WAITING PERIOD means the period of days beginning on the Employee's hire date that an Employee must be continuously Actively at Work prior to becoming eligible for Personal Insurance. On the effective date of this policy, an Employee becomes eligible for Personal Insurance if:

- 1) the Employee has fulfilled the Waiting Period, if any, and is Actively at Work; or

Refer to the Employee Basic Schedule of Benefits to determine to which coverage and class(es) this page applies. When applicable, the Employee Schedule of Benefits will indicate employee premium CONTRIBUTIONS are not required and INDIVIDUAL EFFECTIVE DATE is First of the Month.

SECTION 4 - INDIVIDUAL EFFECTIVE DATE NON-CONTRIBUTORY INSURANCE

The eligible Employee, prior to receiving coverage under this policy must make written election on a form approved by AUL and the Employer must contribute the required amount of premium to AUL on a timely basis.

For amounts of coverage that do not exceed the Guaranteed Issue Amount shown in the Schedule of Benefits, the effective date for an eligible Employee is:

- 1) the first day of the Coverage Month; or
- 2) the first day of the next Coverage Month if the Employee applies after the first day of the Coverage Month.

To receive any amount of coverage exceeding the Guaranteed Issue Amount, the eligible Employee must make written request to AUL on a form approved by AUL and undergo medical underwriting. The effective date of insurance for an eligible Employee, subject to the further provisions of this Section, will be after the Employee submits satisfactory Evidence of Insurability to AUL and on the date AUL determines the Employee is approved for coverage. Satisfactory Evidence of Insurability, at no expense to AUL, must be provided prior to receiving any amount of coverage greater than the Guaranteed Issue Amount.

If an eligible Employee desires to decline coverage for which the Employer would pay 100% of the premium, the Employee must first notify the Employer in writing of this decision prior to coverage being declined. Once coverage is declined, the Employer is not responsible for paying premium for that Employee, and the Employee will not be eligible for any coverage under this Policy. If an eligible Employee initially declines coverage and later desires to have coverage, the Employee will be required to undergo medical underwriting and submit satisfactory Evidence of Insurability at no expense to AUL prior to receiving any coverage. No coverage shall begin until the date AUL has approved the request for coverage in writing and the required amount of premium is received from the Employer.

No coverage shall begin until the date AUL has approved the request for coverage in writing and the required amount of premium is received from the Employer.

If an Employee is not Actively at Work on the date coverage would otherwise become effective, the effective date will be:

- 1) the first day of the Coverage Month, if the Eligible Employee returns to Active Work on the first day of the Coverage Month; or
- 2) the first day of the Coverage Month following the date the eligible Employee returns to Active Work, if Active Work begins after the first day of the Coverage Month.

Contributions for Basic insurance are not required from Employees for Personal Insurance.

SECTION 5 - CONTINUITY OF COVERAGE

- 1) the date for which any required premium was not received by AUL;
- 2) the date the Personal Insurance becomes effective under this policy;
- 3) the date the coverage would have terminated under the Individual Termination Section of this policy if the Personal Insurance had become effective; or

- 2) the first day of the next Coverage Month following the date the Employee becomes eligible for the change, if the date is after the first day of the Coverage Month.

A change in coverage increasing the amount of coverage above the Employee's Guaranteed Issue Amount is subject to:

While the Employee meets the conditions set forth above and is approved by AUL for the benefit, the Employee will retain coverage without the need to make further premium payments until the first of the following occurs:

- 1) proof of Total Disability is not received by AUL;
- 2) the Employee becomes employed, or is found able to be employed in an occupation for which he is reasonably fitted by training, education or experience;
- 3) the Employee refuses to undergo a medical examination requested by AUL;
- 4) the date the Employee is not under the Regular Attendance of a Physician;
- 5) proof of continuous Total Disability is not submitted within the twelfth month of any benefit period unless it was not possible to do so;
- 6) the Employee attains age 65;
- 7) the Employee's class terminates;
- 8) the Employee is no longer Totally Disabled.

SECTION 8 - WAIVER OF PREMIUM FOR TOTAL DISABILITY

Continued

Refer to the Schedule of Benefits under WAIVER OF PREMIUM BENEFIT FOR TOTAL DISABILITY to determine to which class(es) the following paragraph(s) applies.

