| Important Questions   | Answers   | Why this Matters:  |
|---|---|--|
| What is the overall deductible?   | In-Network: \$2,500 Individual/\$5,000<br>Family. Out-of-Network: \$5,000<br>Individual/\$10,000 Family.                                  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible</u> ?         | Yes. <u>Preventive care</u> and most services that may require a <u>copayment</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.  |
| Are there other deductibles for specific services?                          | No.   | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | In-Network: \$5,500 Individual/\$11,000 Family. Out-of-Network: \$11,000 Individual/\$22,000 Family.                                      | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                            | Premiums, balance-billing charges, health care this plan doesn't cover and penalties for failure to obtain preauthorization for services. | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network</u> provider?                     | Yes. See www.bluecrossnc.com/FindADoctor or call 1-877-275-9787 for a list of network providers.  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
