SECTION IV

BENEFIT PROVISIONS

The benefit amounts payable are shown in the Benefit Schedule. Coverage terminates on the premium due date which falls on or first follows your 70th birthday; at that time all benefits cease regardless of the maximum benefit.

Hospital Confinement - We will pay this benefit in the amount shown in the Benefit Schedule, subject to the elimination period if any, when a covered person is confined to a hospital as a resident bed patient as the result of an injury or because of a covered sickness. In order to receive this benefit for an injury, you must be confined to a hospital within 6 months of the date of the covered accident.

The length of time shown for hospital confinement in the Benefit Schedule is the maximum period for which a covered person can collect benefits for each hospital confinement. We will pay for only one hospital confinement at a time even if caused by more than one covered accident, more than one covered sickness or a covered accident and a covered sickness.

If a covered person is not confined to the hospital for a full month, we will pay benefits on a daily basis. Daily benefits are paid at the rate of 1/30th of the monthly amount.

Hospital Admission - We will pay this benefit when a covered person is admitted to a hospital and confined as a resident bed patient because of an injury or because of a covered sickness. In order to receive this benefit for injuries received in a covered accident, a covered person must be admitted to a hospital within 6 months of the date of the covered accident.

We will pay the Hospital Admission benefit amount shown in the Benefit Schedule. We will not pay benefits for confinement to an observation unit, or for emergency room treatment or outpatient treatment.

We will only pay this benefit once for each covered accident or covered sickness. If you are confined to the hospital because of the same or related injury or sickness, we will not pay this benefit again.

Surgical Benefit - If surgery due to an injury or because of a covered sickness is performed by a Physician, We will pay the amount for the Surgical Operation shown opposite the procedure listed in the Schedule of Operations up to the maximum shown on the Benefit Schedule per surgical procedure. The surgery can be performed in a Hospital (on an inpatient or outpatient basis), in an Ambulatory Surgical Center, or in a Physician's office.

If an operation is not listed in the Schedule of Operations, We will pay an amount comparable to that which would be payable for the operation listed in the Schedule of Operations which is most nearly similar in severity and complexity.

If two or more surgical procedures are performed at the same time through the same or different incisions, only one benefit, the largest, will be provided.

Anesthesia Benefits - When a surgical procedure is performed that is covered under the Surgical Benefit, We will pay the amount shown in the Schedule of Operations for anesthesia administered by a Physician in connection with such procedure. Benefits, however, will be 25% of the amount paid under Surgical Benefit.

ADDITIONAL BENEFITS

Wellness Benefit - We will pay the amount shown on the Benefit Schedule page per calendar year when a covered person visits a doctor and the covered person is neither injured nor sick.

SECTION V

LIMITATIONS AND EXCLUSIONS

PRE-EXISTING CONDITION LIMITATION

PRE-EXISTING CONDITION - Pre-existing Condition means within the 12-month period prior to the Effective Date of a Certificate and attached riders, as applicable, those conditions for which medical advice or treatment was received or recommended.

We will not pay benefits for any loss or injury which is caused by, contributed to by, or resulting from a pre-existing condition for 12 months after the Effective Date of a Certificate and attached riders, as applicable, or for 12 months from the date medical care, treatment, or supplies were received for the pre-existing condition, whichever is less.

A claim for benefits for loss starting after 12 months from the Effective Date of a certificate, as applicable, will not be reduced or denied on the grounds that it is caused by a pre-existing condition.

Pregnancy is a "pre-existing condition" if conception was before the effective date of a certificate.

If a certificate is issued as a replacement for a certificate previously issued under this Plan, then the pre-existing condition limitation provision of the new certificate applies only to any increase in benefits over the prior certificate. Any remaining period of pre-existing condition limitation of the prior certificate would continue to apply to the prior level of benefits.

EXCLUSIONS

We will not pay benefits for loss caused by pre-existing conditions (except as stated in the previous provision).