The following applies when reductions are applicable:

When the Employee is approved for benefits under this Waiver of Premium Benefit for Total Disability, the coverage in force under this policy will be the Life Amount and:

- 1) will not include any Accidental Death and Dismemberment coverage the Employee may have had; and
- 2) will reduce if:
 - a) the coverage for the Employee's class is reduced; or
 - b) the Schedule of Benefits includes an automatic reduction for all Employees in his class at a certain age.

SECTION 8 - WAIVER OF PREMIUM FOR TOTAL DISABILITY

Continued

Life and Accidental Death and Dismemberment Insurance premiums must be paid to and received by AUL during the Waiver of Premium Benefit for Total Disability Elimination Period. If the benefit request is approved, any unearned premium beyond the Elimination Period will be refunded.

If the Employee is not approved for this benefit, the Employee may apply to convert his Life Amount to an individual life insurance policy pursuant to Section 10, Conversion Privilege within 31 days from notice of the adverse benefit determination. If the Employee did not pay premiums during the Elimination Period, the Employee is not eligible to convert his coverage to an individual life insurance policy upon notice of an adverse benefit determination.

If the Employee dies during the Elimination Period and the required amount of premiums were not received by AUL, no benefit will be due under this policy.

If coverage under the Waiver of Premium Benefit for Total Disability terminates, the Employee is entitled to apply to convert his Life Amount to an individual life insurance policy within 31 days of cessation of such coverage pursuant to Section 10, Conversion Privilege.

If coverage under the Waiver of Premium Benefit for Total Disability terminates because the Employee returns to Active Work with the Group Policyholder and this policy is still in force, the Employee is eligible to apply for all coverages available to his class.

If benefits are payable under this policy after the Employee is approved for Waiver of Premium and the Employee has applied and been issued an individual life insurance policy under Section 10, Conversion Privilege, any amount payable under this policy will be reduced by the amount payable under the individual life insurance policy. **IN NO EVENT WILL A BENEFIT BE PAYABLE UNDER BOTH THE INDIVIDUAL LIFE INSURANCE POLICY AND THIS POLICY GREATER THAN THE LIFE AMOUNT.**

SECTION 9 - INDIVIDUAL TERMINATIONS

Personal Insurance terminates on the earliest of the following dates:

- 1) the date this policy is terminated;
- 2) the last day of the Coverage Month in which the Employee requests termination but not prior to the date of the request;
- 3) the last day of the Coverage Month for which any required premium payment was not received by AUL;
- 4) the last day of the Coverage Month during which the Employee ceases to be eligible, see Eligibility, Section 3 and Section 3A, if any;
- 5) the last day of the Coverage Month during which the Employee becomes a Retiree, unless the Schedule of Benefits includes a specific classification for Retirees;
- 6) the last day of the Coverage Month during which the Employee enters active military service for any country except for temporary duty of 30 days or less;
- 7) the last day of the Coverage Month during which the Employee ceases Active Work, except for an event listed in this policy in Continuation of Insurance, Section 7; or
- 8) the date of an adverse benefit determination under the Waiver of Premium provisions, if applicable.

SECTION 10 - CONVERSION PRIVILEGE

If an Employee's coverage, or a portion of it, terminates because the Employee is no longer eligible for coverage under this policy, the Employee may apply for an individual life insurance conversion policy without evidence of insurability. The coverage amount of the individual life insurance conversion policy shall not exceed the amount of life insurance that ceases because of loss of eligibility for coverage under this policy minus the amount of any group life coverage for which the Employee becomes eligible within 31 days of termination.

If the Employee's coverage ceases due to termination of the Policy, the Employee may apply for and receive an individual life insurance conversion policy if the Employee's group life insurance has been in force with AUL for five (5) continuous years before the termination date. The coverage amount of the individual life insurance conversion policy may not exceed the LESSER of:

- 1) the amount of life insurance that ceases because of termination minus the amount of any group life coverage for which the Employee becomes eligible within 31 days of termination; or
- 2) \$10,000.

The conversion privilege is subject to the following:

- 1) Written application must be made and the first premium must be paid within 31 days after the date of termination of insurance.
- 2) An individual life insurance policy, other than term life insurance, offered by AUL at the time of conversion, may be selected.
- 3) The premium on the individual policy must be at AUL's then customary rate applicable to the form and amount of the individual policy, to the class of risk to which the person or dependent then belongs, and to the individual age attained by the person or dependent on the effective date of the individual policy.
- 4) The individual life insurance conversion policy takes effect on the last day of the application period and is in lieu of all benefits under the Policy.

