (hereinafter referred to as Qualifying Event 1);

2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);

3. The Member's work hours fall below the minimum number required to be a Member (hereinafter referred to as Qualifying Event 3);

4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);

5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);

6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);

7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

ii. Electing COBRA Continuation

A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:

   1. The date on which Insurance would otherwise end; and

   2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.

B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:

   1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;

   2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and

   3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

iii. Notice Requirements

1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.

2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:

   a. The date of the Qualifying Event; or

   b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.

3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:

   a. The date of the disability determination;

   b. The date of the Qualifying Event; or

   c. The date on which the Qualified Beneficiary loses coverage due to the Qualifying Event.

4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:

   a. The date of the Qualifying Event; or

   b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.

5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.

6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

iv. COBRA Continuation Period

1. 18-month COBRA Continuation

   Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

   Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

   If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

v. Premium Requirements

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

vi. When COBRA Continuation Ends

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;

2. 31 days after the date the last period ends for which a required premium payment was made;

3. The last day of the COBRA continuation period.

4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;

5. The first date on which the Qualified Beneficiary is: (a) covered under another group Dental policy and (b) not subject to any preexisting condition limitation in that policy.

F. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage
Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights
If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and

responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration

TABLE OF CONTENTS

SCHEDULE OF BENEFITS
OUTLINE OF COVERAGE

The Insurance for each Insured and each Insured Dependent will be based on the Insured's class shown in this Schedule of Benefits.

Benefit Class	Class Description
Class 2	Initial Employee Effective On 7-1-07

BENEFITS FOR DENTAL EMERGENCIES

Covered Expenses will be paid at the Preferred Provider rate even though the service was performed by a Non-Preferred Provider, if the services are rendered in connection with a Dental Emergency and either the Covered Person could not reasonably travel to a Preferred Provider or the circumstances reasonably preclude the Covered Person from receiving the necessary care and treatment from a Preferred Provider. However, if the Non-Preferred Provider rate is greater, the Non-Preferred Provider rate will apply. In no event will the Covered Person be liable for any more out-of-pocket expenses whether they see a Non-Preferred Provider or a Preferred Provider for services rendered in connection with a Dental Emergency.

DENTAL EXPENSE BENEFITS

When you select a Preferred Provider, a discounted fee schedule is used which is intended to provide you, the Insured, reduced out of pocket costs.

Deductible Amount:

Type 1 Procedures	$0
Combined Type 2 and Type 3 Procedures - Each Benefit Period	$50

On the date that three members of one family have satisfied their own Deductible Amounts for that Benefit Period, no Covered Expenses incurred after that date by any other family member will be applied toward the satisfaction of any Deductible Amount for the rest of that Benefit Period. No Covered Expense that was incurred prior to such date, which was used to satisfy any part of a Deductible Amount, will be eligible for reimbursement.

Coinsurance Percentage:	
Type 1 Procedures	100%
Type 2 Procedures	80%
Type 3 Procedures	50%
Maximum Amount - Each Benefit Period	$1,000

Your Plan's Negotiated or Regognized Rate	$600	$1,000
Your Plan Pays	$300	$500

INCREASED DENTAL MAXIMUM BENEFIT

Carry Over Amount Per Insured Person – Each Benefit Period	$250
Benefit Threshold Per Insured Person – Each Benefit Period	$500
Maximum Carry Over Amount	$1,000

BENEFIT THRESHOLD refers to a maximum amount of benefits paid for dental expenses incurred in the preceding Benefit Period to qualify for an increase in the Carry Over Amount in the subsequent Benefit Period (see below).

After the first Benefit Period following the effective date of this provision, the Maximum Amount for Dental Expenses Per Insured Person as shown in the Schedule of Benefits will be increased by the Carry Over Amount if:

a) The Insured Person has submitted a claim for dental expenses incurred during the preceding Benefit Period; and

b) The benefits paid for dental expenses incurred in the preceding Benefit Period did not exceed the Benefit Threshold.

In each succeeding Benefit Period in which the total dental expense benefits paid do not exceed the Benefit Threshold, the Insured Person will be eligible for the Carry Over Amount.

The Carry Over Amount can be accumulated from one Benefit Period to the next Benefit Period up to the Maximum Carry Over amount unless:

a) During any Benefit Period, dental expense benefits are paid in excess of the Threshold. In this instance, there will be no additional Carry Over Amount for that Benefit Period; or

b) During any Benefit Period, no claims for dental expenses incurred during the preceding Benefit Period are submitted. In this instance, there will be no Carry Over Amount for that Benefit Period, and any accumulated Carry Over Amounts from previous Benefit Periods will be forfeited.

Eligibility for the Carry Over Amount will be established or reestablished at the time the first claim in a Benefit Period is received for dental expenses incurred during that Benefit Period.

In order to properly calculate the Carry Over Amount, claims should be submitted timely in accordance with the Proof of Loss provision found within the General Provisions. You have the right to request review of prior Carry Over Amount calculations. The request for review must be within 24 months from the date the Carry Over Amount was established.

CONDITIONS FOR INSURANCE COVERAGE

ELIGIBILITY

ELIGIBLE CLASS FOR MEMBERS. The members of the eligible class(es) are shown on the Schedule of Benefits. Each member of the eligible class (referred to as "Member") will qualify for such insurance on the day he or she completes the required eligibility period, if any. Members choosing to elect coverage will hereinafter be referred to as "Insured."