We will not pay benefits for loss contributed to, caused by, or resulting from:

3. Self-Inflicted Injuries - injuring or attempting to injure yourself intentionally.
4. Traveling - traveling more than 40 miles outside the territorial limits of the United States, Canada, Mexico, Puerto Rico, the Bahamas, Virgin Islands, Bermuda, and Jamaica.

SECTION VI

CLAIM PROVISIONS

Notice of Claim - Written notice of claim must be given within 60 days after the covered accident or covered sickness, or as soon as reasonably possible. The notice may be given to us our Home Office in Columbia, South Carolina or to any of our authorized agents. The notice should include the name of the covered person and the certificate number.

Claim Forms - When we receive notice of a claim, we will send you the forms for filing proof of loss. If these forms are not sent to you within 15 days, you will meet the proof of loss requirements by giving us a written statement of the nature and extent of the loss within the time limit stated on the Proof of Loss Section.

Proof of Loss - You must give us written proof within 180 days after the loss for which you are seeking benefits. If it is not reasonably possible to give written proof in the time required, we shall not reduce or deny the claim for this reason if the proof is filed as soon as reasonably possible. In any event, the proof required must be given no later than one year from the covered accident unless you were legally incapacitated during that time.

Time Of Payment Of Claims - After we receive written proof of loss and process your claim, we will pay monthly all benefits then due for the claims providing a periodic payment. Benefits for any other loss covered by this Plan will be paid as soon as we receive proper written proof.

Payment Of Claims - Benefits will be paid to you. All of the benefits due will be paid to you unless you assign them elsewhere. Any benefits unpaid at the time of your death will be paid in the following order:

1. To any approved assignee.
2. Your beneficiary.
3. Your surviving spouse.
4. Your estate.

Changing Your Beneficiary - You can ask us to change your beneficiary at any time. The request must be in writing and we must approve the change. If approved, it will go into effect the day you sign the request. The change will not have any bearing on payments made before we approved the request.

Unpaid Premium - When a claim is paid, any premium due and unpaid may be deducted from the claim payment.

Physical Examination And Autopsy - At our expense, we can require you to have a physical examination as often as reasonably necessary while a claim is pending, or an autopsy in the case of death, where allowed by law. This will be done at our expense.

Legal Action - You cannot take legal action against us for benefits under this Plan:

1. Within 60 days after you have sent us written proof of loss; **or**
2. More than 6 years from the time written proof is required to be given.

SECTION VII

GENERAL PROVISIONS

Entire Contract - The entire contract consists of:

1. The Plan;
2. The application of the policyholder; **and**
3. Your application(s).

All statements made in such application(s) shall, in the absence of fraud, be deemed representations and not warranties. No statement will be used in defense of a claim under this Plan unless:

- a. The statement is in writing signed by the policyholder or by you; **and**
- b. A copy of that statement is given to the policyholder or to you or to your beneficiary.

Contract Changes - No change in this Plan is valid unless approved by our Home Office and unless such approval is endorsed by an officer and attached to this Plan. No agent has the authority to change this Plan or to waive any of its provisions.

Misstatements of Age - If you incorrectly stated your age or the ages of your dependents, if any, in the application, the benefits will be such as the premium paid would have purchased at the correct age. If, based on the correct ages, we would not have issued your certificate or insured certain dependents under this certificate, then our responsibility will be to refund the excess premium paid, if any.

Time Limit On Certain Defenses - After this Plan has been in force for two years as respects an Employee, no misstatements in the application of that Employee may be used to void his or her coverage or to deny any claim for loss incurred after the two year period.

Clerical Error - Clerical error by the policyholder will not end coverage or continue terminated coverage. In the event of such clerical error, a premium adjustment will be made.

Individual Certificate - Continental American will give the policyholder a certificate for each Employee. The certificate will set forth:

1. The coverage;
2. To whom benefits will be paid; **and**
3. The rights and privileges under the Plan.

Data Required - The policyholder will furnish all information and proofs that Continental American may reasonably require with regard to the Plan.

Conformity With State Statutes - Any provision of this Plan which, on the Effective Date, is in conflict with the laws of the state, in which the Plan was issued, will be amended to conform to the minimum requirements of those laws.

