- 2) has completed the Waiting Period for New Employees; and
- 3) is Actively at Work on the Individual Effective Date of Insurance.

Initial or New Employee not Actively at Work during his Initial Enrollment Period: The date an Initial or New Employee returns to full-time Active Work will be his Individual Effective Date of Insurance, if he was enrolled during an Initial Enrollment Period, has completed the Waiting Period for Initial Employees, but was not Actively at Work on the date Personal Insurance would otherwise have become effective.

If enrolling after returning to Active Work, the Individual Effective Date of Insurance for an Initial or New Employee not Actively at Work is the first day of the Coverage Month following the Initial Enrollment Period.

**SECTION 3 - ELIGIBILITY, ENROLLMENT and
INDIVIDUAL EFFECTIVE DATE OF INSURANCE**

Late Enrollee: The Individual Effective Date of Insurance for an eligible Late Enrollee is the Policyholder's Anniversary Date following the Scheduled Enrollment Period as long as the Late Enrollee:

- 1) requested coverage during the Scheduled Enrollment Period;
- 2) has completed the Waiting Period for New Employees; and
- 3) is Actively at Work on the Individual Effective Date of Insurance.

COVERAGE IN EXCESS OF GUARANTEED ISSUE AMOUNT: The Individual Effective Date of Insurance as previously explained applies to any portion of the Maximum Weekly Benefit that does not exceed the Guaranteed Issue Amount. However, any portion of the Maximum Weekly Benefit that exceeds the Guaranteed Issue Amount will require Evidence of Insurability, satisfactory and without expense to AUL. If the excess portion is approved, the Effective Date of Insurance for that portion will be named by AUL. If the excess portion is not approved by AUL, the Maximum Weekly Benefit will be an amount equal to the Guaranteed Issue Amount.

Evidence of Insurability: Documentation and records are required to be forwarded to AUL, at no cost to AUL, if the request for coverage is made:

- 1) after an Employee's Initial Period;
- 2) after a Person's requested termination date; or
- 3) for coverage in excess of the Guaranteed Issue Amount.

If satisfactory Evidence of Insurability is provided, and coverage is approved in writing by AUL, the Individual Effective Date of Insurance will be named by AUL.

SECTION 4 - CHANGES IN INSURANCE

EFFECTIVE DATE OF CHANGE (First of the Coverage Month & No AIB)

A change in coverage that does not increase the amount of coverage becomes effective on:

- 1) the first day of the Coverage Month following AUL's approval of the change, if the date is the first day of the Coverage Month; or
- 2) the first day of the next Coverage Month following AUL's approval of the change, if the date is after the first day of the Coverage Month.

Prior to a change in coverage that increases the amount of coverage, the Person must be Actively at Work and the required amount of premium must be paid.

A change increasing the amount of coverage is subject to:

- 1) satisfactory Evidence of Insurability, at no expense to AUL; and
- 2) AUL's written approval.

If the Person is not Actively at Work on the approved change date, any change in the amount of coverage takes effect on the date the Person returns to Active Work.

If the change is an increase in coverage, see Pre-Existing Condition Exclusions in Section 9.

SECTION 4 - CHANGES IN INSURANCE

DECREASING THE WEEKLY BENEFIT AMOUNT: A Person may decrease the amount of his coverage at any time. Any decrease in coverage will become effective the first day of the Coverage Month following the date of the request.

Any change in insurance, other than a decrease in the amount of coverage, will require satisfactory Evidence of Insurability.

If the change is an increase in coverage, see Pre-Existing Condition Exclusions in Section 9.

SECTION 4 - CHANGES IN INSURANCE

FAMILY STATUS CHANGE

A Person may request an additional amount of coverage or a Late Enrollee may request coverage, without Evidence of Insurability, up to the Guaranteed Issue Amount as stated in the Schedule of Benefits if all the following conditions are met:

- 1) The Person or Late Enrollee experienced one of the following changes in family status:
 - a) legal marriage;
 - b) domestic partnership or civil union, as defined under applicable laws in the state of residence of the Person;
 - c) divorce or dissolution of a domestic partnership or civil union;
 - d) birth of a child;
 - e) adoption of a child or stepchild; or
 - f) placement of a foster child in the home of the Person or Late Enrollee; or
 - g) permanent legal custody or guardianship of a child lasting more than 90 days;
- 2) AUL was notified within 31 days of the change in family status;
- 3) the Person or Late Enrollee was Actively at Work on the effective date of the change;
- 4) the amount of coverage after the increase is not greater than the Weekly Benefit amount stated in the Schedule of Benefits; and
- 5) the Person or Late Enrollee has not previously been declined.

This change will become effective the first day of the Coverage Month following the date of the request.

If coverage for a Person or Late Enrollee was previously declined due to unsatisfactory Evidence of Insurability, no Family Status Change will be approved until Evidence of Insurability satisfactory to AUL is received. If the Person's or Late Enrollee's Family Status Change request is approved, coverage will begin on the date identified in writing by AUL.