If employment is the basis for membership, a member of the Eligible Class for Insurance is any initial employee effective on 7-1-07 working at least 40 hours per week. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

If both spouses are Members, and if either of them insures their dependent children, then the spouse, whoever elects, will be considered the dependent of the other. As a dependent, the person will not be considered a Member of the Eligible Class, but will be eligible for insurance as a dependent.

ELIGIBLE CLASS FOR DEPENDENT INSURANCE. Each Member of the eligible class(es) for dependent coverage is eligible for the Dependent Insurance under the policy and will qualify for this Dependent Insurance on the first of the month falling on or first following the latest of:

1. the day he or she qualifies for coverage as a Member;

2. the day he or she becomes a Member; or

3. the day he or she first has a dependent.

COVERAGE FOR NEWBORN, FOSTER AND ADOPTED CHILDREN AND CHILDREN FOR WHICH A PARENT IS REQUIRED BY A COURT OR ADMINISTRATIVE ORDER TO PROVIDE HEALTH BENEFIT PLAN COVERAGE. A newborn child will be covered from the date of birth. An adopted child, foster child or other child for which a parent is required by a court or administrative order to provide coverage will be covered from the date of placement.

Coverage for such child shall consist of coverage for dental expenses, subject to applicable deductibles, coinsurance percentages, maximums and limitations, resulting from care or treatment of congenital defects, birth abnormalities and premature birth, including, but not limited to, necessary care for individuals born with cleft lip or cleft palate.

The Insured may give us written notice within 30 days of the date of birth or placement of a dependent child to start coverage. If timely notice is given, we will not charge an additional premium for the 30-day notice period. If timely notice is not given, we will charge the applicable additional premium from the date of birth or placement for an adopted child. We will not deny coverage for a child due to the failure of the Insured to notify us within 30 days of the child's birth or placement. If no additional premiums are required due to adequate dependent coverage already existing, the 30-day notice period will be waived and no written notice is required.

A Member must be an Insured to also insure his or her dependents.

If employment is the basis for membership, a member of the Eligible Class for Dependent Insurance is any initial employee effective on 7-1-07 working at least 40 hours per week and has eligible dependents. If membership is by reason other than employment, then a member of the Eligible Class for Insurance is as defined by the Policyholder.

Any spouse who elects to be a dependent rather than a member of the Eligible Class for Personal Insurance, as explained above, is not a member of the Eligible Class for Dependent Insurance.

When a member of the Eligible Class for Dependent Insurance dies and, if at the date of death, has dependents insured, the Policyholder has the option of offering the dependents of the deceased employee continued coverage. If elected by the Policyholder and the affected dependents, the name of such deceased member will continue to be listed as a member of the Eligible Class for Dependent Insurance.

CONTRIBUTION REQUIREMENTS. Member Insurance: An Insured is not required to contribute to the payment of his or her insurance premiums. An insured may or may not be required to contribute to the payment of insurance premiums if he or she is both covered under this policy and also covered under another plan.

Dependent Insurance: An Insured is required to contribute to the payment of insurance premiums for his or her dependents.

ELIGIBILITY PERIOD. For Members on the Plan Effective Date of the policy, coverage is effective immediately.

For persons who become Members after the Plan Effective Date of the policy, qualification will occur on the first of the month falling on or first following the eligibility period of 30 calendar day(s) of continuous active employment.
In no event, will the waiting period exceed 90 days after a Member's first day of employment.

If employment is the basis for membership in the Eligible Class for Members, an Insured whose eligibility terminates and is established again, may or may not have to complete a new eligibility period before he or she can again qualify for insurance.

ELIMINATION PERIOD. Certain covered expenses may be subject to an elimination period, please refer to the TABLE OF DENTAL PROCEDURES, DENTAL EXPENSE BENEFITS, and if applicable, the ORTHODONTIC EXPENSE BENEFITS pages for details.

EFFECTIVE DATE. Each Member has the option of being insured and insuring his or her Dependents. To elect coverage, he or she must agree in writing to contribute to the payment of the insurance premiums. The Effective Date for each Member and his or her Dependents, will be the first of the month falling on or first following:

1. the date on which the Member qualifies for insurance, if the Member agrees to contribute on or before that date.

2. the date on which the Member agrees to contribute, if that date is within 31 days after the date he or she qualifies for insurance.

3. the date we accept the Member and/or Dependent for insurance when the Member and/or Dependent is a Late Entrant. The Member and/or Dependent will be subject to any limitation concerning Late Entrants.

EXCEPTIONS. If employment is the basis for membership, a Member must be in active service on the date the insurance, or any increase in insurance, is to take effect. If not, the insurance will not take effect until the day he or she returns to active service. Active service refers to the performance in the customary manner by an employee of all the regular duties of his or her employment with his or her employer on a full time basis at one of the employer's business establishments or at some location to which the employer's business requires the employee to travel.

A Member will be in active service on any regular non-working day if he or she is not totally disabled on that day and if he or she was in active service on the regular working day before that day.

If membership is by reason other than employment, a Member must not be totally disabled on the date the insurance, or any increase in insurance, is to take effect. The insurance will not take effect until the day after he or she ceases to be totally disabled.