Portability Privilege Amendment

This Amendment is part of the form to which it is attached. Unless amended by this document, all definitions, exclusions, limitations, terms, and other provisions apply. For the purpose of this Amendment, “you” (including “your” and “yours”) refers to the Insured named in the Certificate Schedule.

Effective Date

This Amendment becomes effective on the Effective Date of the form to which it is attached.

Portability Privilege

The following language replaces the ELIGIBILITY provision found under SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance:

ELIGIBILITY — CLASSES OF COVERAGE

Class I

All full-time and part-time benefit-eligible Employees are eligible for Class I coverage. That eligibility extends to their spouses and children under age 26.

Class II

A Class I primary insured is eligible for Class II coverage if he:

- Was previously insured under Class I; **and**
- Is no longer employed by the Policyholder.

The Employee must elect Class II coverage under the Portability Privilege within 31 days after the date for which his class I eligibility would otherwise terminate.

Only Dependents covered under Class I coverage are eligible for continued coverage under Class II.

Class II insureds cannot continue coverage through the employer’s payroll deduction process. They must remit premiums directly to the Company.

The following language replaces the TERMINATION OF THE PLAN provision found under SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy.

TERMINATION OF THE PLAN

The Plan will cease if the premium is not paid before the end of the Grace Period.

After the end of the first Plan year, the Company has the right to cancel the Plan. To do so, the Company must give 45 days’ written notice that the plan will end on the date before the next premium due date.

The Policyholder has the right to cancel the Plan on the date before any premium due date by giving 45 days’ written notice.

Upon such termination, Class I and Class II coverage will be affected as follows:

Class I

If terminated, this Plan and all certificates issued under this class will terminate on such date at 12:01 a.m. Standard Time at the Policyholder's address. This will be without prejudice to the rights of any Insured regarding any claim arising while the Plan is in force.

The Policyholder has the sole responsibility to notify Class I Employees of such termination. When notice of termination is received by the Company, the Portability Privilege under Class I coverage is no longer available.

Class II

The group policy will remain active, and coverage under Class II will continue as long as premiums are paid, subject to the premium grace period. Notification of any changes in the plan will be provided directly to each insured by the Company. The Policyholder will lose any rights and obligations under the Plan.

The following language replaces the TERMINATION OF AN EMPLOYEE'S INSURANCE provision found under SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

TERMINATION OF AN EMPLOYEE'S INSURANCE

An Employee's insurance will terminate on the earliest of the following:

1. The date the Plan is terminated, for Class I insureds;
2. The 31st day after the premium due date if the required premium has not been paid;
3. The date he ceases to meet the definition of an Employee as defined in the Plan, for Class I insureds; **or**
4. The date he is no longer a member of the Class eligible for coverage.

Insurance for Dependents will terminate on the earliest of the following:

1. The date the Plan is terminated, for Dependents of Class I insureds;
2. The 31st day after the premium due date, if the required premium has not been paid;
3. The date the Spouse or Dependent Child ceases to be a dependent; **or**
4. The premium due date following the date we receive the Employee's written request to terminate coverage for his Spouse and/or all Dependent Children.

Termination of the insurance on any Insured will not prejudice his rights regarding any claim arising prior to termination.

The following language replaces the PORTABILITY PRIVILEGE provision found under SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION of the Master Policy and the Certificate of Insurance.

PORTABILITY PRIVILEGE

Under the Portability Privilege provision, when coverage would otherwise terminate because an Employee ends his employment, coverage may be continued. He may exercise the Portability Privilege when there is a change to his coverage class. The Employee — and any covered dependents — will continue the coverage that is in-force on the date employment ends. The continued coverage will be provided under Class II.

The premium rate for portability coverage may change for the class of covered persons on portability on any premium due date. Written notice will be given at least 45 days before any change is to take effect.

The Employee may continue the coverage until the earlier of:

- The date he fails to pay the required premium; **or**
- The date the class of coverage is terminated.

Coverage may not be continued:

- If the Employee fails to pay any required premium; **or**
- If the Company receives notice of Class I plan termination.