SECTION 5 - TERMINATIONS

INDIVIDUAL TERMINATIONS: A Person will cease to be insured on the EARLIEST of the following dates:

 - a) during the Elimination Period, if the Person is Disabled, as described in the policy;
 - b) during any period that premiums are being waived under the Waiver of Premium provision;
 - c) during any temporary Leave of Absence according to the appropriate Continuation of Personal Insurance benefit if premiums continue to be paid during the Leave of Absence, and the benefit was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL; and
 - d) to the end of the Coverage Month following the month that a Person is temporarily laid off as long as premiums continue to be paid, if coverage during a temporary layoff was elected by the Policyholder, shown on the Schedule of Benefits and approved by AUL.

SECTION 5 - TERMINATIONS

TERMINATION OF THE POLICY: Insurance coverage under the policy will cease on the EARLIEST of the following dates:

- 1) the date the Policyholder no longer meets the definition of a Policyholder;
- 2) the date the Policyholder ceases active business operations or is placed in bankruptcy or receivership;

- 7) the date, as determined by AUL, that the Policyholder fails to promptly furnish any information which AUL may reasonably require; or
- 8) the date the Policyholder, without good and sufficient cause, fails to perform in good faith its duties pertaining to the policy.

If a Person's insurance is terminated due to the termination of the policy, the Person's rights under the policy are terminated on the date that the policy terminated.

Termination of the policy under any conditions will be without prejudice to any claim incurred prior to termination.

If the policy terminates, the Policyholder will be liable to AUL for all unpaid premiums for the period during which the coverage was in force.

SECTION 5 - TERMINATIONS

EXTENDED BENEFIT: If the Person is Disabled on the date insurance terminates, AUL will pay benefits for Disability:

- 1) after the Elimination Period has been met, if the Person is not already receiving a Weekly Benefit;
- 2) during the uninterrupted continuance of the same period of Disability; and
- 3) subject to the provisions and benefits of the policy.

A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 26 weeks or more during any 52 consecutive weeks of benefits.

ANY PERSON VIOLATING THIS LAW IS ALSO SUBJECT TO A COURT ORDER REQUIRING THE PERSON TO COMPENSATE PERSONS INSURED FOR EXPENSES OR LOSSES INCURRED AS A RESULT OF THE TERMINATION OF THE INSURANCE.

SECTION 5A - INDIVIDUAL REINSTATEMENT

INDIVIDUAL REINSTATEMENT: If Personal Insurance terminates under the policy due to cessation of Active Work for the Policyholder, it may be reinstated subject to the terms of this provision. Individual Reinstatement must be requested during the 31-day period immediately following return to Active Work for the Policyholder in accordance with the terms stated in this provision. Individual Reinstatement will be for the same coverage amount and eligible class that the Employee belonged to immediately prior to his termination. AUL may require Evidence of Insurability if reinstatement is requested for an amount or eligible class that differs from the coverage the Employee had with the Policyholder immediately prior to his cessation of Active Work. Reinstatement is subject to payment of required premiums and that the Policyholder is insured by AUL under the policy. In addition to the above requirements, the following also applies, as applicable:

- 1) If an Employee returns to Active Work within the period of consecutive calendar days as stated in the Schedule of Benefits under Individual Reinstatement from his individual termination date and requests Individual Reinstatement:
 - a) Personal Insurance will become effective the first day of the Coverage Month immediately following the date of request for Individual Reinstatement.
 - b) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class held by the Employee under the policy immediately prior to cessation of Active Work.
 - c) *If the Schedule of Benefits states that the Employee must return to Active Work within 30 days of termination:* Credit will be given towards satisfaction of the eligibility Waiting Period and of the Pre-Existing Condition exclusion or limitation period he previously served under the policy. However, any days accumulated during his period of lapse in coverage will not be credited. The original Individual Effective Date of Insurance will be used when applying the eligibility Waiting Period and the Pre-Existing Condition exclusion or limitation period.
 - d) *If the Schedule of Benefits states that the Employee can return to Active Work for a period greater than 30 days from the Employee's date of termination:* Credit will be given towards satisfaction of the eligibility Waiting Period he previously served under the policy. However, any days accumulated during his period of lapse in coverage will not be credited. The Employee will be considered a New Employee and subject to the terms of the policy, except as stated herein.
- 2) If an Employee returns to Active Work after more than the number of consecutive calendar days, shown in 1) above, after his Individual Termination date and requests Individual Reinstatement:
 - a) The Employee will be considered a New Employee and subject to the terms of the policy.
 - b) Eligibility for Personal Insurance, enrollment and his Individual Effective Date of Insurance will be determined as stated in the policy.
 - c) The Waiting Period and Pre-Existing Condition exclusion or limitation period will start anew. The Individual Reinstatement date will be used when applying the Pre-Existing Condition exclusion or limitation period.
- 3) If the Employee is insured under the policy's Portability Privilege and returns to Active Work with the Policyholder and requests Individual Reinstatement to the policy.
 - a) Personal Insurance will become effective the first day of the Coverage Month immediately following the date of request for Individual Reinstatement.
 - b) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class held by the Employee under the policy immediately prior to cessation of Active Work.
 - c) Credit will be given towards satisfaction of the Pre-Existing Condition exclusion or limitation period already served under the policy and the Portability Privilege. The Employee's original Individual Effective Date of Insurance will be used when applying the Pre-Existing Condition exclusion or limitation period.
 - d) Coverage under the Portability Privilege must terminate immediately prior to the date of Individual Reinstatement under the policy.