TERMINATION DATES

INSUREDS. The insurance for any Insured, will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date the Insured ceases to be a Member;
2. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
3. the date the policy is terminated.

DEPENDENTS. The insurance for all of an Insured's dependents will automatically terminate on the end of the month falling on or next following the **earliest of:**

1. the date on which the Insured's coverage terminates;
2. the date on which the Insured ceases to be a Member;
3. the last day of the period for which the Insured has contributed, if required, to the payment of insurance premiums; or
4. the date all Dependent Insurance under the policy is terminated.

The insurance for any Dependent will automatically terminate on the end of the month falling on or next following the day before thedate on which the dependent no longer meets the definition of a dependent. See "Definitions."

CONTINUATION OF COVERAGE. If coverage ceases according to TERMINATION DATE, some or all of the insurance coverages may be continued. Contact your plan administrator for details.

Injury or Sickness
For Certain Dependents

Coverage will continue for a Dependent student (see Definition of Dependent on 9060) for a covered Dependent student who takes a leave of absence from school due to an injury or illness for a period of twelve months from the last day of attendance in school, provided, however, that nothing in this provision shall require coverage of a dependent student beyond the age at which coverage would otherwise terminate.

DENTAL EXPENSE BENEFITS

We will determine dental expense benefits according to the terms of the group policy for dental expenses incurred by an Insured. An Insured person has the freedom of choice to receive treatment from any Provider.

DETERMINING BENEFITS. The benefits payable will be determined by totaling all of the Covered Expenses submitted into each benefit type as shown in the Table of Dental Procedures. This amount is reduced by the Deductible, if any. The result is then multiplied by the Coinsurance Percentage(s) shown in the Schedule of Benefits. Benefits are subject to the Maximum Amount, if any, shown in the Schedule of Benefits.

BENEFIT PERIOD. Benefit Period refers to the period shown in the Table of Dental Procedures.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Amount shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured.

COVERED EXPENSES. Covered Expenses include:

1. only those expenses for dental procedures performed by a Provider; and
2. only those expenses for dental procedures listed and outlined on the Table of Dental Procedures.

Covered Expenses are subject to "Limitations." See Limitations and Table of Dental Procedures.

Benefits payable for Covered Expenses also will be based on the lesser of:

1. the actual charge of the Provider.
2. the usual and customary ("U&C") as covered under your plan, if services are provided by a Non Preferred Provider.
3. the Maximum Allowable Charge ("MAC") as covered under your plan, if services are provided by a Preferred Provider, who is a general dentist.

Usual and Customary (“U&C”) describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder (in most cases your employer) has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider’s fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

MAC - The Maximum Allowable Charge is derived from the array of provider charges within a particular ZIP code area. These allowances are the charges accepted by dentists who are Preferred Providers. The MAC is reviewed and updated periodically to reflect increasing provider fees within the ZIP code area.

NOTICE: Your actual expenses for covered services may exceed the stated coinsurance percentage amount because actual provider charges may not be used to determine plan/insurer or similar term and insured/member/enrollee or similar term payment obligations.

If a service is received out of network, either you or your provider may submit the claim to us:

ACCESS TO PREFERRED PROVIDERS. If you are unable to schedule a visit with a Preferred Provider within a reasonable period of time or driving distance and are not otherwise in need of emergency services, please contact us at the toll-free number shown on your ID card and we will attempt to locate a Preferred Provider for you to visit. Our network contract with providers requires them to offer appointments upon request within a reasonable time. For non-emergency appointments, a reasonable amount of time shall not be more than thirty (30) days. Reasonable driving distance varies by the geographic area and specialty type. Network providers are required to furnish or arrange for twenty-four (24) hour per day, seven days per week urgent/emergency care service. Our customer service representatives are prepared to help you find a Preferred Provider based on the circumstances. However, if we are unable to locate a Provider for you or you are in need of emergency services and are unable to obtain such services from a Preferred Provider, we will review and pay the eligible claims submitted as if you had visited a Preferred Provider.

Provider Directories can be accessed by visiting our website www.ameritas.com. For your convenience, our online directories are updated daily.

You may also request a paper directory by calling 800-776-9446.

ALTERNATIVE PROCEDURES. If two or more procedures are considered adequate and appropriate treatment to correct a certain condition under generally accepted standards of dental care, the amount of the Covered Expense will be equal to the charge for the least expensive procedure. This provision is NOT intended to dictate a course of treatment. Instead, this provision is designed to determine the amount of the plan allowance for a submitted treatment when an adequate and appropriate alternative procedure is available. Accordingly, you may choose to apply the alternate benefit amount determined under this provision toward payment of the submitted treatment.

We may request pre-operative dental radiographic images, periodontal charting and/or additional diagnostic data to determine the plan allowance for the procedures submitted. We strongly encourage pre-treatment estimates so you understand your benefits before any treatment begins. Ask your provider to submit a claim form for this purpose.

EXPENSES INCURRED. An expense is incurred at the time the impression is made for an appliance or change to an appliance. An expense is incurred at the time the tooth or teeth are prepared for a prosthetic crown, appliance, or fixed partial denture. For root canal therapy, an expense is incurred at the time the pulp chamber is opened. All other expenses are incurred at the time the service is rendered or a supply furnished.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. in the first 12 months that a person is insured if the person is a Late Entrant; except for evaluations, prophylaxis (cleanings), and fluoride application.

