Frequency of Premium Payment

Premiums for this policy will be paid as shown on page 1. MetLife and the Policyholder may agree that payment be made in advance every 3, 6 or 12 months.

Computation of Premium

The Premium due on any Premium Due Date is determined by the total amount of insurance provided by this policy on such Premium Due Date, multiplied by the appropriate Premium rate(s) which are then in effect subject to any Premium adjustments, if applicable.

MetLife may use any reasonable method to compute Premiums due under this policy.

Premiums for Changes in Insurance

For insurance that takes effect after the first day of a Policy Month, Premium will be charged from the first day of the next Policy Month. However, if a policy amendment or evidence of good health is required for such insurance, Premium will be charged as of the date such insurance takes effect.

If this policy ends, or if insurance ends for a class of persons, Premium will be charged to the date insurance ends. If insurance ends for other reasons, Premium will be charged to the end of the Policy Month in which insurance ends.

PREMIUM RATES (Continued)

Right to Change Premium Rates

MetLife may change Premium rates for changes which materially affect the risk assumed for the insurance provided by this policy, as follows:

1. when this policy is amended or endorsed;
2. when a class of eligible persons is added to or deleted from this policy for any reason including corporate restructuring, acquisition, spin-off or similar situations;
3. when a Policyholder's subsidiary, affiliate, division, branch or other similar entity is added to or deleted from this policy for any reason including corporate restructuring, acquisition, spin-off or similar situations;
4. when there is a significant change in the geographic distribution of insured Employees;
5. when applicable law requires a change in:
 - a. the insurance provided by this policy; and/or
 - b. the class of persons eligible for insurance under this policy; or
6. when a Premium Due Date coincides with or next follows:
 - a. a change greater than 10% in the number of Covered Persons since the later of the policy Effective Date and the last date Premium rates were changed; or
 - b. a change greater than 10% in the amount of insurance provided by this policy since the later of the policy Effective Date and the last date Premium rates were changed.

MetLife will notify the Policyholder, in Writing, at least 45 days before a Premium rate change.

In addition, MetLife may change Premium rates:

1. except as may be stated in Exhibit 1, on any date on or after the first Policy Anniversary; this will be done no more frequently than every 12 months and only if MetLife notifies the Policyholder, in Writing, at least 45 days before such change; and
2. on any other date agreed to by MetLife and the Policyholder.

The new Premium rates will apply only to Premiums due on or after the date the rate change takes effect.

GRACE PERIOD

Each Premium due after the effective date of this policy may be paid up to 31 days after its Premium Due Date. This period is the grace period. The insurance provided by this policy will stay in effect during this period. MetLife will notify the Policyholder in Writing that, if the Premium is not paid by the end of the grace period, this policy will end at the end of the last day of the grace period. If MetLife fails to give Written notice to the Policyholder, this policy will continue in effect until the date such notice is given.

Policyholder's intent to end this policy during the grace period. The Policyholder may notify MetLife in Writing prior to the end of the grace period of its intent to end this policy before the end of the grace period. In this case, this policy will end on the later of:

1. the date stated in the notice; or
2. the date MetLife receives the notice.

If the Policyholder replaces this policy with another group insurance policy but does not give MetLife notice of intent to end this policy, the grace period provisions will apply.

Grace period extensions. MetLife may extend the grace period by giving Written notice to the Policyholder. Such notice will state the date this policy will end if the Premium remains unpaid.

Premiums must be paid for a grace period, any extension of such period and any period insurance under this policy was in effect for which Premium was not paid.

END OF INSURANCE PROVIDED BY THIS POLICY

The Policyholder can end this policy by giving 60 days advance Written notice to MetLife. The policy will end on the later of:

This policy will end on the date on which the last certificate in effect under this policy ends.

If this policy ends, all Premiums due must be paid. If MetLife accepts Premium after the date this policy ends, such acceptance will not act to reinstate the policy. MetLife will refund any unearned Premium.

REINSTATEMENT

The Policyholder may request to reinstate this policy within one year from the date it ended. The request must be in Writing and it must provide MetLife with information that MetLife requires to consider such request. If MetLife approves the request, the policy will be reinstated on the date stated in Writing by MetLife.

2. the Policyholder's application; and
3. the amendments and endorsements to this policy, if any.

