Having Delta Dental coverage makes it easy for you to get dental care almost everywhere in the world! You can now receive expert dental care when you are outside of the United States through our Passport Dental program. For more information, check our Web site or contact your benefits representative to get a copy of our Passport Dental information sheet.

Maximum Payment – \$1,000 per person total per Benefit Year on all services.

Deductible – \$50 Deductible per person total per Benefit Year limited to a maximum Deductible of \$100 per family per Benefit Year. The Deductible does not apply to diagnostic and preventive services, emergency palliative treatment, brush biopsy, X-rays, and sealants.

Waiting Period – Waiting periods are defined by the Governmental Unit at the time of implementation.

Eligible People – All Active Employees and Dependents.

Also eligible are your Spouse and your Children to the end of the month in which they turn 26, including your Children who are married, who no longer live with you, who are not your Dependents for Federal income tax purposes, and/or who are not permanently disabled.

Enrollees and their Dependents choosing either dental plan are required to remain enrolled for a period of 12 months. Should an Enrollee or Dependent choose to drop dental coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may enroll if the Enrollee is enrolled (excluding COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if such change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Coordination of Benefits – If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled together on one application or separately on individual applications, but not both. Your Dependent Children may only be enrolled on one application. Delta Dental will not coordinate Benefits between your coverage and your Spouse's coverage if you and your Spouse are both covered as Enrollees under This Plan.

Delta Dental will use a carve-out method of coordinating benefits. If the patient has other coverage and that coverage has a higher priority than this plan, this plan's payment for covered services will equal the amount payable under this plan minus the amount paid by the primary carrier. This plan's payment will not exceed the amount that would have been paid in the absence of any other plan.

Benefits will cease on the day that is defined by the Governmental Unit at the time of implementation.