TABLE OF DENTAL PROCEDURES

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY FOR YOUR PROCEDURE FREQUENCIES AND PROVISIONS.

The attached is a list of dental procedures for which benefits are payable under this section; and is based upon the Current Dental Terminology © American Dental Association. **No benefits are payable for a procedure that is not listed.**

- Your benefits are based on a Benefit Year. A Benefit Year runs from July 1 through June 30.
- Benefit Period means the period from July 1 of any year through June 30 of the next year. But during the first year a person is insured, a benefit period means the period from his or her effective date through June 30 of the next year.
- Covered Procedures are subject to all plan provisions, procedure and frequency limitations, and/or consultant review. Examples of procedures which may be subject to Alternate Benefits are crowns, inlays, onlays, fixed partial dentures, composite restorations, and overdentures. Examples of procedures which may be subject to plan payments based on consultant review are services related to oral maxillofacial surgery, fixed partial dentures, periodontics, and endodontics.
- Reference to "traumatic injury" under this plan is defined as any injury caused by an object or a force other than bruxism (grinding of teeth).
- Benefits for replacement prosthetic crown, appliance, or fixed partial denture will be based on the prior placement date. Frequencies which reference Benefit Period will be measured forward within the limits defined as the Benefit Period. All other frequencies will be measured forward from the last covered date of service.
- We may request radiographs, periodontal charting, surgical notes, narratives, photos and/or a patient's records on any procedure for our dental consultants to review. Commonly reviewed procedures include: Periodontic procedures, Oral Maxillofacial Surgical procedures, Implants, Crowns, Inlays, Onlays, Core Build-Ups, Fixed Partial Dentures, Post and Cores, Veneers, Endodontic Retreatment, and Apexification/Recalcification procedures.
- We recommend that a pre-treatment estimate be submitted for all anticipated work that is considered to be expensive by our insured.
- A pre-treatment estimate is not a pre-authorization or guarantee of payment or eligibility; rather it is an indication of the estimated benefits available if the described procedures are performed.

ORTHODONTIC EXPENSE BENEFITS

Orthodontic expense benefits will be determined according to the terms of the policy for orthodontic expenses incurred by an Insured.

DEDUCTIBLE. The Deductible is shown on the Schedule of Benefits and is a specified amount of Covered Expenses that must be incurred and paid by each Insured person prior to any benefits being paid.

MAXIMUM AMOUNT. The Maximum Benefit During Lifetime shown in the Schedule of Benefits is the maximum amount that may be paid for the Covered Expenses incurred by an Insured during his or her lifetime.

COVERED EXPENSES. Covered Expenses refer to the usual and customary charges made by a provider for necessary orthodontic treatment rendered while the person is insured under this section. Expenses are limited to the Maximum Amount shown in the Schedule of Benefits and Limitations. All benefits are subject to the definitions, limitations and exclusions and are payable only when we determine they are necessary for prevention, diagnosis, care or treatment of a covered condition and meet generally accepted dental protocols.

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. The U&C is based upon a combination of dental charge information taken from our own database as well as from data received from nationally recognized industry databases. From the array of charges ranked by amount, your Policyholder has selected a percentile that will be used to determine the maximum U&C for your plan. The U&C is reviewed and updated periodically. The U&C can differ from the actual fee charged by the provider and is not indicative of the appropriateness of the provider's fee. Instead, the U&C is simply a plan provision used to determine the extent of benefit coverage purchased by your Policyholder.

ORTHODONTIC TREATMENT. Orthodontic Treatment refers to the movement of teeth by means of active appliances to correct the position of maloccluded or malpositioned teeth.

TREATMENT PROGRAM. Treatment Program ("Program") means an interdependent series of orthodontic services prescribed by a provider to correct a specific dental condition. A Program will start when the bands, brackets or appliances are placed. A Program will end when the services are done, or after eight calendar quarters starting with the day the appliances were inserted, whichever is earlier.

EXPENSES INCURRED. Benefits will be payable when a Covered Expense is incurred:

a. at the end of every quarter (three-month period) of a Program for an Insured who pursues a Program, but not beyond the date the Program ends; or

b. at the time the service is rendered for an Insured who incurs Covered Expenses but does not pursue a Program.

The Covered Expenses for a Program are based on the estimated cost of the Insured's Program. They are pro-rated by quarter (three-month periods) over the estimated length of the Program, up to a maximum of eight quarters. The last quarterly payment for a Program may be changed if the estimated and actual cost of the Program differ.

LIMITATIONS. Covered Expenses will not include and benefits will not be payable for expenses incurred:

1. for a Program begun before the Insured became covered under this section.

2. in the first 12 months that a person is insured if the person is a Late Entrant.

3. in any quarter of a Program if the Insured was not covered under this section for the entire quarter.

4. if the Insured's insurance under this section terminates.

5. services or supplies for the treatment of an occupational injury or sickness which are paid or payable under the North Carolina Workers' Compensation Act only to the extent such services or supplies are the liability of the employee, employer or workers' compensation insurance carrier according to a final adjudication under the North Carolina Worker's Compensation Act or an order of the North Carolina Industrial Commission approving a settlement agreement under the North Carolina Workers' Compensation Act.