Policy Changes or Waivers. The terms and provisions of this policy may be changed, at any time, without the consent of the Covered Persons or anyone else with a beneficial interest in it. MetLife will issue amendments or endorsements to effect such changes. MetLife will only make changes that are consistent with applicable law. An amendment or endorsement will not affect the insurance provided under certificates issued before the effective date of the change, unless retroactivity is consistent with applicable law.

An officer of MetLife must approve in Writing any change or waiver of the terms and provisions of this policy. A sales representative, or other MetLife employee, who is not an officer of MetLife does not have MetLife's authority to approve such changes or waivers. A change or waiver will be evidenced by an amendment Signed by an officer of MetLife and the Policyholder or an endorsement Signed by an officer of MetLife. A copy of the amendment or endorsement will be provided to the Policyholder for attachment to this policy.

Incontestability: Statements Made by the Policyholder. Any statement made by the Policyholder will be considered a representation and not a warranty. MetLife will not use such statement to contest life insurance after it has been in force for 2 years from its effective date, or date of last reinstatement.

Incontestability: Statements Made by Covered Persons. Any statement made by a Covered Person will be considered a representation and not a warranty. MetLife will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

3. a copy of the application or enrollment form has been given to the Covered Person or his beneficiary.

If MetLife or the Policyholder make a clerical error in keeping the data, the Premium and/or benefits will be adjusted according to the correct data. An error will not end insurance validly in effect, nor will it continue insurance validly ended.

Misstatement of Age. If a Covered Person's age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, adjust the Premium and/or benefits.

Non-Dividend Paying. This policy does not pay dividends.

Conformity with Law. If the terms and provisions of this policy do not conform to any applicable law, this policy shall be interpreted to so conform.

ALASKA

SUMMARY CONCERNING COVERAGE, LIMITATIONS, AND EXCLUSIONS UNDER THE ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

A resident of Alaska who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in this state to write these types of insurance is a member of the Alaska Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policyholder will be protected within statutory limits if a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the guaranty association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

IMPORTANT DISCLAIMER

The Alaska Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Alaska. You should not rely on coverage by the Alaska Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk.

Your insurance company or its agent is required by law to give or send you this notice. However, your insurance company and its agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety net coverage is called the Alaska Life and Health Insurance Guaranty Association Act. The full text of the act can be found in AS 21.79.010 -- 21.79.990. Provided below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, an individual will be protected by the life and health insurance guaranty association if the individual lives in Alaska and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract issued by a member insurer. The beneficiary, payee, or assignee of an insured person is protected as well, even if a non-resident of Alaska.

EXCLUSIONS FROM COVERAGE

The association does not protect a person holding a policy if:

- the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization that is not a member of the Alaska Life and Health Insurance Guaranty Association.

The association does not provide coverage for:

- a policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- a policy of reinsurance (unless an assumption certificate was issued);
- an interest rate yield that exceeds an average rate;
- a dividend;
- a credit given in connection with the administration of a policy by a group contract holder;
- an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;
- that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer;
- certain obligations to provide a book value accounting guaranty for defined contribution benefit plan participants;
- that part of a policy or contract that provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the association will pay a maximum of:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits, \$100,000 for coverages not defined as disability, basic hospital, medical, and surgical, or major medical insurance, including any net cash surrender and net cash withdrawal values;
- \$300,000 for disability insurance;
- \$500,000 for basic hospital, medical, and surgical or major medical insurance;
- \$100,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;

- with respect to a structured settlement annuity, \$100,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;
- \$100,000, in the aggregate, of present-value annuity benefits, including net cash surrender and net cash withdrawal values with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. 401, 26 U.S.C. 403(b), or 26 U.S.C. 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased;
- \$5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts held by that contract holder, with respect to any one contract holder or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under sections 401 (k), 403(b), or 457 of the Internal Revenue Code, the limit is \$100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.

COMPLAINTS AND COMPANY FINANCIAL INFORMATION

A written complaint to allege violation of any provision of the Alaska Life and Health Insurance Guaranty Association Act must be filed with the Alaska Division of Insurance, 3601 C Street, Suite 1324, Anchorage, Alaska, 99503-5948; telephone (907) 269-7900. ARKANSAS

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract holders will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in the state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

Little Rock, Arkansas 72201-1904

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract or policy, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **NOT** protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **NOT** provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution;
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to cover. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$300,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assessment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

California Life and Health Insurance Guarantee Association Act Summary Document and Disclaimer

Residents of California who purchase life or health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the California Life and Health Insurance Guarantee Association ("CLHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guarantee Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided through the Association is not unlimited, as noted in the box below, and is not a substitute for consumers' care in selecting insurers.