If notice of the existence of the conversion right is not given at least 15 days before the expiration of the period during which the conversion application and payment of the first premium must be made under the terms of the policy, the person has an additional period within which to exercise the conversion right. The additional conversion application period created to exercise a right of conversion expires 15 days after the person is given notice of the conversion right. However, irrespective of the date on which notice is given or of the absence of any notice, the additional conversion application period may not extend beyond 60 days after the expiration date of the period within which conversion application period and payment of the first premium were to be made under the terms of the policy. For purposes of this section, notice of the right of conversion may be given to the Employee in writing presented to the person; mailed by the Group Policyholder to the last known address of the person; or mailed by the insurer to the last known address of the person as furnished by the Group Policyholder.

If death occurs during the conversion application period, AUL will pay the Life Amount available for conversion whether or not the application or the first premium payment has been made. After the 31-day period, no conversion application will be accepted unless it is proven that it was not possible for the Employee to apply in a timely fashion. The individual life insurance conversion policy will not include Accidental Death benefits or any other benefits currently in force under this Policy.

Premium must be paid to and received by AUL for coverage during the conversion application period.

IF DEATH OCCURS DURING THE CONVERSION APPLICATION PERIOD, IN NO EVENT WILL BENEFITS BE PAYABLE UNDER BOTH THE INDIVIDUAL CONVERSION POLICY AND THIS POLICY.

Refer to the Employee Basic Schedule of Benefits to determine to which coverage and class(es) this page applies. When applicable, the Employee Schedule of Benefits will indicate INDIVIDUAL REINSTATEMENTS are First of the Month.

SECTION 11 - INDIVIDUAL REINSTATEMENTS

If Personal Insurance and Dependent Insurance, if any, terminate due to termination of an Employee's employment, the Employee can apply to reinstate that coverage following return to Active Work. The following conditions apply:

- 1) When return to Active Work occurs within 30 days of the termination of coverage, coverage becomes effective on the first day of the next Coverage Month following the date of return to Active Work. Evidence of Insurability will not be required for any amount of coverage less than the Guaranteed Issue Amount.
- 2) When return to Active Work occurs after the period specified in paragraph 1 above, the Employee will be considered a new employee and the requirements found in the Eligibility and Individual Effective Date Sections will apply.
- 3) When the Life Amount has been converted under the Conversion Privilege, Section 10, the Life Amount available for reinstatement under this policy will be reduced by the amount of coverage under the individual life insurance policy. In no event will the amount of coverage reinstated under this Section and the amount of coverage under the individual life insurance policy be greater than the Life Amount existing on the Employee's termination of employment.
- 4) Prior to applying for reinstatement, AUL must have received the required amount of premium timely.
- 5) The maximum amount of coverage reinstated will not exceed the maximum amount of coverage which would have been available had the Employee's coverage not terminated.

If reinstatement is requested for any reason other than returning to Active Work, medical underwriting and satisfactory Evidence of Insurability, at no expense to AUL, will be required prior to AUL's approval of coverage. The effective date of reinstatement will be the date determined by AUL in writing. Dependent Insurance cannot be reinstated without reinstatement of Personal Insurance.

Refer to the Employee Basic Schedule of Benefits to determine to which class(es) this Section applies. When applicable, the Employee Schedule of Benefits will indicate ACCELERATED LIFE BENEFIT is Included.

SECTION 13 - ACCELERATED LIFE BENEFIT

DEFINITION

TERMINAL CONDITION means an injury or Sickness that, despite appropriate medical care, is conclusively established to AUL will result in the Employee's death within 12 months from the date of claim. AUL may require that the Employee be examined at AUL's expense by AUL's choice of Physician.

ACCELERATED LIFE BENEFIT

If an Employee is Permanently and Totally Disabled and is diagnosed with a Terminal Condition and is eligible for benefits under this Section, the Employee may apply for payment of the Accelerated Life Benefit. The amount of Accelerated Life Benefit available is shown in the Schedule of Benefits, unless any portion of the Employee's Life Amount has already been paid. The amount of Accelerated Life Benefit available will then be based on the amount remaining after payment of any portion of the Life Amount. Benefits will be paid in one lump sum to the Employee.