6. for charges the Insured is not legally required to pay or would not have been made had no insurance been in force.

7. for services not required for necessary care and treatment or not within the generally accepted parameters of care.

8. To replace lost, missing or stolen orthodontic appliances.

COORDINATION OF BENEFITS

This section applies if an Insured person has dental coverage under more than one Plan definition below. All benefits provided under this policy are subject to this section.

EFFECT ON BENEFITS. The Order of Benefit Determination rules below determine which Plan will pay as the primary Plan. If all or any part of an Allowable Expense under this Plan is an Allowable Expense under any other Plan, then benefits will be reduced so that, when they are added to benefits payable under any other Plan for the same service or supply, the total does not exceed 100% of the total Allowable Expenses.

If another Plan is primary and this Plan is considered secondary, the amount by which benefits have been reduced during the Claim Determination Period will be used by us to pay the Allowable Expenses not otherwise paid which were incurred by you in the same Claim Determination Period. We will determine our obligation to pay for Allowable Expenses as each claim is submitted, based on all claims submitted in the current Claim Determination Period.

DEFINITIONS. The following apply only to this provision of the policy.

1. "Plan" refers to the group policy and any of the following plans, whether insured or uninsured, providing benefits for dental services or supplies:

    a. Any group insurance policy, but not including school-accident-type coverage, blanket, franchise individual, automobile or homeowner coverage;

    b. Any group prepayment, group practice or group or individual service plan; or

    c. A governmental program or coverage required or provided by any law, except Medicaid and any plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.

2. "Allowable Expense" refers to any necessary, reasonable and customary item of expense at least a portion of which is covered under at least one of the Plans covering the Insured person for whom that claim is made. When a Plan provides services rather than cash payments, the reasonable cash value of each service will be both an Allowable Expense and a benefit paid. Benefits payable under another Plan include benefits that would have been payable had a claim been made for them.

3. "Claim Determination Period" refers to a Benefit Period, but does not include any time during which a person has no coverage under this Plan.

4. "Custodial Parent" refers to a parent awarded custody of a minor child by a court decree. In the absence of a court decree, it is the parent with whom the child resides more than half of the calendar year without regard to any temporary visitation.

ORDER OF BENEFIT DETERMINATION. When two or more Plans pay benefits, the rules for determining the order of payment are as follows:

1. A Plan that does not have a coordination of benefits provision is always considered primary and will pay benefits first.

2. If a Plan also has a coordination of benefits provision, the first of the following rules that describe which Plan pays its benefits before another Plan is the rule to use:

    a. The benefits of a Plan that covers a person as an employee, member or subscriber are determined before those of a Plan that covers the person as a dependent.

b. If a Dependent child is covered by more than one Plan, then the primary Plan is the Plan of the parent whose birthday is earlier in the year if:

i. the parents are married;

ii. the parents are not separated (whether or not they ever have been married); or

iii. a court decree awards joint custody without specifying that one party has the responsibility to provide Dental coverage.

If both parents have the same birthday, the Plan that covered either of the parents longer is primary.

c. If the Dependent child is covered by divorced or separated parents under two or more Plans, benefits for that Dependent child will be determined in the following order:

i. the Plan of the Custodial Parent;

ii. the Plan of the spouse of the Custodial Parent;

iii. the Plan of the non-Custodial Parent; and then

iv. the Plan of the spouse of the non-Custodial Parent.

However, if the specific terms of a court decree establish a parent's responsibility for the child's Dental expenses and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Claim Determination Periods or Benefit Periods commencing after the Plan is given notice of the court decree.

d. The benefits of a Plan that cover a person as an employee who is neither laid-off nor retired (or as that employee's dependent) are determined before those of a Plan that covers that person as a laid-off or retired employee (or as that employee's dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

e. If a person whose coverage is provided under a right of continuation provided by a federal or state law also is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree (or as that person's dependent) is primary, and the continuation coverage is secondary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will be ignored.

f. The benefits of a Plan that has covered a person for a longer period will be determined first.

If the preceding rules do not determine the primary Plan, the allowable expenses shall be shared equally between the Plans meeting the definition of Plan under this provision. In addition, this Plan will not pay more than what it would have paid had it been primary.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION. We may without your consent and notice to you:

1. Release any information with respect to your coverage and benefits under the policy; and

2. Obtain from any other insurance company, organization or person any information with respect to your coverage and benefits under another Plan.

You must provide us with any information necessary to coordinate benefits.

FACILITY OF PAYMENT. When other Plans make payments that should have been made under this Plan according to the above terms, we will, at our discretion, pay to any organizations making these payments any amounts that we decide will satisfy the intent of the above terms. Amounts paid in this way will be benefits paid under this Plan. We will not be liable to the extent of these payments.

CLAIMS OVERPAYMENT. When we make payments for Allowable Expenses in excess of the amount that will satisfy the intent of the above terms, we will recover these payments, to the extent of the excess, from the insured or provider for whom these payments were made. The amount of the payments made includes the reasonable cash value of any benefits provided in the form of services.

Pursuant to NCGS 58-3-225(h), not less than 30 calendar days before we seek overpayment recovery or offset future payments, we shall give written notice to the health care provider, which notice shall be accompanied by adequate specific information to identify the specific claim and the specific reason for the recovery. The recovery of overpayments or offsetting of future payments shall be made within the two years after the date of the original claim payment unless we have reasonable belief of fraud or other intentional misconduct by the health care provider or its agents, or the claim involves a health care provider receiving payment for the same services from a government payor.