The California Life and Health Insurance Guarantee Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guarantee Association to induce you to purchase any kind of insurance policy.

Policyholders with additional questions should first contact their insurer or agent or may then contact:

Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the California Life and Health Insurance Guarantee Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

(please see next page)

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guarantee Association if:

- Their insurer was not authorized to do business in this state when it issued the policy or contract;
- Their policy was issued by a health care service plan (HMO), Blue Cross, Blue Shield, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;
- They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;
- Employer and association plans, to the extent they are self-funded or uninsured;
- Synthetic guaranteed interest contracts;
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance unless an assumption certificate was issued;
- Interest rate yields that exceed an average rate;
- Any portion of a contract that provides dividends of experience rating credits.

LIMITS ON AMOUNTS OF COVERAGE The Act limits the Association to pay benefits as follows:

LIFE AND ANNUITY BENEFITS

- \$100,000 in cash surrender values,
- \$100,000 in present value of annuities, or

**SUMMARY OF THE LIFE AND HEALTH INSURANCE PROTECTION ASSOCIATION ACT
AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS**

INTRODUCTION

Residents of Colorado who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Life and Health Insurance Protection Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in Colorado and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is limited, however. As noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

IMPORTANT DISCLAIMER

The Life and Health Insurance Protection Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require residency in Colorado. You should not rely on coverage by the Life and Health Insurance Protection Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the association to induce you to purchase any kind of insurance policy.

SUMMARY

The state law that provides for this safety-net coverage is called the Life and Health Insurance Protection Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Association.

Coverage. Generally, individuals will be protected by the Life and Health Insurance Protection Association if they live in the state of Colorado and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Certain parties to structured settlement annuity contracts may be entitled to coverage benefits as well based on defined circumstances.

Exclusions From Coverage: Persons holding such policies or contracts are not protected by this Association if:

- they are not residents of the State of Colorado, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Colorado at the time the policy or contract was issued;
- their policy was issued by a nonprofit hospital or health service corporation, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- interest rate yields, crediting yields or other factors employed in calculating returns, including but not limited to indexes or other external references stated in the policy or contract, that exceed an average rate specified in the Association Act;
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- any allocated annuity;
- annuity contracts or group annuity certificates used by nonprofit insurance companies to provide retirement benefits for nonprofit educational institutions and their employees;
- policies, contracts, certificates or subscriber agreements issued by a prepaid dental care plan;
- sickness and accident insurance when written by a property and casualty insurer as part of an automobile insurance contract;
- unallocated annuity contracts issued to an employee benefit plan protected under the federal Pension Benefit Guaranty Corporation;
- policies or contracts issued by an insurer which was insolvent or unable to fulfill its contractual obligations as of July 1, 1991, except for annuity contracts issued by a member insurer which was placed into liquidation between July 1, 1991 and August 31, 1991;
- policies or contracts covering persons who are not citizens of the United States;
- any kind of insurance or annuity, the benefits of which are exclusively payable or determined by a separate account required by the terms of such insurance policy or annuity maintained by the insurer or by a separate entity.

Limits On Amount Of Coverage. The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the Association will pay a maximum of:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits - \$100,000 for coverages not defined as disability, basic hospital, medical and surgical, or major medical insurance, including any net cash surrender and net cash withdrawal values; \$300,000 for disability insurance; or \$500,000 for basic hospital, medical and surgical, or major medical insurance;
- \$100,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value; or
- with respect to each payee of a structured settlement annuity, \$100,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values.

The Association shall not be liable to expend more than \$300,000 in the aggregate, with respect to any one life except that with respect to benefits for basic hospital, medical and surgical and major medical insurance, the aggregate liability of the Association shall not exceed \$500,000 with respect to any one individual.

DISTRICT OF COLUMBIA

DISTRICT OF COLUMBIA LIFE & HEALTH INSURANCE GUARANTY ASSOCIATION ACT OF 1992

Residents of the District of Columbia who purchase health insurance, life insurance and annuities should know that the insurance companies licensed in the District of Columbia to write these types of insurance are members of the District of Columbia Life and Health Insurance Guaranty Association. The purpose of this Guaranty Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the District of Columbia and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is limited, however, as noted on the other side of this page.

DISCLAIMER

The District of Columbia Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned on residence in the District of Columbia. Other conditions may also preclude coverage.

