CERTIFICATE OF INSURANCE FOR NON-PARTICIPATING GROUP ACCIDENTAL INJURY POLICY

**This is accident-only coverage.
It does not pay benefits for loss from sickness.**

**(Coverage for sickness may be included in a separate Rider,
requiring additional premiums.)**

Your Employer (“the Policyholder”) applied for coverage under this Group Insurance Policy (the “Plan”). This Plan is issued by Continental American Insurance Company (the “Company,” “we,” “us,” or “our”). Based on the Application and based on the timely payment of premiums, the Company agrees to pay the benefits provided on the following pages. Your Application is maintained on a file and made part of this Certificate. (Please note that male pronouns—such as *he*, *him*, and *his*—are used for both males and females, unless the context clearly shows otherwise.)

You will notice that certain words and phrases (including some medical terms and the names of policy documents) in this document are capitalized. These refer to terms with very specific definitions as they apply to this insurance policy.

Please read your certificate carefully.

We certify that you are insured under the Group Accidental Injury Policy (the “Plan”). The Plan was issued to your employer, the Policyholder. This coverage provides benefits for loss resulting from Accidental Injury. The Certificate is subject to the definitions, exclusions, and other provisions of the Plan.

Certain provisions of the Plan are summarized in this Certificate. All provisions of the Plan, whether contained in your Certificate or not, apply to the insurance referred to by the Certificate.

The Certificate Effective Date is shown in the Certificate Schedule. This Certificate will remain in effect for the period for which the premium has been paid. This Certificate may be continued for further periods as stated in the Plan.

This Certificate, on its Effective Date, automatically replaces any Certificate or Certificates previously issued to you under the Plan.

1. An Employee of the Policyholder,
2. Engaged in full-time work, and
3. Included in the class of Employees eligible for coverage, as shown on the Application.

Dependents are eligible for coverage under this Plan. A *Dependent* is:

- Your Spouse or
- The Dependent Child of you or your Spouse. *Dependent Children* are your or your Spouse's natural children, step-children, legally adopted children, or children placed for adoption who are younger than age 26 (details included in the **Definitions** section).

Insureds are defined as those who might be eligible for coverage in the following categories under this Plan:

- **Employee Coverage** – We insure only the Employee.
- **Employee and Spouse Coverage** – We insure the Employee and Spouse.
- **Employee and Child Coverage** – We insure the Employee and any Dependent Children.
- **Family Coverage** – We insure the Employee, Spouse, and any Dependent Children.

Any other additions to the Insured class must be added by Endorsement after applying to the Company.

Effective Date

Your Certificate Effective Date is the date your insurance takes effect. That date is either the date:

- Shown on the Certificate Schedule if you are Actively at Work on that date, or
- You return to an Actively-at-Work status if you are not Actively at Work on the date shown on the Certificate Schedule.

Plan Termination

The Plan may terminate for any of the following reasons:

- The premium is not paid before the end of the Grace Period.
- The Company cancels the Plan any time after the end of the first premium year. To do this, the Company must give 60 days' written notice.
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed master Application.

The Policyholder has the sole responsibility to notify you of the Plan's termination. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address. If the Plan terminates, we will provide coverage for claims arising from Covered Accidents that occurred while the Plan was in force.

Termination of An Employee's Insurance

Your insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date you no longer meet the Plan's definition of an Employee.
- The date you no longer belong to an eligible class.

If the Plan terminates, we will provide coverage for claims arising from Covered Accidents that occurred while the Plan was in force.

Section II – Premium Provisions

Premium Calculations

The Schedule of Premiums determines the premium amount payable on any premium due date. The rates shown in this Schedule can be changed annually. The Company will give the Policyholder written notice 31 days before any change in rates becomes effective.

Premium Increase

The Company will notify the Policyholder and each employer group or subgroup insured under the Policy of the maximum amount of a group premium increase. This will be done no less than 60 days before the premium increase becomes effective.

Premium Payments

The first premium is due on this Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Aggregate premiums for this Plan should be paid to the Company at its home office in Columbia, South Carolina. Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period.

Premium Refund

If coverage is terminated for any reason, the Company will return any unearned premium to the Insured on a pro-rata basis on or before the premium cancellation date.

Grace Period

This Plan has a 31-day Grace Period. If a renewal premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan.

Section III – Definitions

When the terms below are used in this Plan, the following definitions will apply:

Accidental Injury or Injuries means bodily Injury or Injuries resulting from an unforeseen and unexpected traumatic event that meets the definition of *Covered Accident*.

Covered Accident means an unforeseen and unexpected traumatic event resulting in bodily Injury. An event meets the qualifications of Covered Accident if it:

Dependent means your Spouse or your Dependent Child. **Dependent Children** are your or your Spouse's natural children, step-children, legally adopted children, or children placed for adoption who are younger than age 26.

If Dependent Child coverage is not already in force, newborn children are automatically covered from the moment of birth for 30 days. Newly adopted children are also automatically covered from the date of placement for adoption or final decree of adoption, whichever occurs first, for 30 days. To extend coverage beyond 30 days, the Insured must contact the Company within the 30-day time period following the child's birth or adoption. If Dependent Child coverage is already in-force, no notice is required.

However, there is an exception to the age-26 limit listed above. This limit will not apply to any child who is incapable of self-sustaining employment due to mental or physical handicap and is dependent on a parent for support. You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Child's 26th birthday.

Doctor is defined as a person who is:

- Licensed to treat the type of condition for which a claim is made.