GENERAL PROVISIONS

ENTIRE CONTRACT; CHANGES: This policy, including the endorsements and the attached papers, if any, constitutes the entire contract of insurance. A change in this policy is not valid until the change is approved by an executive officer of the insurer and unless the approval is endorsed on or attached to the policy. An agent does not have authority to change this policy or to waive any of its provisions.

TIME LIMIT ON CERTAIN DEFENSES: (a) After the second anniversary of the date this policy is issued, a misstatement made by the applicant in the application for the policy may not be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) beginning after that anniversary.

GRACE PERIOD: Unless, not less than 45 days before the premium due date, We have delivered to You, or have mailed to Your last address as shown by Our records, a written notice of Our intention not to renew this policy beyond the period for which the premium has been accepted, a grace period of at least 31 days will be granted for the payment of each premium due after the first premium. During the grace period, the policy continues in force.

REINSTATEMENT. If a renewal premium is not paid before the expiration of the period granted for the Insured to make the payment, a subsequent acceptance of the premium by the insurer or any agent authorized by the insurer to accept the premium, without requiring in connection with the acceptance an application for reinstatement, reinstates the policy. However, if the insurer or authorized agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated on approval of the application by the insurer or, if the application is not approved, on the 45th day after the date of the conditional receipt unless the insurer before that date has notified the Insured in writing of the insurer's disapproval of the application. The reinstated policy covers only loss resulting from an accidental injury sustained after the date of reinstatement and loss due to sickness that begins more than 10 days after the date of reinstatement. In all other respects the Insured and insurer have the same rights under the reinstated policy as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed in the policy or attached to the policy in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days before the date of reinstatement.

CLAIM FORMS: We will provide You the forms needed for filing proof of loss. If the forms are not provided before the 16th day after the date of the notice, the claimant shall be considered to have complied with the requirements of this policy as to proof of loss on submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character, and the extent of the loss for which the claim is made.

NOTICE OF CLAIM: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonable possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at our Home Office or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

PROOF OF LOSS: Written proof of loss must be furnished to the insurer at its said office in the case of a claim for loss within 180 days after the termination of the period for which the insurer is liable and in case of a claim for any other loss within 180 days after the date of the loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the insured, other than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIMS: Indemnities payable under this policy for any loss, other than a loss for which this policy provides any periodic payment, will be paid immediately on receipt of due written proof of the loss. Subject to due written proof of loss, all accrued indemnities for a loss for which this policy provides periodic payment will be paid monthly and any balance remaining unpaid on termination of liability will be paid immediately on receipt of due written proof of loss.

PHYSICAL EXAMINATIONS AND AUTOPSY: At Our own expense We have the right and opportunity to conduct a physical examination of the Insured when and as often as the insurer reasonably requires while a claim under the policy is pending and, in case of death, to require that an autopsy be conducted if not forbidden by law.

LEGAL ACTIONS: An action at law or in equity may not be brought to recover on this policy before the 61st day after the date written proof of loss has been provided in accordance with the requirements of this policy. An action at law or in equity may not be brought after the expiration of three years after the time written proof of loss is required to be provided.

CHANGE OF BENEFICIARY: Unless You make an irrevocable designation of beneficiary, the right to change a beneficiary is reserved for You, and the consent of the beneficiary or beneficiaries is not required for the surrender or assignment of this policy, for any change of beneficiary or beneficiaries, or for any other changes in this policy.

MISSTATEMENT OF AGE: If the age of an Insured has been misstated, the amounts payable under this policy are the amounts the premium paid would have purchased at the correct age.

UNPAID PREMIUM: At the time of payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted from the payment.

CANCELLATION: We may cancel this policy at any time for reasons previously disclosed by written notice delivered to You, or mailed to Your last address as shown by Our records, stating when the cancellation is effective, which may not be earlier than 45 days after the date the notice is delivered or mailed. After this policy has been continued beyond its original term, You may cancel the policy at any time by written notice delivered or mailed to Us, effective on receipt or on a later date specified in the notice. In the event of cancellation, We will promptly return the unearned portion of any premium paid. If You cancel, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the Insured resided when the policy was issued. If We cancel, the earned premium shall be computed pro rata. Cancellation is without prejudice to any claim originating before the effective date of cancellation

CONFORMITY WITH STATE STATUTES: Any provision of this policy that, on its effective date, conflicts with the statutes of the state in which You reside on the effective date is by this clause effectively amended to conform to the minimum requirements of that state's statutes.

ILLEGAL OCCUPATION: We are not liable for any loss to which a contributing cause was an Insured's commission of or attempt to commit a felony or to which a contributing cause was an Insured's being engaged in an illegal occupation

INTOXICANTS AND NARCOTICS: We are not liable for any loss sustained or contracted in consequence of an Insured's being intoxicated or under the influence of any narcotic unless the narcotic is administered on the advice of a physician

FACILITY OF PAYMENT. If an Insured or beneficiary is not capable of giving Us a valid receipt for any payment or if benefits are payable to the estate of the Insured, then We may, at Our option, pay the benefit up to an amount not to exceed $5,000, to any relative by blood or connection by marriage of the Insured who is considered by Us to be equitably entitled to the benefit.