The District of Columbia Life and Health Insurance Guaranty Association or the District of Columbia Insurance Commissioner will respond to any questions you may have which are not answered by this document. Your insurer and agent are prohibited by law for using the existence of the association or its coverage to sell you an insurance policy.

The District of Columbia law that provides for this safety-net coverage is called the Life and Health Insurance Guaranty Association Act of 1992. The other side of this page contains a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association. If you have obtained this document form from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the District of Columbia Life and Health Insurance Guaranty Association if they live in the District of Columbia and are insured under a health insurance, life insurance or annuity contract issued by a member insurer, or they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees of assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside of that state of incorporation);
- the insurer was not authorized to do business in the District of Columbia;
- their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital service plan, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured;
- interest rate guarantees which exceed certain statutory limitations;
- dividends, experience rating credits or fees for services in connection with a policy;
- credits given in connection with the administration of a policy by a group contract holder; or for
- unallocated annuity contracts.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of either the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer, or, with respect to any one life, regardless of the number of policies, contracts, or certificates, in the case of life insurance, \$300,000 in death benefits but not more than \$100,000 in net cash surrender or withdrawal values; in the case of health insurance, \$100,000 in health insurance benefits; and, with respect to annuities, \$300,000 in present value of annuity benefits. Finally, in no event is the Guaranty Association liable for more than \$300,000 with respect to any one individual.

HAWAII

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE HAWAII LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION ACT

Residents of Hawaii who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The State law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the “Blues”), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 – no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in disability insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

**Summary of General Purposes And
Current Limitations of Coverage**

The Illinois law that provides for this safety-net coverage is called the Illinois Life and Health Insurance Guaranty Association Law ("Law") [215 ILCS 5/531.01, et seq.]. The following contains a brief summary of the Law's coverages, exclusions, and limits. This summary does not cover all provisions, nor does it in any way change anyone's rights or obligations under the Law or the rights or obligations of the Guaranty Association. If you have obtained this document from an agent in connection with the purchase of a policy, you should be aware that its delivery to you does not guarantee that your policy is covered by the Guaranty Association.

a) Coverage:

The Illinois Life and Health Insurance Guaranty Association provides coverage to policyholders that reside in Illinois for insurance issued by members of the Guaranty Association, including:

- 1) life insurance, health insurance, and annuity contracts;
- 2) life, health or annuity certificates under direct group policies or contracts;
- 3) unallocated annuity contracts; and
- 4) contracts to furnish health care services and subscription certificates for medical or health care services issued by certain licensed entities. The beneficiaries, payees, or assignees of such persons are also protected, even if they live in another state.

b) Exclusions from Coverage:

- 1) The Guaranty Association does not provide coverage for:
 - A) any policy or portion of a policy for which the individual has assumed the risk;
 - B) any policy of reinsurance (unless an assumption certificate was issued);
 - C) interest rate guarantees which exceed certain statutory limitations;
 - D) Certain unallocated annuity contracts issued to an employee benefit plan protected under the Pension Benefit Guaranty Corporation and any portion of a contract which is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery;
 - E) any portion of a variable life insurance or variable annuity contract not guaranteed by an insurer;
 - F) any stop loss insurance.
- 2) In addition, persons are not protected by the Guaranty Association if:
 - A) the Illinois Director of Insurance determines that, in the case of an insurer which is not domiciled in Illinois, the insurer's home state provides substantially similar protection to Illinois residents which will be provided in a timely manner; or
 - B) their policy was issued by an organization which is not a member insurer of the Association.

c) Limits on Amount of Coverage:

- 1) The Law also limits the amount the Illinois Life and Health Insurance Guaranty Association is obligated to pay. The Guaranty Association's liability is limited to the lesser of either:
 - A) the contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer, or
 - B) with respect to any one life, regardless of the number of policies, contracts, or certificates:
 - i) in the case of life insurance, \$300,000 in death benefits but not more than \$100,000 in net cash surrender or withdrawal values;
 - ii) in the case of health insurance, \$300,000 in health insurance benefits, including net cash surrender or withdrawal values; and
 - iii) with respect to annuities, \$100,000 in the present value of annuity benefits, including net cash surrender or withdrawal values, and \$100,000 in the present value of annuity benefits for individuals participating in certain government retirement plans covered by an unallocated annuity contract. The limit for coverage of unallocated annuity contracts other than those issued to certain governmental retirement plans is \$5,000,000 in benefits per contract holder, regardless of the number of contracts.
- 2) However, in no event is the Guaranty Association liable for more than \$300,000 with respect to any one individual.