CONDITIONS

To be eligible to apply for the Accelerated Life Benefit:

- 1) the Employee must have Personal Insurance;
- 2) the Employee must be determined by AUL to be Permanently and Totally Disabled from any occupation;
- 3) the Employee must be under age 60;
- 4) the Employee must be diagnosed by a Physician with a Terminal Condition while eligible for benefits under this Section;
- 5) an Employee who is subject to laws of a community property state obtains the spouse's written consent for payment to the Employee of the Accelerated Life Benefit; and
- 6) the Employee can receive an Accelerated Life Benefit only once.

PROOF REQUIRED FOR THE ACCELERATED BENEFIT

Proof is a completed claim form and other information AUL requires in order to determine whether benefits are owed under this Section. AUL may require that the Employee be examined by a Physician selected by AUL and at AUL's expense.

LIMITATIONS

An Accelerated Life Benefit will not be paid if:

- 1) the Employee has named an irrevocable Beneficiary or made an assignment of his Life Amount;
- 2) all or a portion of the Employee's Life Amount is to be paid to another person or entity pursuant to a valid court order;
- 3) the Employee's coverage terminates; or
- 4) this policy terminates.

SECTION 13 - ACCELERATED LIFE BENEFIT

Continued

After payment of an Accelerated Life Benefit, the Employee's Life Amount payable at death to the Employee's Beneficiary equals:

- 1) the Employee's Life Amount as if an Accelerated Life Benefit payment had not been made, minus
- 2) the amount of the Accelerated Life Benefit paid, minus
- 3) the interest charge.

The interest charge equals the Accelerated Life Benefit amount, times the number of days from the date of payment to the Employee's date of death divided by 365, times the interest rate. The interest rate will be based on the current 90-day Treasury bill rate existing on the date of payment of the Accelerated Life Benefit.

NOTE: The Employee's Accidental Death and Dismemberment Insurance, if any, terminated upon approval of the Waiver of Premium benefit.

The required amount of premiums must continue to be received by AUL on the original Life Amount, unless premiums have ceased due to coverage under the Waiver of Premium benefit of this policy.

The AD&D Principal Sum, if any, will not be reduced by payment of the Accelerated Life Benefit.

The following information is used for illustrative purposes only:

Example: Life insurance in force = \$100,000*

Date of receipt of proof of terminal condition = 10/31/05

Date of payment of Accelerated Life Benefit = 11/1/05

Date of death = 2/15/06

Interest rate** = 3.5%

1. Amount of Accelerated Life Benefit = $.50 \times \$100,000 = \$50,000$

2. Interest Charge = $\$50,000 \times (106 \text{ days} / 365 \text{ days}) \times .035 = \508.22

3. Death Benefit Payable = $\$100,000 - \$50,000 - \$508.22 = \$49,491.78$

*The Employee's Life Insurance amount is shown in the Schedule of Benefits in the Employee's insurance certificate.

**The interest rate is equal to the 90-day Treasury bill rate on the date of the Accelerated Life Benefit payment.

NOTE: The Accelerated Life Benefit offered under this policy is intended to qualify for favorable tax treatment under the Internal Revenue Code of 1986. If the Accelerated Life Benefit qualifies for such favorable tax treatment, the benefit will be excludable from the Employee's income and not subject to federal taxation. The laws relating to Accelerated Life Benefits are complex. Employees are advised to consult with a qualified tax advisor about circumstances under which they could receive an Accelerated Life Benefit excludable under federal law. Eligibility for Public Assistance: Receipt of an Accelerated Life Benefit may affect the Employee's, their Dependent spouse's, or their family's eligibility for public assistance programs such as medical assistance (Medicaid), Aid to Families with Dependent Children (AFDC), supplementary social security income (SSI), and drug assistance programs. Employees are advised to consult with a qualified tax advisor and with social service agencies concerning how receipt of such a payment will affect the Employee's, their Dependent spouse's, and their family's eligibility for public assistance.

SECTION 15 - PAYMENT OF DEATH BENEFITS

If an Employee dies while insured under this policy, AUL will pay the benefits owed under this policy to the Beneficiary:

- 1) upon timely receipt of acceptable proof of death; and
- 2) subject to all other provisions of this policy and to the Employee's dated and signed designation.