SECTION 5A - INDIVIDUAL REINSTATEMENT

- 4) If Personal Insurance terminates because of a leave approved by the Policyholder under the Federal Family and Medical Leave Act (FMLA), or similar applicable state law, and the Employee returns to full-time Active Work immediately following the end of the leave:
 - a) Personal Insurance will become effective immediately upon the date of request for Individual Reinstatement.
 - b) Credit will be given towards satisfaction of the Pre-Existing Condition exclusion or limitation period previously served under the policy. However, the days accumulated during the period of lapse in coverage will not be credited. The original Individual Effective Date of Insurance will be used when applying the Pre-Existing Condition exclusion or limitation period.
 - c) Evidence of Insurability will not be required for Individual Reinstatement to the same coverage amount and eligible class that the Employee would have been entitled to prior to the FMLA leave.
- 5) If Personal Insurance terminates because an Employee became a full-time member of the armed forces of the United States and he returns to full-time Active Work, the Person's coverage may be reinstated in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law.

**SECTION 5B - CONTINUATION OF PERSONAL INSURANCE
UNDER THE FAMILY AND MEDICAL LEAVE ACT**

CONTINUATION OF PERSONAL INSURANCE UNDER THE FAMILY AND MEDICAL LEAVE ACT. If the Policyholder correctly approves a leave of absence under the Federal Family and Medical Leave Act (FMLA), a Person's coverage under the policy will be continued as stated in this Section. Personal Insurance will continue while a Person's leave is covered under FMLA, until the end of the later of:

- 1) the leave period permitted under FMLA or
- 2) the leave period permitted by applicable state law.

Coverage continued under this Section is subject to the following requirements:

- 1) the Policyholder has approved a Person's leave in writing as a leave taken under FMLA;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - PREMIUM PAYMENT); and
- 3) Basic Weekly Earnings will be the amount as last reported to AUL in writing and in effect prior to the date the Person's family or medical leave began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

LEAVE OF ABSENCE references in this Section means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance and in writing by the Policyholder and includes temporary layoffs unless otherwise stated.

CONTINUATION OF PERSONAL INSURANCE WHILE TEMPORARILY LAID OFF. If the Policyholder approves a temporary layoff, a Person's coverage under the policy will be continued to the end of the Coverage Month following the month in which the layoff begins, as long as premiums continue to be paid to and received by AUL, subject to same requirement as a Leave Of Absence.

CONTINUATION OF PERSONAL INSURANCE UNDER A LEAVE OF ABSENCE: If the Policyholder approves a Leave of Absence, a Person's coverage under the policy will be continued to the end of the Coverage Month following the month that a Person begins a Leave of Absence as long as premiums continue to be paid to and received by AUL, subject to the following requirements:

- 1) the Policyholder has approved a Person's Leave of Absence in writing;
- 2) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 – PREMIUM PAYMENT); and
- 3) Basic Weekly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence began.

Continuation of Personal Insurance under this provision will cease on the EARLIEST of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

**SECTION 5C - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE AND TEMPORARY LAYOFF**

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

**SECTION 5D - CONTINUATION OF PERSONAL INSURANCE
DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE**

LEAVE OF ABSENCE means the Person is absent from Active Work for a temporary period of time that has been agreed to in advance in writing by the Policyholder.

CONTINUATION OF PERSONAL INSURANCE DURING A LEAVE OF ABSENCE FOR ACTIVE MILITARY SERVICE: If the Person is on a Leave of Absence for Active Military Service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and applicable state law, the Person's coverage may be continued until the LATER of:

- 1) the length of time the coverage may be continued under the policy for an FMLA leave of absence; or
- 2) the length of time the coverage may be continued under the policy for a Leave of Absence other than an FMLA leave of absence.

Coverage continued under this Section is subject to the following requirements:

- 1) applicable premiums must continue to be paid to AUL in accordance with the policy (see Section 6 - Premium Payment); and
- 2) Basic Weekly Earnings will be the amount last reported to AUL in writing and in effect prior to the date the Person's Leave of Absence for Active Military Service began.

Continuation of Personal Insurance under this provision will cease on the earliest of the following:

- 1) the date a Person dies;
- 2) the date a Person's coverage terminates for nonpayment of premiums;
- 3) the date a Person begins full or part-time employment with another employer;
- 4) the date the policy terminates;
- 5) the date a Person notifies the Policyholder that he will not be returning to Active Work;
- 6) the date a Person's class is no longer offered under the policy;
- 7) the date a Person no longer qualifies for a Leave of Absence or participation in an eligible class, as stated in the Schedule of Benefits; or
- 8) the date a Person requests termination of coverage under the policy, but not prior to the date of request.

All terms and conditions of the policy will apply during the approved continuation period provided under this Section, unless otherwise stated. While Personal Insurance is being continued under this Section, the Person will be considered exempt from the requirements listed below:

- 1) the Actively at Work definition; and
- 2) the applicable number of hours needed to meet the requirement for Full-Time Employee, as stated in the Schedule of Benefits.