General Provisions

Time Limit on Certain Defenses

After two years from the Insured's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Insured's Application. This does not apply to fraudulent misstatements.

Contract

This Amendment is part of the form to which it is attached. It will terminate when that form terminates.

This Amendment is subject to all of the terms of the form to which it is attached unless those terms are inconsistent with this Amendment.

Child or Children Definition Rider

This rider is a part of the document to which it is attached. Unless amended by this rider Policy, Certificate and Dependent Rider Definitions, Exclusions and Limitations, other term and provisions apply to this rider.

The definition of Child or Children is deleted and replaced by the following:

Child or Children means your natural children, step-children, foster children, legally adopted children or children placed for adoption, which are under age 26.

- a. Coverage on a Child or Children will terminate on the child's 26th birthday. However, if any child is incapable of self-sustaining employment due to mental retardation or physical handicap and is dependent on a parent(s) for support, the above age of twenty-six (26) shall not apply. Proof of such incapacity and dependency must be furnished to the Company within thirty-one (31) days following such 26th birthday, and not more frequently than annually from then forward.
- b. Newborn Children of an Employee and/or his/her insured spouse and newborn Adopted Children shall automatically be covered from the moment of birth, under the same terms and conditions that apply to the natural, dependent children of covered persons.
- c. Other foster children and adopted children shall be treated the same as newborn infants and are eligible for coverage on the same basis upon placement in the Employee's home, under the same terms and conditions that apply to the natural, dependent children of covered persons.
- d. If a parent is required by a court or administrative order to provide health benefit plan coverage for a child, and the parent is eligible for family health benefit plan coverage through a health insurer, the health insurer:
 - i. Must allow the parent to enroll, under the family coverage, a child who is otherwise eligible for the coverage without regard to any enrollment season restrictions.
 - ii. Must enroll the child under family coverage upon application of the child's other parent or the Department of Health and Human Services in connection with its administration of the Medical Assistance or Child Support Enforcement Program if the parent is enrolled but fails to make application to obtain coverage for the child.
 - iii. May not disenroll or eliminate coverage of the child unless the health insurer is provided satisfactory written evidence that the court or administrative order is no longer in effect or the child is or will be enrolled in comparable health benefit plan coverage through another health insurer, which coverage will take effect not later than the effective date of disenrollment.
 - iv. Will not impose pre-ex limitations or waiting periods.

- e. If Dependent Child(ren) Children Child or Children are covered under the plan, Dependent Child(ren) Children Child or Children born or placed in the Employee's home after the Effective Date of this Rider will also be covered from the moment of birth. No notice or additional premium is required and the enrollment period will be waived. NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

**North Carolina Department of Insurance, Consumer Services Division

Raleigh, NC 27699-1201**

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C or Part D or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

(1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.

(2) Except as provided in (3), (4), and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.

(3) The guaranty association will pay a maximum of \$500,000 with respect to basic hospital, medical and surgical insurance and major medical insurance.

(4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.

(5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.

IMPORTANT NOTICE

Under North Carolina General Statute Section 58-50-40, no person, employer, principal, agent, trustee, or third party administrator, who is responsible for the payment of group health or life insurance or group health plan premiums, shall: (1) cause the cancellation or non-renewal of group health or life insurance, hospital, medical, or dental service corporation plan, multiple employer welfare arrangement, or group health plan coverages and the consequential loss of the coverages of the persons insured, by willfully failing to pay those premiums in accordance with the terms of the insurance or plan contract, and (2) willfully fail to deliver, at least 45 days before the termination of those coverages, to all persons covered by the group policy written notice of the person's intention to stop payment of premiums.

Please note that persons insured under group health or life insurance or group health plans may be entitled to conversion of their coverage under Article 53 of Chapter 58 of the General Statutes or entitled to purchase individual policies under the Federal Health Insurance Portability and Accountability Act and Under Article 68 of Chapter 58 of the General Statutes. Check your Certificate for additional information on conversion.

Violation of this law is a felony. Any person violating this law is also subject to a court order requiring the person to compensate persons insured for expenses or losses incurred as a result of the termination of the insurance.