The following Sections describe the manner in which death benefits are paid.

SECTION 16 - NAMING OF BENEFICIARY

BENEFICIARY means the individual, individuals or entity named by the Employee to receive his Life Amount.

Unless this policy provides otherwise, AUL will pay benefits according to the Employee's Beneficiary designation.

When an Employee applies for coverage he should on an AUL-approved form:

- 1) designate the name of one or more Beneficiaries;
- 2) classify the Beneficiaries by order of preference, either primary or contingent; and
- 3) indicate distribution of the proceeds among members of the class of Beneficiaries.

If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally. If no primary Beneficiaries outlive the Employee and there is no distributive share indicated among the contingent Beneficiaries, then all contingent Beneficiaries will share equally.

If this policy replaces insurance coverage of another carrier, AUL may, upon written request of the Group Policyholder, recognize Beneficiary designations in effect under the prior coverage as effective until a new designation is made with AUL, provided that prior designations are in a form acceptable to AUL and the Group Policyholder receives AUL's written approval of the form.

CHANGING A BENEFICIARY

The Employee may change a Beneficiary at any time by written request. The request must be completed, signed, dated and filed through the Group Policyholder.

AUL may recognize a beneficiary change as of the date the form was signed by the Employee even if the Employee is not alive when AUL receives it. However, AUL is not liable if benefits are paid according to the previous designation before AUL receives the change. If the Employee applies for an individual life insurance conversion policy under Section 10, Conversion Privilege and names a new Beneficiary, AUL will use any beneficiary designated in that application when determining which beneficiary to pay.

AUL reserves the right to require that any Beneficiary designation be acceptable to it and be made pursuant to applicable laws.

SECTION 17 - THE DEATH CLAIM

If the Employee dies while insured under this policy, proof of death should be furnished as soon as possible. The claim must be submitted within 12 months of the date of death. The claim may still be considered if it can be shown that timely submission of the claim was not possible due to events beyond the control of the beneficiary, but will not be considered after the applicable statute of limitations has passed.

Proof of death must include:

- 1) a certified death certificate; and
- 2) a completed claim form.

AUL, at its option, may also require:

- 1) return of the Employee's insurance certificate;
- 2) submission of pertinent medical records, including an autopsy report;
- 3) police reports; or
- 4) any other documents AUL may deem reasonably necessary to determine what benefits and to who benefits are owed.

If the cause of death cannot be clearly established by other means, AUL reserves the right to have a medical examination performed on a deceased Employee. The examination will be performed:

- 1) at AUL's expense; and
- 2) by a Physician of AUL's choice.

If this policy is no longer in force, proof furnished more than two (2) years from the date of loss must also include:

- 1) proof of employment at death; and
- 2) proof of coverage under this policy at death.

SECTION 18 - DETERMINATION OF BENEFICIARY

Once acceptable proof of death is received, AUL will determine the Beneficiaries or payees in the following order:

- 1) If more than one primary Beneficiary is listed and no distributive share is indicated, then all primary Beneficiaries will share equally.
- 2) If no primary Beneficiaries outlive the Employee and there is no distributive share indicated among contingent Beneficiaries, then all contingent Beneficiaries will share equally.
- 3) If no named Beneficiaries outlive the Employee or none were named, then at AUL's option, the closest surviving heir(s) if the benefits could be paid to these heir(s) under applicable small estate laws. Heirs will be considered in descending order of preference as follows:
 - a) spouse;
 - b) child(ren);
 - c) parent(s); or
 - d) brother(s) and sister(s).
- 4) If no named Beneficiaries outlive the Employee or none were named and the benefits could not be paid to the closest surviving heir(s) under applicable small estate laws, then the Employee's estate.

AUL may, at its option, pay the proceeds in an amount up to \$250 to any individual appearing to AUL to be legally entitled to payment by reason of having paid funeral or other burial expenses related to the death of the Employee.

In the event the Employee and his Dependents should die simultaneously or if there is no clear evidence as to which individual died first, it shall be presumed that the Dependents should have predeceased the Employee.

If any Beneficiary dies within 15 days after Employee's death, the Beneficiary will be treated as having died before the Employee. This provision does not apply to any payment mailed to such Beneficiary during the 15 days following the Employee's death, and any payment made in good faith shall fully discharge AUL.