If the Policyholder has approved more than one type of Leave of Absence for the Person during any one period, AUL will consider such leaves to be concurrent for the purpose of determining how long the Person's coverage may continue under the policy.

SECTION 6 - PREMIUM PAYMENT

PREMIUM PAYMENTS: As provided in the Application, the Policyholder is responsible for properly and accurately paying premiums to AUL on or before the Due Date. All premiums will be calculated and paid in U.S. dollars. At the request of the Policyholder and AUL's written approval, the interval of premium payments may be changed.

Overpayment of premium will not result in increases in any coverage amounts or additional benefits for the Policyholder or Person. If a Person has contributory insurance, premiums paid by the Person may be paid by means of payroll deduction administered by the Policyholder.

Premiums for a Person's coverage under the policy shall be owed beginning on the Person's Individual Effective Date of Insurance. Premiums will cease to be owed on the Person's individual termination date. However, premiums will continue to be owed for a Disabled Person who ceases work. Premiums will continue to be owed until the date they are waived according to the Waiver of Premium provision.

Monthly premiums for each Person will change automatically following attainment of each new age bracket. Each premium payment will include adjustments in past premiums for changes that have not previously been taken into account. Payment of any premium does not maintain the insurance in force beyond the end of the period for which it has been paid. Each premium payment is owed to AUL on or before its Due Date.

PREMIUM RATES: AUL reserves the right to change premium rates on any date:

- 1) after the Policyholder's coverage has been in effect for one year (and adjusted no more often than once every 6 months thereafter, based on at least 12 months of experience), by giving prior written notice to the Policyholder at least 45 days before the effective date of the change;
- 2) the eligibility or benefit provisions are changed;
- 3) the number of Persons insured through the Policyholder changes by 25% or more;
- 4) a division, unit, subsidiary or affiliate is added to, or deleted from, the Policyholder's coverage under the policy;
- 5) if the age or any other fact that affects the benefits for a Person or Policyholder has been misstated; or
- 6) there is a change in existing laws which affects the coverage offered under the policy.

WAIVER OF PREMIUM: Premium payments will be waived for a Disabled Person beginning with the first day of Disability. Premiums will continue to be waived during any period that benefits are paid to a Person insured by the policy or any AUL Group Long Term or Short Term Disability Income policy if those policies were made available to the Person through employment with the Policyholder. Premiums for coverage under the policy will be waived as described in this provision, provided the Disability claim is approved by AUL. If a Disabled Person returns to work before the end of his Elimination Period or his Benefit Eligibility Period, his premium payments will resume, but he will not be required to repay the waived premiums.

SECTION 7 - GENERAL POLICY PROVISIONS

AGENCY: For all purposes of the policy, the Policyholder acts on behalf of itself or as agent for the Person. Under no circumstances will the Policyholder be deemed the agent of AUL.

AMENDMENT AND CHANGES: The policy may be amended in writing by mutual agreement between the Policyholder and AUL, but without prejudice to any loss incurred prior to the effective date of the amendment. No change in the policy is valid until approved by the Chief Executive Officer, President or Secretary of AUL. No agent has the authority to approve coverage, change the policy or waive any of its provisions.

ASSIGNMENT: No assignment of any present or future right or benefit under the policy will bind AUL without its prior written consent and when permitted under applicable laws.

CERTIFICATES: AUL will issue a certificate for delivery by the Policyholder to the insured Persons. The certificate will summarize the Person's coverage under the policy and will state:

- 1) the benefits provided; and
- 2) to whom the benefits are payable.

If there is any discrepancy between the provisions of any marketing materials, plan documents, certificate, and the provisions of the policy, the provisions of the policy will govern.

CLERICAL ERROR: If a clerical error is made in keeping records on the coverage under the policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise terminated, make insurance effective when it should not have been or change the amount of insurance provided by the provisions of the policy.

CONFORMITY WITH STATE LAWS: Any provision of the policy in conflict with the laws of the state in which it is delivered, is amended to conform to the minimum requirements of those laws.

DATA AND RECORDS: The Policyholder must promptly furnish all information/documentation that AUL reasonably requires. The Policyholder must furnish all relevant information to AUL about Persons:

- 1) who qualify to become insured or are eligible for benefits; and/or
- 2) whose amounts of insurance change; and/or
- 3) whose insurance terminates.

At any reasonable time, AUL or its representatives shall have the right to inspect the records of the Policyholder that, in the opinion of AUL, may have a bearing on the insurance coverage provided under the policy.

SECTION 7 - GENERAL POLICY PROVISIONS

DISCRETIONARY AUTHORITY: Benefits under the policy will be paid only if AUL (or its third party administrator) decides in its discretion that the Person is entitled to them. Except for the functions the policy explicitly reserves to the Policyholder, AUL (or its third party administrator) reserves the right to:

- 1) manage the policy and administer claims under it; and
- 2) interpret the provisions and resolve any questions arising under it.

AUL's (or its third party administrator's) authority includes, but is not limited to, the right to:

- 1) establish and enforce procedures for administering the policy and claims under it;
- 2) determine Employees' eligibility for coverage and entitlement to benefits;
- 3) determine what information it reasonably requires to make such decisions; and
- 4) resolve all matters when a claim review is requested.