Any equitable payment made in good faith will release Us from liability to the extent of payment.

PROVIDER-PATIENT RELATIONSHIP. An Insured may choose any Provider who is licensed by the law of the state in which treatment is provided within the scope of his or her license. We will in no way disturb the provider-patient relationship.

TERMS AND CONDITIONS. Payment of any benefit under this policy is subject to the definitions and all other terms of this policy pertinent to the benefit.

WORKER'S COMPENSATION. The coverage provided under the Policy is not a substitute for coverage under a workmen's compensation or state disability income benefit law and does not relieve the Policyholder of any obligation to provide such coverage.

PAYMENT OF BENEFITS. Preferred Providers have agreed to accept assignment of benefits for services and supplies performed or furnished by them. When a Non-Preferred Provider performs services, all benefits will be paid to the Insured unless otherwise indicated by the Insured's authorization to pay the Non-Preferred Provider directly.

E. Continuation of Coverage Provisions (COBRA)

COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) gives Qualified Beneficiaries the right to elect COBRA continuation after insurance ends because of a Qualifying Event. The law generally covers group health plans maintained by employers with 20 or more employees in the prior year. The law does not, however, apply to plans sponsored by the Federal government and certain church-related organizations.

i. Definitions For This Section

Qualified Beneficiary means an Insured Person who is covered by the plan on the day before a qualifying event. Any child born to or placed for adoption with a covered employee during the period of COBRA coverage is considered a qualified beneficiary.

A Qualifying Event occurs when:

1. The Member dies (hereinafter referred to as Qualifying Event 1);

2. The Member's employment terminates for reasons other than gross misconduct as determined by the Employer (hereinafter referred to as Qualifying Event 2);

3. The Member's work hours fall below the minimum number required to be a Member (hereinafter referred to as Qualifying Event 3);

4. The Member becomes divorced or legally separated from a Spouse (hereinafter referred to as Qualifying Event 4);

5. The Member becomes entitled to receive Medicare benefits under Title XVII of the Social Security Act (hereinafter referred to as Qualifying Event 5);

6. The Child of a Member ceases to be a Dependent (hereinafter referred to as Qualifying Event 6);

7. The Employer files a petition for reorganization under Title 11 of the U.S. Bankruptcy Code, provided the Member is retired from the Employer and is insured on the date the petition is filed (hereinafter referred to as Qualifying Event 7).

ii. Electing COBRA Continuation

A. Each Qualified Beneficiary has the right to elect to continue coverage that was in effect on the day before the Qualifying Event. The Qualified Beneficiary must apply in writing within 60 days of the later of:

   1. The date on which Insurance would otherwise end; and

   2. The date on which the Employer or Plan Administrator gave the Qualified Beneficiary notice of the right to COBRA continuation.

B. A Qualified Beneficiary who does not elect COBRA Continuation coverage during their original election period may be entitled to a second election period if the following requirements are satisfied:

   1. The Member's Insurance ended because of a trade related termination of their employment, which resulted in being certified eligible for trade adjustment assistance;

   2. The Member is certified eligible for trade adjustment assistance (as determined by the appropriate governmental agency) within 6 months of the date Insurance ended due to the trade related termination of their employment; and

   3. The Qualified Beneficiary must apply in writing within 60 days after the first day of the month in which they are certified eligible for trade adjustment assistance.

iii. Notice Requirements

1. When the Member becomes insured, the Plan Administrator must inform the Member and Spouse in writing of the right to COBRA continuation.

2. The Qualified Beneficiary must notify the Plan Administrator in writing of Qualifying Event 4 or 6 above within 60 days of the later of:

   a. The date of the Qualifying Event; or

   b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.

3. A Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, must notify the Plan Administrator of the disability in writing within 60 days of the later of:

   a. The date of the disability determination;

   b. The date of the Qualifying Event; or

   c. The date on which the Qualified Beneficiary loses coverage due to the Qualifying Event.

4. Each Qualified Beneficiary who has become entitled to COBRA continuation with a maximum duration of 18 or 29 months must notify the Plan Administrator of the occurrence of a second Qualifying Event within 60 days of the later of:

   a. The date of the Qualifying Event; or

   b. The date the Qualified Beneficiary loses coverage due to the Qualifying Event.

5. The Employer must give the Plan Administrator written notice within 30 days of the occurrence of Qualifying Event 1, 2, 3, 5, or 7.

6. Within 14 days of receipt of the Employer's notice, the Plan Administrator must notify each Qualified Beneficiary in writing of the right to elect COBRA continuation.

In order to protect your rights, Members and Qualified Beneficiaries should inform the Plan Administrator in writing of any change of address.

iv. COBRA Continuation Period

1. 18-month COBRA Continuation

   Each Qualified Beneficiary may continue Insurance for up to 18 months after the date of Qualifying Event 2 or 3.

2. 29-month COBRA Continuation

   Each Qualified Beneficiary, who is entitled to COBRA continuation due to the occurrence of Qualifying Event 2 or 3 and who is disabled at any time during the first 60 days of continuation coverage as determined by the Social Security Administration pursuant to Title II or XVI of the Social Security Act, may continue coverage for up to 29 months after the date of the Qualifying Event. All Insured Persons in the Qualified Beneficiary's family may also continue coverage for up to 29 months.