SECTION 19 - SELECTION OF PAYMENT METHOD

The proceeds will be paid in a lump sum unless another payment method is selected or changed by giving written notice to AUL prior to the Employee's death. If no payment method is in effect at death, the payee may select a payment method. For information concerning payment method options, the Employee or payee should contact AUL.

Benefits will be paid only if AUL decides in its discretion the person is entitled to them and after AUL approves the payment method. Any person who becomes entitled to receive any portion of the proceeds under this policy shall be entitled to receive payment of interest if any payment is not received by such person within 30 days after the event giving rise to the obligation and after all requested information is received by AUL. Interest payable shall be calculated at an annual rate after all requested information is received by AUL. The rate of interest payable shall be the lesser of 3% or that rate, as determined from time to time by AUL, applicable to proceeds of life insurance left on deposit with AUL and subject to withdrawal on demand. For the purposes of this section, payment shall be deemed to have been received by the person when deposited by AUL in United States mail, postage prepaid, and directed to the person's last known address or the Group Policyholder's address shown in AUL's records.

Other than lump sum payment, AUL reserves the right to specify the minimum periodic payment when a method is to become effective.

SECTION 21 - GENERAL POLICY PROVISIONS

ENTIRE CONTRACT: This policy, the enrollment forms of the individuals, the application of the Group Policyholder, and any amendments made from time to time constitute the entire contract between the parties. A copy of the application of the Group Policyholder will be attached to this policy when issued.

AMENDMENT and CHANGES: This policy may be amended by mutual agreement between the Group Policyholder and AUL but without prejudice to any valid claim incurred prior to the effective date of the amendment. This policy may be changed or corrected by AUL at any time. However, no change in this policy will be valid unless written notice is provided by AUL containing the signature of its Chief Executive Officer or Secretary. No other person can alter or waive the conditions of this policy or make any agreement that shall be binding upon AUL. No agent may or has the authority to waive, alter or change any terms and conditions of this policy or coverage.

INCONTESTABILITY: The validity of any coverage under this policy may not be contested, except for nonpayment of premiums, after the policy has been in force for two years after its date of issue, and other than a misrepresentation of a material fact, no statement made by Group Policyholder or an Employee or a Dependent relating to his insurability may be used in contesting the validity of the insurance with respect to which the statement was made, unless: (1) the insurance has not been in force for a period of two years or longer; or (2) the statement is contained in a written instrument signed by the Group Policyholder or the Employee or the Dependent. However, AUL is not precluded from asserting at any time any defenses based upon provisions in this Policy relating to eligibility for coverage. All statements made by the Group Policyholder or by the Employees or Dependents insured are to be deemed representations and not warranties, and that other than a misrepresentation of a material fact no statement made by any person insured may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Employees or Dependents or, in the event of death or incapacity of the Employee or Dependent, to the Employee's or Dependent's beneficiary or personal representative.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. AUL promises to focus on all means necessary to support fraud detection, investigation and prosecution.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit or knowingly presents false information in an application for insurance may be guilty of a crime and may be subject to fines and confinement in prison.

RELATIONSHIP: AUL and the Group Policyholder are, and will remain, independent contractors. Nothing in this policy shall be construed as making the parties joint ventures or as creating a relationship of employer and employee, master and servant, or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Group Policyholder each retain exclusive control of their time and methods to perform their respective duties. AUL and the Group Policyholder will employ, pay and supervise their own employees and pay their own expenses during the term of this policy.

DISCRETIONARY AUTHORITY: Benefits under this policy will be paid only if AUL decides in its discretion that the applicant is entitled to them. Except for the functions this policy explicitly reserves to a Group Policyholder, AUL reserves the right to:

- 1) manage this policy and administer claims under it; and
- 2) interpret the provisions and resolve questions arising under it.

AUL's authority includes, but is not limited to, the right to:

- 1) establish and enforce procedures for administering this policy and claims under it;
- 2) determine applicant's eligibility for insurance and entitlement to benefits;
- 3) determine what information AUL reasonably requires to make such decisions; and
- 4) resolve all matters when a claim review is requested.

Any decision that AUL makes, in the exercise of its authority, will be conclusive; subject to the Employee's or beneficiary's right to request reviews allowed under applicable laws.