Any decision that AUL (or its third party administrator) makes, in the exercise of its authority, will be conclusive and final subject to any rights under applicable laws such as the Employee Retirement Income Security Act (ERISA). This provision applies only where the interpretation of the policy is governed by ERISA. AUL may delegate some or all of its rights under this Discretionary Authority provision to another person or entity, and AUL hereby desires to share with and delegate rights under this provision to its third party administrator.

ENTIRE CONTRACT: The policy, the application/enrollment forms of the Persons, the Application of the Policyholder, and any amendments made from time to time constitute the entire contract.

GRACE PERIOD: If the Policyholder or AUL does not give notice in writing that coverage under the policy is to be terminated due to unpaid premium, a Grace Period of 31 days will be granted for the payment of any premium owed after the first premium Due Date. During the Grace Period, the policy will continue in force but will automatically terminate on the last day of the Grace Period. The Policyholder is liable to AUL for payment of premiums for the days of grace during which the policy remains in force. AUL is not obligated to pay claims incurred during the Grace Period until the premium owed is received.

INSURANCE FRAUD: AUL wants to ensure that its customers do not incur additional insurance costs as a result of the act of insurance fraud. Applicable state laws require AUL to undertake measures to detect, investigate and pursue prosecution for fraud.

Anyone that knowingly completes an application for insurance or statement of claim containing any materially false information or facts, with the intent to deceive, conceal or mislead is committing a fraudulent insurance act. This is a crime and may subject such Persons to criminal and civil penalties.

MISSTATEMENT OF FACTS: If the age or any other fact that affects the benefits for a Person or Policyholder has been misstated, the benefits will be payable based on the true facts. Premium adjustment will be made so that AUL will receive the actual premium required based on the true facts.

SECTION 7 - GENERAL POLICY PROVISIONS

REHABILITATION: The goal of a rehabilitation program is to enable the Person to return to work. The Person may choose to join a vocational rehabilitative program while receiving Disability benefits, if prior approval is given in writing by AUL. If the program is approved in advance by AUL, such participation will not alone be deemed recovery from Disability. By mutual written agreement, AUL may help pay the Person's expenses for taking part in the rehabilitation program. Rehabilitation is strictly voluntary and there is no penalty for refusal.

RELATIONSHIP: AUL and the Policyholder are, and will remain, independent contractors. Nothing in the policy or the Application shall be construed as making the parties joint venturers or as creating a relationship of employer and employee, master and servant or principal and agent. Neither party has any power, right or authority to bind the other or to assume or create any obligation or responsibility on behalf of the other. AUL and the Policyholders each retain exclusive control of their time and methods to perform their respective duties. AUL and the Policyholder will employ, pay and supervise their own employees and pay their own expenses. The Policyholder is required to familiarize itself with all relevant state and federal laws including applicable banking, MEWA, plan sponsor, plan administrator, and fiduciary laws. Any violation of federal or state law will require Policyholder to reimburse AUL for any and all damages or fines imposed on AUL as well as AUL's reasonable attorney's fees incurred due to Policyholder's violations and/or any violations incurred by any representative of Policyholder, in which AUL is made party thereof.

STATEMENTS MADE IN AN APPLICATION: all statements in an application or Group Statement of Insurability made by the Policyholder or insured Persons shall be deemed representations and not warranties. No such statements will be used to reduce or deny any claim or to cancel the Person's coverage unless:

- 1) the statement is in writing; and
- 2) a copy of that statement is given to the Person or to his personal representative.

TIME LIMIT ON CERTAIN DEFENSES: The validity of any coverage under the policy may not be contested, except for nonpayment of premiums, after the Personal Insurance has been in force for two years from the Person's Individual Effective Date of Insurance. Additionally, if the validity of any coverage under the policy is contested due to a misrepresentation of a material fact during the first two years after the Person's Individual Effective Date of Insurance, no statement made by a Policyholder or a Person relating to his insurability may be used in contesting the validity of the insurance unless the statement is contained in a written instrument signed by the Person.

All statements made by a Policyholder or a Person are to be deemed representations and not warranties, and that other than a misrepresentation of a material fact no statement made by any Person may be used in any contest unless a copy of the instrument containing the statement is or has been furnished to the Person or, in the event of death or incapacity of the Person, to the Person's personal representative.

Notwithstanding the foregoing, AUL is not precluded from asserting at any time any defenses based upon provisions in the policy relating to eligibility for coverage.

WORKERS' COMPENSATION AND WORKMEN'S COMPENSATION NOT AFFECTED: The policy is not in lieu of, and does not affect any requirement for coverage by Workers' or Workmen's Compensation Insurance.

SECTION 7A - CLAIM PROCEDURES

INITIAL NOTICE OF DISABILITY: Written notice of Disability must be given to AUL within 20 days of the Date of Disability. If written notice cannot be made during such time period without the fault of the claimant, AUL must be notified as soon as it is reasonably possible to do so. Written notice should contain sufficient information to identify the Person. Notices are not considered given until received by AUL, or any authorized agent of AUL, at its Home Office in Indianapolis, Indiana, at one of its Claims offices, or by its third party administrator.