DISCLAIMER

THE KANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION MAY NOT PROVIDE COVERAGE FOR ALL OR A PORTION OF THIS POLICY. IF COVERAGE IS PROVIDED, IT MAY BE SUBJECT TO SUBSTANTIAL LIMITATIONS OR EXCLUSIONS, AND IS DEPENDENT UPON CONTINUED RESIDENCE IN KANSAS. THEREFORE, YOU SHOULD NOT RELY UPON COVERAGE BY THE KANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION IN SELECTING AN INSURANCE COMPANY OR IN SELECTING AN INSURANCE POLICY. INSURANCE COMPANIES AND THEIR AGENTS ARE PROHIBITED BY LAW FROM USING THE EXISTENCE OF THE KANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION IN SELLING YOU ANY FORM OF AN INSURANCE POLICY, OR TO INDUCE YOU TO PURCHASE ANY FORM OF AN INSURANCE POLICY. EITHER THE KANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION OR THE KANSAS INSURANCE DEPARTMENT WILL RESPOND TO ANY QUESTIONS YOU MAY HAVE REGARDING THIS DOCUMENT.

TOPEKA, KS 66614-2464

THE KANSAS INSURANCE DEPARTMENT
420 SOUTHWEST 9TH STREET
TOPEKA, KS 66612-1678

This is a summary of the basic provisions of the Kansas Life and Health Insurance Guaranty Association Act. It is only a summary, and does not provide an in depth analysis of that act. Nothing in this summary modifies the rights of persons who are protected by the act, or the rights or duties of the association.

The purpose of the Kansas Life and Health Insurance Guaranty Association Act is to protect certain individuals who purchase life insurance, annuities or health insurance in Kansas. The act provides for the establishment of a funding mechanism to pay benefits or provide insurance coverage to individuals when a life or health insurance company is unable to meet its obligations by reason of insolvency or financial impairment.

However, not all individuals with a right to recover under life or health insurance policies are protected by the act. An individual is only provided protection when:

1. the individual, regardless of where they reside, except for nonresident certificate holders under group policies or contracts, is the beneficiary, assignee or payee of a covered policy or contractholder,
2. the individual policy or contractholder is a resident of the state of Kansas,
3. the individual is not a resident of the state of Kansas, but only with respect to an annuity contract which has been awarded pursuant to a judgement or settlement agreement in a medical malpractice liability action,

4. the individual is not a resident of the state of Kansas, but only under all of the following conditions:

- a. the impaired or insolvent insurer was a Kansas domestic insurer; and
- b. the insurer never had a license to do business in the state in which the individual resides; and
- c. the state in which the individual resides has an association similar to this state's; and
- d. the individual is not eligible for coverage by the association of the state in which the individual resides.

Additionally, the association may not provide coverage for the entire amount the individual expects to receive from the policy. The association does not provide coverage for any portion of the policy where the individual has assumed the risk, for any policy of reinsurance, for interest rates that exceed a specified average rate, for employers' plans that are self funded, for parts of plans that provide dividends or credits in connection with the administration of the policy, for policies sold by companies not authorized to do business in Kansas, or for any unallocated annuity contract. Also, the association will not provide coverage where any guaranty protection is provided to the individual under the laws of the insolvent or impaired insurer's state of domicile.

The act also limits the amount the association is obligated to pay individuals on various policies. The association does not pay more than the amount of the contractual obligation of the insurance company. Regardless of the number of policies or contracts the association is not obligated to pay amounts over \$300,000 in life insurance death benefits; \$100,000 in net cash surrender and net cash withdrawal values for life insurance; \$100,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values; \$100,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values, unless the annuity contract is awarded pursuant to a judgement or settlement agreement in a medical malpractice liability action; or more than \$300,000 in the aggregate for the above coverages with respect to any one life.

A. Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Louisiana Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the Guaranty Association is limited. As noted in the Disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

B. The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

C. Generally, individuals will be protected by the Louisiana Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

(Please see next page)

D. EXCLUSIONS FROM COVERAGE

1. However, persons holding such policies or contracts are not protected by this association, if:
 - (a) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state);
 - (b) the insurer was not authorized to do business in this state;
 - (c) their policy was issued by a nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
2. The association also does not provide coverage for:
 - (a) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
 - (b) any policy of reinsurance (unless an assumption certificate was issued);
 - (c) interest rate yields that exceed an average rate;
 - (d) dividends;
 - (e) credits given in connection with the administration of a policy by a group contract holder;
 - (f) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
 - (g) unallocated annuity contracts (which give rights to group contract holders, not individuals), unless qualified under Section 403(b) of the Internal Revenue Code, except that, even if qualified under Section 403(b), unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

E. LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage.

Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the law or the rights or obligations of the guaranty corporation.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Corporation if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this corporation if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a Health Maintenance Organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessment, or by an insurance exchange.

The corporation also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance, unless assumption certificates have been issued;
- interest rate yields that exceed an average rate;
- any portion of a policy or contract to the extent that it provides dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The statute also limits the amount that the corporation is obligated to pay. The corporation cannot pay more than the amount the insurance company would owe under a policy or contract. Also, with respect to any one life, regardless of the number of policies or contracts with the member insurer, the corporation will pay a maximum of:

- *\$300,000 in life insurance death benefits, but will not pay more than \$100,000 in life insurance cash surrender values;*
- *\$300,000 in health insurance benefits, including any net cash surrender and net cash withdrawal values; and*
- *\$100,000 in the present value of annuity benefits, including any net cash surrender and net cash withdrawal values.*

These amounts are the maximum, on matter how many policies and contracts the insured has with the member company.

MISSISSIPPI

SUMMARY OF MISSISSIPPI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

Residents of this state who purchase life insurance, health insurance or annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the Mississippi Life and Health Insurance Guaranty Association (the "Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well-managed and financially stable.

DISCLAIMER

The Mississippi Life and Health Insurance Guaranty Association (the "Guaranty Association") may not provide coverage for this policy. If coverage is provided, it will be subject to substantial limitations and exclusions, and require continued residency in this state. You should not rely on coverage by the Guaranty Association when selecting an insurer.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation or inducement to purchase any form of insurance. You may contact either the Guaranty Association or the Mississippi Insurance Department at the following addresses if you should have any questions regarding this notice.

The state law that provides for this safety-net coverage is called the Mississippi Life and Health Insurance Guaranty Association Act (the "Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract or policy, or an annuity contract or policy, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a hospital or medical service organization whether profit or nonprofit, a health maintenance organization (HMO), a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or other person that operates on an assessment basis, an insurance exchange, or any similar entity.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.
- Any policy or contract of reinsurance, unless assumption certificates were issued pursuant to the reinsurance policy or contract;
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits or payment of any fees or allowances to any person in connection with the service to or administration of the policy or contract;
- Credits given in connection with the administration of a policy by a group contract holder,
- Employers' plans to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts issued to or in connection with benefit plans protected under federal Pension Benefit Guaranty Corporation ("PBGC") regardless of whether the PBGC has yet become liable to make any payments with respect to the benefit plan;
- Portions of any unallocated annuity contract not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a government lottery;
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association with respect to the policy or contract are preempted by State or Federal law;
- Obligations that do not arise under the express written terms of the policy or contract, including claims based on marketing materials, side letters, riders or other documents that were issued by the insurer without meeting applicable policy form filing or approval requirements, or claims for policy misrepresentations, or extra-contractual or penalty or consequential or incidental damages claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover. The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, with respect to any one life, regardless of the number of policies or contracts, the maximum obligation of the Guaranty Association is \$300,000 in benefits except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance in which case the aggregate liability of the Guaranty Association is \$500,000. Within these overall limits, the Guaranty Association will not pay more than \$300,000 in life insurance death benefits, \$100,000 in net cash surrender and net cash withdrawal values, \$300,000 for disability insurance benefits, \$500,000 for basic hospital medical and surgical insurance or major medical insurance benefits, \$100,000 in present value of annuity benefits, including net cash surrender and net cash withdrawal values -- again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$5,000,000 limit with respect to any contract owner for unallocated annuity benefits, irrespective of the number of contracts with respect to the contract owner or plan sponsor. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or to the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Missouri Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy-holders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The state law that provides for this safety-net coverage is called the Missouri Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the guaranty association.