AMENDMENT TO CERTIFICATE OF INSURANCE FOR NON-PARTICIPATING GROUP ACCIDENTAL INJURY POLICY

This Amendment alters the policy and the certificate to which it is attached. Unless specifically addressed by this Amendment, all other policy and certificate provisions, definitions, and other terms apply.

Effective Date – This Amendment is effective on the date it is issued.

The Laceration Benefit is deleted and replaced with the following:

If you receive a laceration in a Covered Accident, we will pay the appropriate amount shown in the Benefit Schedule. The laceration must be repaired with stitches by a Doctor within 14 days after the accident. The amount paid will be based on the length of the laceration.

You may receive a laceration that does not require stitches. However, if that laceration is treated by a Doctor within 14 days after the Covered Accident, we will pay the appropriate amount shown in the Benefit Schedule.

If you suffer multiple lacerations in a Covered Accident, and the lacerations are repaired with stitches by a Doctor within 14 days after the accident, we will pay this benefit based on the largest single laceration which requires stitches, as shown in the Benefit Schedule.

The Burns Benefit is deleted and replaced with the following:

We will pay the appropriate amount shown in the Benefit Schedule if you have burns in a Covered Accident. We will pay the Burns Benefit according to the percentage of body surface burned. You must be treated for burns by a Doctor within 14 days after the accident. First-degree burns are not covered.

The Medical Fees Benefit is deleted and replaced with the following:

We will pay the amount shown in the Benefit Schedule for the following medical fees:

- X-rays.
- Doctor services.

For benefits to be payable, because of a Covered Accident, you must:

- Be injured and
- Receive initial Treatment from a Doctor within 14 days after the accident.

We will pay the Medical Fees Benefit:

- For Treatment received due to injuries from a Covered Accident and
- For each Covered Accident up to one year after the accident date.

We will not pay the Medical Fees Benefit and the Accident Emergency Room Treatment Benefit for the same Covered Accident. We will pay the highest eligible benefit amount.

The Accident Follow-Up Treatment Benefit is deleted and replaced with the following:

For injuries received in a Covered Accident, we will pay this benefit under the following conditions:

- You receive initial Treatment within 14 days after the Covered Accident.
- You receive Doctor-prescribed follow-up Treatment.
- The follow-up Treatment begins within 30 days after the Covered Accident or discharge from the Hospital.

We will pay for a maximum of 6 Treatments per Covered Accident.

The Physical Therapy Benefit is deleted and replaced with the following:

For injuries received in a Covered Accident, we will pay this benefit under the following conditions:

- You receive Doctor-prescribed physical therapy Treatment.
- The physical therapy Treatment begins within 30 days after the Covered Accident or discharge from the Hospital.
- The physical therapy Treatment takes place within 6 months after the Covered Accident.

We will pay for a maximum of 6 physical therapy Treatments per Covered Accident. We will not pay this benefit for the same visit that the Accident Follow-up Treatment Benefit is paid.

The Emergency Room Treatment Benefit is deleted and replaced with the following:

We will pay the amount shown in the Benefit Schedule for injuries received in a Covered Accident if you:

- Receive Treatment in a Hospital emergency room and
- Receive initial Treatment within 14 days after the Covered Accident.

This benefit is payable only once per 24-hour period and only once per Covered Accident. We will not pay the Accident Emergency Room Treatment Benefit and the Medical Fees Benefit for the same Covered Accident. We will pay the highest eligible benefit amount.

Continuation of Coverage Endorsement

This Endorsement is part of the Policy and Certificate to which it is attached. This Endorsement is subject to all the definitions, terms, and other provisions of the Policy and Certificate to which it is attached, unless those terms are inconsistent with this Endorsement.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Endorsement becomes effective when the Certificate becomes effective. If issued after the Certificate, this Endorsement will have a later Effective Date.

The following provisions are added after the Portability Privilege provision in your Certificate:

CONTINUATION OF COVERAGE

If the Group Policy is terminated by the Policyholder and is not replaced with another group policy you may apply to continue the coverage you had on the Group Policy termination date. This includes any in-force Spouse or Dependent Child coverage. The Group Policy will be continued as if the Group Policy is in force for those who have applied to continue their coverage under this provision. The members will continue to have coverage, with their Certificates remaining in force.

The Company will apply the same benefit and plan provisions as shown in your Certificate on the date you are eligible to continue coverage under this provision. Your continued coverage is subject to all of the provisions, exclusions and limitations of the Group Policy.

To keep your Certificate in force, you must:

- Apply to the Company in writing under this Continuation of Coverage provision within 31 days after the date your Certificate would terminate, **and**
- Pay the required premium no later than 31 days after the date the Certificate would terminate and on each premium due date thereafter to the Company at our Customer Service Center in Columbus, Georgia.

PREMIUMS

Initial premium rates will be based on the rates in effect at the time you apply to continue your coverage. Premium rates can be changed by the Company at any time upon 31 days written notice to you. Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's coverage, if any.

TERMINATION

Your continued coverage, including any in-force Spouse or Dependent Child coverage, will end:

- 31 days after the date you fail to pay any required premium.
- When coverage is terminated by the Company. We will provide you a 31-day advance written notice of any termination.
- On the date you die (unless your Spouse elects to become the Primary Insured under the Successor Insured provision, if applicable).

Once continued coverage is cancelled it cannot be reinstated. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

CONTRACT

This Endorsement is part of the Certificate. It will terminate when:

- The Certificate terminates.