SECTION 21 - GENERAL POLICY PROVISIONS

Continued

GRACE PERIOD: Premiums are due monthly and must be received by AUL within the required time frame for coverage to remain in force. The Employee is entitled to a grace period of 31 calendar days for the payment of any premium due except the first. During the grace period, the insurance coverage shall continue in force, unless AUL has received written notice of termination in advance of date of termination and in accordance with the terms of the policy. Group Policyholder is liable to AUL for the payment of a pro rata premium for the time the policy was in force during the grace period. If the required amount of premium is not received by the end of the grace period, the insurance will terminate as of the last day of coverage for which premium was paid.

LEGAL ACTION: No legal action may be brought to obtain benefits under this policy:

- 1) for at least 60 days after proof of loss has been furnished and before arbitration is held pursuant to the arbitration provisions in the policy; or
- 2) after three (3) years from the time written proof of loss is required to have been furnished to AUL.

CONFORMITY WITH STATE LAWS: Any provision of this policy in conflict with the laws of the state in which it is delivered is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Group Policyholder must furnish information which AUL reasonably requires. The Group Policyholder's documents which may have a bearing on the insurance shall be open for inspection by AUL at all reasonable times.

GENDER PRONOUNS: Whenever the male pronoun is used, it shall also mean the female.

CERTIFICATES: Individual certificates, which describe the insurance coverage of this policy, will be furnished by AUL to the Group Policyholder for distribution to eligible insureds pursuant to AUL's written guidelines.

If there is any discrepancy between the provisions of any certificate and the provisions of this policy, the provisions of this policy will govern.

ASSIGNMENT: A Group Policyholder may not assign any benefits or rights under this policy without first receiving AUL's written approval. An Employee may make an absolute assignment of all benefits and rights of his coverage. Any coverage is assignable to the extent permitted by law except that no collateral assignment is permitted. No assignment is binding unless filed with AUL in a form acceptable to it. AUL assumes no responsibility for the validity or effect of any assignment.

CLAIMS OF CREDITORS: The benefits paid under this policy will be exempt from the claims of creditors to the maximum extent permitted by law.

CLERICAL ERROR: Clerical error on the part of the Group Policyholder or AUL will not invalidate insurance otherwise in force or continue insurance otherwise validly terminated. Upon discovery of an error, an equitable adjustment will be made in the premiums and/or benefits, if appropriate.

MISSTATEMENT OF AGE: If the age of an Employee or Dependent has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts. Any adjustment of benefits due to the correction of age will also be made.

SECTION 21 - GENERAL POLICY PROVISIONS

Continued

ARBITRATION: Any controversy or claim arising out of or relating to this policy, the sale or solicitation of this policy, or its breach thereof whether in tort, contract, breach of duty (including but not limited to) any alleged fiduciary, good faith and fair dealing duties, shall be decided by arbitration in accordance with the Federal Arbitration Act, the procedures of the commercial arbitration rules of the American Arbitration Association, and this agreement. The Court of Arbitrators, which is to be held in the county seat where the Policyholder resides, shall consist of three (3) arbitrators familiar with group insurance and employee welfare benefit plans. The selection of the arbitrators shall be conducted within thirty (30) days after proper service of a demand for arbitration. One of the arbitrators shall be appointed by AUL, one by the insured, and the third shall be selected by the first two appointees prior to the beginning of arbitration. Should the two arbitrators be unable to agree upon the choice of a third, the appointment shall be left to the President or any Vice President of the American Arbitration Association. The arbitrators shall decide by a majority of votes, the award shall be in writing, the decision shall be signed by a majority of the arbitrators, and they shall include a statement regarding the reasons for the disposition of any claim. Judgment on the award rendered by the arbitrators may be entered by any court having jurisdiction thereof. The parties are not precluded from challenging the decision under the Federal Arbitration Act or applicable law. Unless not allowed under applicable law, each party shall bear the expense of its own attorney and arbitrator, and shall share equally with the other party the expenses of the third arbitrator and of the arbitration.

The parties agree that AUL is engaged in interstate commerce, and the transaction is governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16.