CLAIM FORMS: Upon receipt of the Initial Notice of Disability, AUL will furnish the Policyholder with any necessary claim forms to be given to the Person. These forms must be properly, accurately and truthfully completed and returned to AUL or its third party administrator. If, for any reason, the Person does not receive a claim form within 15 days of request, the Person shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claims is made.

AUL will also periodically send the Person additional claim forms or requests for information necessary to determine eligibility for benefits under the policy. These subsequent completed claim forms and requests for information must be returned to AUL within 30 days after the Person receives them. If requested forms and/or information are not received from the Person, AUL reserves the right to deny continued benefits for failure to provide proof of continuous disability as required by the policy.

PROOF OF LOSS: The initial claim form or proof of Disability must be signed by a Physician and sent to AUL within 180 calendar days of the end of the Elimination Period. Proof of Disability must show:

- 1) the claimant's name;
- 2) the Employer's name and address;
- 3) the policy number;
- 4) the date Disability started;
- 5) the cause of Disability;
- 6) the nature and extent of the Disability
- 7) that the claimant is under the appropriate care of a doctor;
- 8) the appropriate documentation of the claimant's earnings and activities; and
- 9) the name and address of any hospital, health provider, health facility or institution where the claimant has received treatment, including the names of all attending and treating doctors.

If it is not possible to give proof within these limits, it must be given as soon as reasonably possible. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible. Proof of claim may not be given later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION: AUL, at its own expense, has the right to have a Person examined, hospitalized and/or tested to determine the existence of any Disability that is the basis for a claim. This right may be exercised as often as is reasonably necessary, as determined by AUL, and must be performed by a Physician of AUL's choice. If the Person fails to comply with AUL's requests for Physical Examination, AUL reserves the right to deny benefits.

SECTION 7A - CLAIM PROCEDURES

LEGAL ACTION: No legal action may be brought to obtain benefits or a refund of premium paid under the policy:

- 1) for at least 60 days after proof of loss or entitlement to a premium refund has been furnished;
- 2) before any denial or reduction of benefits by AUL has been appealed properly in writing; or
- 3) beyond the expiration of the applicable statute of limitations from the time proof of loss or entitlement to a premium refund is required to be given. If no statute of limitations is given, then after 3 years following the expiration of the time within which proof of loss or entitlement to a premium refund is required by the Policyholder.

TIME OF PAYMENT OF CLAIMS: When AUL receives a claim form or proof of Disability, benefits payable under the policy will be paid immediately upon receipt of due written proof of such loss.

PAYMENT OF CLAIMS: All benefits, other than any survivor benefits, are payable to a Person. If a Person dies before a benefit to which he was entitled is paid, AUL has the right to pay up to \$3,000 to any of the Person's relatives to whom AUL considers entitled to such benefits. If AUL pays benefits in good faith to a person who it considers entitled to such benefits, then AUL will have no obligation to pay such benefits again. The Weekly Benefit will be calculated and paid in United States dollars, and when necessary, it will be based on the exchange rate effective on the first day of the Elimination Period.

SECTION 7A - CLAIM PROCEDURES

RIGHT TO APPEAL: When the policy is governed by ERISA, if a Person wishes to appeal the decision made by AUL or its third party administrator, claimants are allowed 180 days following receipt of a notification of an adverse benefit determination within which to appeal the determination. Claimants are allowed the opportunity to submit written comments, documents, records and other information relating to the claim for benefits. The claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits. Whether a document, record or other information is relevant to a claim for benefits shall be determined by reference to paragraph (m)(8) of 29 C.F.R. § 2560.503-1. AUL's review will take into account all written comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination. A claimant has a right to obtain the information about any voluntary appeal procedures offered by the plan described in paragraph (c)(3)(iv) of 29 C.F.R. § 2560.503-1 and has a right to bring an action under section 502(a) of ERISA. A final determination will be provided pursuant to 29 C.F.R. § 2560.503-1.

RIGHT OF RECOVERY: If benefits have been received for which the Person was not entitled to receive under the policy, then full reimbursement to AUL is required. Such reimbursement is required whether the overpayment is due to intentional or innocent misrepresentations by the Person, intentional or innocent misrepresentations by an entity supplying AUL with information, a claims processing error or miscalculation by AUL or for any other reason. If reimbursement is not made, then AUL has the right, as allowed under law to:

- 1) reduce future benefits or any amounts payable under all other AUL insurance contracts insuring the Person until full reimbursement is made, and
- 2) recover such overpayments from the Person or his estate.

If AUL chooses not to use benefit payments towards the reimbursement, this will not constitute a waiver of AUL's rights to reimbursement. This provision will be in addition to, and not in lieu of, any other compensation available to AUL by law.

SECTION 8 - INSURING PROVISIONS

WEEKLY BENEFIT PAYMENTS: AUL will pay Disability benefits, according to the policy, if a Person becomes Disabled while insured by the policy. AUL must receive proof that a Person is Disabled due to Sickness or Injury and requires the Regular Attendance of a legally qualified Physician (unless the Person has reached their maximum point of recovery). AUL will pay the Person a Weekly Benefit after the Person satisfies the Elimination Period. The Elimination Period may be satisfied by Total Disability, Partial Disability, or a combination of both.