3. 36-Month COBRA Continuation

   If you are a Dependent, you may continue Coverage for up to 36 months after the date of Qualifying Event 1, 4, 5, or 6. Each Qualified Beneficiary who is entitled to continue Insurance for 18 or 29 months may be eligible to continue coverage for up to 36 months after the date of their original Qualifying Event if a second Qualifying Event occurs while they are on continuation coverage.

Note: The total period of COBRA continuation available in 1 through 3 will not exceed 36 months.

4. COBRA Continuation For Certain Bankruptcy Proceedings

If the Qualifying Event is 7, the COBRA continuation period for a retiree or retiree's Spouse is the lifetime of the retiree. Upon the retiree's death, the COBRA continuation period for the surviving Dependents is 36 months from the date of the retiree's death.

v. Premium Requirements

Insurance continued under this provision will be retroactive to the date insurance would have ended because of a Qualifying Event. The Qualified Beneficiary must pay the initial required premium not later than 45 days after electing COBRA continuation, and monthly premium on or before the Premium Due Date thereafter. The monthly premium is a percentage of the total premium (both the portion paid by the employee and any portion paid by the employer) currently in effect on each Premium Due Date. The premium rate may change after you cease to be Actively at Work. The percentage is as follows:

18 month continuation - 102%

29 month continuation - 102% during the first 18 months, 150% during the next 11 months

36 month continuation - 102%

vi. When COBRA Continuation Ends

COBRA continuation ends on the earliest of:

1. The date the Group Policy terminates;

2. 31 days after the date the last period ends for which a required premium payment was made;

3. The last day of the COBRA continuation period.

4. The date the Qualified Beneficiary first becomes entitled to Medicare coverage under Title XVII of the Social Security Act;

5. The first date on which the Qualified Beneficiary is: (a) covered under another group Dental policy and (b) not subject to any preexisting condition limitation in that policy.

F. Your Rights under ERISA

As a participant in this Plan, you are entitled to certain rights and protections under the Employment Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
Examine, without charge, at the Plan Administrator's office and at other specified locations, such as work-sites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Health Plan Coverage
Continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to operate and administer this plan prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Rights
If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and

responsibilities under ERISA by calling those publications hotline of the Employee Benefits Security Administration

Please note that certain state laws may also require specified claims payment procedures as well as internal appeal procedures and/or independent external review processes. Therefore, in addition to the review procedures defined below, you may also have additional rights provided to you under state law. If your state has specific grievance procedures, an additional notice specific to your state will also be included within the group policy and your certificate.

We will provide you written notice regarding the payment under the claim within 30 calendar days following receipt of the claim. This period may be extended for an additional 15 days, provided that we have determined that an extension is necessary due to matters beyond our control, and notify you, prior to the expiration of the initial 30-day period, of the circumstances requiring the extension of time and the date by which we expect to render a decision. If the extension is due to your failure to provide information necessary to decide the claim, the notice of extension shall specifically describe the required information we need to decide the claim.

APPEAL PROCEDURE

If all or part of a claim is denied, you may request a review in writing within 180 days after receiving notice of the benefit denial.

You may send us written comments or other items to support your claim. You may review and receive copies of any non-privileged information that is relevant to your appeal. There will be no charge for such copies. You may request the names of the experts we consulted who provided advice to us about your claim.

The appeal review will be conducted by the Plan's named fiduciary and will be someone other than the person who denied the initial claim and will not be subordinate to that person. The person conducting the review will not give deference to the initial denial decision. If the denial was based in whole or in part on a medical judgment, including determinations with regard to whether a service was considered experimental, investigational, and/or not medically necessary, the person conducting the review will consult with a qualified health care professional. This health care professional will be someone other than the person who made the original judgment and will not be subordinate to that person. Our review will include any written comments or other items you submit to support your claim.

We will review your claim promptly after we receive your request.

If your appeal is about urgent care, you may call Toll Free at 877-897-4328, and an Expedited Review will be conducted. Verbal notification of our decision will be made within 72 hours, followed by written notice within 3 calendar days after that.

If your appeal is about benefit decisions related to clinical or medical necessity, a Standard Consultant Review will be conducted. A written decision will be provided within 30 calendar days of the receipt of the request for appeal.

If your appeal is about benefit decisions related to coverage, a Standard Administrative Review will be conducted. A written decision will be provided within 60 calendar days of the receipt of the request for appeal.

If we deny any part of your claim on review, you will receive a written notice of denial containing:

a. The reasons for our decision.
b. Reference to the parts of the Group Policy on which our decision is based.
c. Reference to any internal rule or guideline relied upon in making our decision along with your right to receive a copy of these guidelines, free of charge, upon request.
d. Information concerning your right to receive, free of charge, copies of non-privileged documents and records relevant to your claim.

f. Information concerning your right to bring a civil action for benefits under section 502(a) of ERISA.

Certain state laws also require specified internal appeal procedures and/or external review processes. In addition to the review procedures defined above, you may also have additional rights provided to you under state law. Please review your certificate for such information, call us, or contact your state insurance regulatory agency for assistance. In any event, you need not exhaust such state law procedures prior to bringing civil action under Section 502(a) of ERISA.