Consistent with the expedited nature of arbitration, each party will, upon the written request of the other party, promptly provide the other with copies of documents relevant to the issues raised by any claim or counterclaim on which the producing party may rely in support of or in opposition to any claim or defense. Any dispute regarding discovery, or the relevance or scope thereof, shall be determined by the arbitrator(s), which determination shall be conclusive. All discovery shall be completed within sixty (60) days following the appointment of the arbitrator(s) or longer following mutual agreement by the parties.

ERISA APPEAL GUIDELINES WHEN POLICY IS GOVERNED BY ERISA: If a claimant wishes to appeal AUL's decision, claimants are allowed 60 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits. Whether a document, record, or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. Section 2560.503-1. AUL's review will take into account all comments, documents, records, and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. Section 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. Section 2560.503-1.

SECTION 22 - PREMIUM PAYMENT

Each premium is payable by the Group Policyholder to AUL on or before its due date. Upon the request of the Group Policyholder and the written consent of AUL, the premium due date may be changed. Payment of any premium does not maintain the insurance in force beyond the end of the period for which the premium has been paid or after the policy has terminated except as provided under the Grace Period provision.

AUL reserves the right to change premium rates on:

- 1) any date after this policy has been in effect for 3 years by giving written notice to the Group Policyholder at least 45 days before the date the change is to become effective;
- 2) any date the benefit or eligibility provisions of this policy are changed;
- 3) any date the number of Employees changes by 25% or more;
- 4) any date an Insured Unit is added to this policy; or
- 5) any date on which AUL learns any information provided by the Group Policyholder prior to and after the date of the application for insurance was not true or accurate and would have changed any coverage, changed the premium rates, and/or would have required further evaluation by AUL prior to AUL's issuance of the policy.

SECTION 24 - TERMINATION OF THE POLICY

The Group Policyholder may terminate this policy at the end of any Coverage Month by giving AUL at least 31 days prior written notice.

AUL may terminate this policy at the end of any Coverage Month by giving at least 45 days prior notice to the Group Policyholder.

AUL WILL STILL BE LIABLE FOR PAYMENT OF VALID CLAIMS INCURRED BEFORE THE TERMINATION DATE.

FIDUCIARY NOTICE

Under North Carolina General Statute Section 58-50-40, no person, employer, principal, agent, trustee, or third party administrator, who is responsible for the payment of group health or life insurance or group health plan premiums, shall: (1) cause the cancellation or nonrenewal of group health or life insurance, hospital, medical, or dental service corporation plan, Multiple Employer Welfare Arrangement, or group health plan coverages and the consequential loss of the coverages of the persons insured, by willfully failing to pay those premiums in accordance with the terms of the insurance or plan contract, and (2) willfully fail to deliver, at least 45 days before the termination of those coverages, to all persons covered by the group policy a written notice of the person's intention to stop payment of premiums. This written notice must also contain a notice to all persons covered by the group contract of their rights to health insurance conversion policies under Article 53 of Chapter 58 of the General Statutes and their rights to purchase individual policies under the Federal Health Insurance Portability and Accountability Act and under Article 68 of Chapter 58 of the General Statutes. Violation of this law is a felony. Any person violating this law is also subject to a court order requiring the person to compensate persons insured for expenses or losses incurred as a result of the termination of the insurance.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA LIFE
AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not substitute for consumers' care in selecting companies that are well managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured person are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- 1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside the state);
- 2) the insurer was not authorized to do business in this state;
- 3) their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- 1) any policy or portion of a policy which is not guaranteed by the insurer or for which the person has assumed the risk, such as a variable contract sold by prospectus;
- 2) any policy of reinsurance (unless an assumption certificate was issued);
- 3) interest rate yields that exceed an average rate specified in the law;
- 4) dividends;
- 5) experience or other credits given in connection with the administration of a policy for a group contractholder;
- 6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- 7) unallocated annuity contract (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the association is obligated to pay out as follows:

- 1) the guaranty association cannot pay out more than the insurance company would owe under the policy or contract;
- 2) except as provided in 4. and 5. below, the guaranty association will pay maximum of \$300,000 per individual, per insolvency, no matter the number of policies or types of policies issued by the insolvent company;
- 3) except as provided in 4. and 5. below, the guaranty association will pay an aggregate maximum of \$500,000 with respect to any one individual affected by multiple insolvencies;
- 4) the guaranty association will pay a maximum of \$1,000,000 with respect to any one structured settlement annuity contract holder;
- 5) the guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