The Weekly Benefit will be paid as long as Disability continues; provided that proof of continued Disability is submitted to AUL upon request and the Person is under the Regular Attendance and care of a Physician (unless the Person has reached their maximum point of recovery). The proof must be submitted at the Person's expense. Weekly Benefits will not be paid during any period that a Person is incarcerated in a penal or correctional institution.

The Weekly Benefit will not exceed the Maximum Weekly Benefit, nor will it be payable for longer than the Maximum Benefit Duration. The Maximum Weekly Benefit and the Maximum Benefit Duration are stated in the Schedule of Benefits.

PRORATING OF THE WEEKLY BENEFIT: The eligible Weekly Benefit will be paid on a weekly basis. For any period of Disability less than one week, the Weekly Benefit payment will be paid on a pro-rata basis at the rate of 1/7 per day.

REDUCTIONS TO THE WEEKLY BENEFIT: Other Income Benefits will reduce the Weekly Benefit as defined in this certificate. The Social Security Integration Method used is stated in the Schedule of Benefits.

SECTION 8 - INSURING PROVISIONS

WEEKLY BENEFITS: To figure the amount of the Total Disability Benefit if a Direct Primary or Family Social Security integration method is stated on the Schedule of Benefits, take the Person's Weekly Benefit and reduce the result by Other Income Benefits.

SECTION 8 - INSURING PROVISIONS

LUMP SUM PAYMENTS: Other Income Benefits that are paid in a lump sum, excluding benefits received from the Employer's Retirement Plan, will be prorated by AUL over the stated period of time the lump sum was projected to apply. Lump sums projected to cover the Person's life expectancy will be prorated based on appropriate actuarial tables. If the projected period of time that a lump sum is intended to cover is not stated, the lump sum will be prorated over a period of 60 months.

A lump sum payment from an Employer's Retirement Plan will be prorated over 60 months. However, if such lump sum is rolled to an annuity or retirement account that does not pay a benefit prior to the end of the Maximum Benefit Duration stated in the Schedule of Benefits, then the Gross Monthly Benefit will not be reduced by that lump sum payment.

Regardless of how benefits from the Employer's Retirement Plan are distributed, AUL will treat contributions made by the Person and Policyholder as if they were distributed simultaneously throughout the Person's lifetime.

APPLICATION FOR OTHER INCOME BENEFITS: If the Person, Spouse or Child(ren) are or become eligible for any Other Income Benefit, they must:

- 1) apply for the Other Income Benefits; and
- 2) appeal any denial for the Other Income Benefits that appears unreasonable.

Until approval or denial of any Other Income Benefits for any Disability is determined, AUL will make payments as indicated below.

AUL will pay the Weekly Benefit after the Elimination Period, with no reduction for estimated benefits until the appropriate entity has reached a decision. When a decision is reached, the Person must send AUL a copy of the determination and reimburse AUL for any overpayment made as a result of that decision, regardless of whether or not the coverage is still in force on the date the Person recovers such amount.

Additionally, if an award is made, AUL will reduce the Weekly Benefit by the amount of the Other Income Benefits the Person received, in accordance with the terms of the policy.

SECTION 8 - INSURING PROVISIONS

SOCIAL SECURITY APPLICATION ASSISTANCE. When AUL determines that a Person is a likely candidate for Social Security Disability Insurance (SSDI), AUL may assist the Person with the application process for these benefits.

Upon written request, a representative from AUL's Group Claims Department may supply pertinent information to the Person about:

- 1) eligibility for SSDI benefits;
- 2) how to begin the application process;
- 3) how to submit an appeal;
- 4) guidelines established by the Social Security Administration for submitting appeals; and
- 5) names of organizations offering assistance.

SECTION 8 - INSURING PROVISIONS

MINIMUM WEEKLY BENEFIT: While a Weekly Benefit is payable under the policy, the Weekly Benefit shall not be reduced to an amount less than the Minimum Weekly Benefit indicated in the Schedule of Benefits.

COST OF LIVING ADJUSTMENT FREEZE: If the Person receives a cost of living increase, with regard to Other Income Benefits, after the date benefits actually become payable under the policy, the Weekly Benefit will not be further reduced by such cost of living increase. For purposes of this provision, a cost of living increase is any annual increase reasonably related to the annual increase in any generally recognized cost of living measurement that applies to all Persons who are entitled to receive such benefits.

TERMINATION OF THE WEEKLY BENEFIT: The Weekly Benefit will cease on the EARLIEST of the following:

- 1) the date Current Weekly Income equals or exceeds 80% of the Indexed Pre-disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration stated in the Schedule of Benefits is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician, unless the Physician certifies that the Person has reached his maximum point of recovery and is still disabled according to the provisions of the policy;
- 8) the date the Person refuses to provide any evidence required by AUL to verify the Person's Current Weekly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 26 weeks or more during any 52 consecutive Weekly Benefit payments.

SECTION 8 - INSURING PROVISIONS

RESIDUAL BENEFIT: If the residual benefit is elected by the Policyholder, then the Elimination Period can be met using Total Disability, Partial Disability, or a combination of both.

RECURRENT DISABILITY: If, after a period of Disability for which benefits are payable, the Person resumes his Regular Job as a Full-Time Employee and performs each Material and Substantial Duty of that Job for 30 consecutive days of full-time work, any Recurrent Disability will be part of a new period of Disability and a new Elimination Period must be completed before any further Weekly Benefits are payable.