Generally, persons will be covered if they live in this state, and hold a life or health insurance contract or annuity, or a certificate under a group policy or contract. However, not all individuals with a right to recover under life or health insurance policies or annuities are protected by the Act. A person is not protected when --

1. The person is eligible for protection under the laws of another state;
2. The person purchased the insurance from a company that was not authorized to do business in this state;
3. The policy is issued by an organization which is not a member insurer of the association; or

4. The person does not live in this state, except under limited circumstances.

Additionally, the Association may not provide coverage for the entire amount a person expects to receive from the policy. The Association does not provide coverage for any portion of the policy where the person has assumed the risk, for any policy of reinsurance (unless an assumption certificate was issued), for interest rates that exceed a specified average rate, for employers' plans that are self-funded, for parts of plans that provide dividends or credits in connection with the administration of policy, or for unallocated annuity contracts (which are generally issued to pension plan trustees). The Act also limits the amount the Association is obligated to pay persons on various policies. The Association does not pay more than the amount of the contractual obligation of the insurance company. The Association does not have to pay more than three hundred thousand dollars (\$300,000) in death benefits for any one life regardless of the number of policies that insure that life. The Association does not have to pay amounts over one hundred thousand dollars (\$100,000) in cash surrender or withdrawal benefits on one life regardless of the number of policies insuring that individual. For health insurance benefits, the Association is not obligated to pay over one hundred thousand dollars (\$100,000) including net cash surrender and withdrawal benefits. On an annuity contract, the Association is not liable for over one hundred thousand dollars (\$100,000) in present value. Finally, the Association is never obligated to pay more than a total of three hundred thousand dollars (\$300,000) for any one insured for any combination of insurance benefits.

SUMMARY

The state law that provides for this safety-net coverage is called the Montana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Coverage. Generally, individuals will be protected by the Montana Life and Health Insurance Guaranty Association Act if they live in this state and hold a life or health insurance contract, or an annuity, or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage. Persons holding such policies or contracts are **not** protected by this Association if:

- they are not residents of the State of Montana, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Montana at the time the policy or contract was issued.

The Association also does **not** provide coverage for:

- persons holding policies issued by a nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- any policies or contracts or any part of the policies or contracts under which the risk is born by the policyholder;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- any unallocated annuity contract issued to an employee benefit plan that is protected under the Federal Pension Benefit Guaranty Corporation; and
- any portion of any unallocated annuity contract that is not issued to or in connection with a specific employee, union, or association of natural persons benefit plan or a governmental lottery.

Limits on Amount of Coverage. The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Furthermore, the amounts the Association is authorized to pay are limited.

Allocated Contracts. For any one life insured, the Association will pay a maximum of \$300,000--no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits--again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage.

Unallocated Contracts. With respect to each individual participating in a governmental retirement plan established under sections 401, 403(b), or 457 of the Internal Revenue Code and covered by an unallocated annuity contract or with respect to the beneficiaries of each individual, if deceased, the Association will pay, in the aggregate, \$100,000 in present value annuity benefits, including surrender and withdrawal values. With respect to any one contract holder covered by any unallocated annuity contract not included in the prior sentence, the Association will pay up to \$5 million in benefits, irrespective of the number of contracts held by that contract holder.

LIMITATIONS AND EXCLUSIONS UNDER THE
NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

A resident of North Dakota who purchases life insurance, annuities or accident and health insurance should know that an insurance company licensed in this state to write these types of insurance is a member of the North Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policy owner will be protected, within statutory limits, if a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for your care in selecting a company that is well-managed and financially stable.

The North Dakota Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Dakota. You should not rely on coverage by the North Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus or self-funded plans.

Your insurance company or its agent is required by law to give or send you this notice. *However, your insurance company and its agent are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the North Dakota Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law; nor does it in any way change your rights or obligations under the act or the rights or obligations of the guaranty association.

(please see next page)

COVERAGE

Generally, an individual will be protected by the Life And Health Insurance Guaranty Association if the individual lives in North Dakota and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract, issued by a member insurer. A beneficiary, payee, or assignee of an insured person is protected as well, even if a nonresident of North Dakota.

EXCLUSIONS FROM COVERAGE

However, a person holding a policy is not protected by this association if:

- the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization which is not a member of the North Dakota Life and Health Insurance Guaranty Association. Health maintenance organizations, fraternal benefit societies, and the Comprehensive Health Association of North Dakota are not members of the guaranty association.

The association does not provide coverage for:

- a policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- a policy of reinsurance (unless an assumption certificate was issued);
- an interest rate yield that exceed an average rate;
- a dividend;
- a credit given in connection with the administration of a policy by a group contractholder;
- an employer's plans to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000 -- no matter how many policies and contracts were in force with the same company, even if the policies provided different types of coverages. Within this overall \$300,000 limit, the association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits -- again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$100,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.

COMPLAINTS AND COMPANY FINANCIAL INFORMATION

A written complaint to allege a violation of any provision of the Life and Health Insurance Guaranty Association Act must be filed with the North Dakota Insurance Department, 600 East Boulevard Avenue, Dept. 401, Bismarck, North Dakota 58505; telephone -- (701) 328-2440.

Financial information for an insurance company, if the information is not proprietary, is available at the same address and telephone number.

- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits or \$500,000 in present value of annuities--again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.

TEXAS

IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE TEXAS LIFE, ACCIDENT, HEALTH AND HOSPITAL SERVICE INSURANCE GUARANTY ASSOCIATION

Texas law establishes a system, administered by the Texas Life, Accident, Health and Hospital Service Insurance Guaranty Association (the "Association"), to protect policyholders if their life or health insurance company fails to or cannot meet its contractual obligations. Only the policyholders of insurance companies which are members of the Association are eligible for this protection. However, even if a company is a member of the Association, protection is limited and policyholders must meet certain guidelines to qualify. (The law is found in the *Texas Insurance Code*, Article 21.28-D.)

BECAUSE OF STATUTORY LIMITATIONS ON POLICYHOLDER PROTECTION, IT IS POSSIBLE THAT THE ASSOCIATION MAY NOT COVER YOUR POLICY OR MAY NOT COVER YOUR POLICY IN FULL.

Eligibility for Protection by the Association

When an insurance company which is a member of the Association is designated as impaired by the Texas Commissioner of Insurance, the Association provides coverage to policyholders who are:

- **residents of Texas** at the time that their insurance company is impaired
- **residents of other states**, ONLY if the following conditions are met:
 - 1) The policyholder has a policy with a company based in Texas;
 - 2) The company has never held a license in the policyholder's state of residence;
 - 3) The policyholder's state of residence has a similar guaranty association; and
 - 4) The policyholder is *not eligible* for coverage by the guaranty association of the policyholder's state of residence.

Limits of Protection by the Association

Accident, Accident and Health, or Health Insurance:

- up to a total of \$200,000 for one or more policies for each individual covered.

Life Insurance:

- net cash surrender value up to a total of \$100,000 under one or more policies on any one life; or
- death benefits up to a total of \$300,000 under one or more policies on any one life.

Individual Annuities:

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply).
- Interest rates on some policies may be adjusted downward.

NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of West Virginia who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy holders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies or their agents are required by law to give or send you this notice. ***However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.***

The Guaranty Association or the West Virginia Insurance Commission will respond to questions you may have which are not answered by this document. Policyholders with additional questions may contact:

The state law that provides for this safety-net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(Please see next page)

COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group life, health or annuity insurance contract, issued by a member insurer. Member insurer also includes non-profit service corporations (W. Va. Code §33-24) and health care corporations (W. Va. Code §33-25). The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose Guaranty Association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy was issued at a time when the insurer was not licensed or authorized to do business in the state;
- their policy was issued by an HMO, a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy holder is subject to future assessments, an insurance exchange, or any entity similar to the above.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual or contract holder has assumed the risk;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employer or association plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
 - i. multiple employer welfare arrangement;
 - ii. minimum premium group insurance plan;
 - iii. stop loss group insurance plan; or
 - iv. administrative services only contract.
- any unallocated annuity contract issued to an employee benefit plan protected under the Federal Pension Guaranty Corporation;
- any portion of any unallocated contract which is not issued to or in connection with a specific employee, union or association's benefit plan or a governmental lottery.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also for any one insured life, the Association will pay a maximum of \$300,000 — no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits — again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$150,000 in present value annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual; for covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE WYOMING
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Wyoming who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Wyoming Life and Health Insurance Guaranty Association. The state law that provides for this safety-net coverage is called the Wyoming Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Wyoming Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies or contracts are *not* protected by this Association if:

- the insurer was not authorized to do business in this state;
- their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a stipulated premium insurance company, a local mutual burial association, a mutual assessment company, or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- annuity contracts issued by a nonprofit insurance company exclusively for the benefit of nonprofit educational institutions and their employees;
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- any plan or program of an employer or association that provides life, health or annuity benefits to its employees or members to the extent the plan is self-funded or uninsured.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out: The Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages.