If the Person resumes his Regular Job as a Full-Time Employee and performs each Material and Substantial Duty of that Job for less than 30 consecutive days of full-time work, a Recurrent Disability will be part of the same period of Disability. The Recurrent Disability must be the direct result of the Injury or Sickness that caused the prior Disability. The Person will not have to complete a new Elimination Period. Benefit payments will be subject to the terms of the policy for the prior Disability. The benefit will be based on the amount of Basic Weekly Earnings in effect immediately prior to the original Elimination Period.

In order to prevent over-insurance because of duplication of benefits, benefits payable under the Recurrent Disability provision will cease if benefits are payable to the Person under any other group short term disability policy.

The Recurrent Disability provision in this Section is only applicable as long as the Policyholder's coverage remains in force with AUL.

SECTION 8 - INSURING PROVISIONS

PRESUMPTIVE DISABILITY: When a Person is Partially Disabled and his Current Weekly Income is 20% or less than his Indexed Pre-Disability Earnings, AUL will not reduce the Weekly Benefit by Current Weekly Income.

BENEFITS WHILE PARTIALLY DISABLED: When proof is received that a Person is Partially Disabled, then the Partial Disability Benefit applies. Benefits are payable following completion of the Elimination Period. The Partial Disability must be the direct result of the Injury or Sickness that caused the Disability immediately preceding it.

SECTION 8 - INSURING PROVISIONS

PARTIAL DISABILITY BENEFIT: The benefit for Partial Disability will be calculated as follows:

- 1) Subtract the Person's Current Weekly Income from the Person's Indexed Pre-Disability Earnings.
- 2) Divide the answer in Item 1) by the Person's Indexed Pre-Disability Earnings. The result is the Person's percentage of lost earnings.
- 3) From the Person's Gross Weekly Benefit, subtract any Other Income Benefits;
- 4) Multiply the answer in Item 2) by the answer in Item 3). This is the Person's benefit for Partial Disability.

Benefits for Partial Disability will never exceed the Person's Maximum Weekly Benefit as shown on the Schedule of Benefits, nor be less than the Minimum Weekly Benefit as shown on the Schedule of Benefits. The Partial Disability Benefit will continue as shown above until the EARLIEST of the date:

- 1) the Person ceases to be Partially Disabled;
- 2) the Person dies;
- 3) the Maximum Benefit Duration, as shown on the Schedule of Benefits, is completed;
- 4) the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 5) the Person refuses to allow an examination requested by AUL;
- 6) the Person is no longer under the Regular Attendance and care of a Physician, unless the Physician certifies that the Person has reached his maximum point of recovery and is still disabled according to the provisions of the policy;
- 7) the Person refuses to provide any evidence required by AUL to verify the Person's Current Weekly Income; or
- 8) the Person leaves the United States or Canada and establishes his residence in another country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 26 weeks or more during any 52 consecutive weeks of benefits.

For purposes of the Partial Disability Benefit provision, Pre-Disability Earnings will be increased annually using the Consumer Price Index. The increase will be effective on the July 1st following the first 12 consecutive calendar months of Disability and on each subsequent July 1st. The annual increase is only to determine eligibility and will not increase the Partial Disability Benefit.

AUL may require any evidence needed to verify the Person's earnings and proof of continuing Disability.

SECTION 8 - INSURING PROVISIONS

ORGAN TRANSPLANT PROCEDURE means the surgical removal of any one or more of a Person's organs for the purpose of transplanting to another individual.

ORGAN DONOR TRANSPLANT BENEFIT: AUL will pay a Weekly Benefit if a Person becomes Disabled as a result of an Organ Transplant Procedure while insured under the policy. Proof of the Disability must be received by AUL for review. Payment of this benefit will not be subject to satisfaction of the Pre-Existing Condition exclusion or limitation period.

TERMINATION: The Organ Donor Transplant Benefit will terminate the EARLIER of:

- 1) the date Current Weekly Income equals or exceeds 80% of the Indexed Pre-disability Earnings;
- 2) the date that the Person ceases to be Disabled;
- 3) the date the Person dies;
- 4) the date the Maximum Benefit Duration stated in the Schedule of Benefits is completed;
- 5) the date the Person fails to give AUL required proof of Disability or information required by AUL to determine if any benefits are owed under the policy;
- 6) the date the Person refuses to allow an examination requested by AUL;
- 7) the date the Person is no longer under the Regular Attendance and care of a Physician, unless the Physician certifies that the Person has reached his maximum point of recovery and is still disabled according to the provisions of the policy;
- 8) the date the Person refuses to provide any evidence required by AUL to verify the Person's Current Weekly Income; or
- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for a total period of 26 weeks or more during any 52 consecutive Weekly Benefit payments.

SECTION 9 - EXCLUSIONS

GENERAL EXCLUSIONS: The policy does not cover any Disability caused by, contributed to by, or resulting from:

- 1) participation in war or any act of war, declared or undeclared;
- 2) active participation in a riot;
- 3) attempted suicide, regardless of mental capacity;
- 4) attempted or actual self-inflicted bodily injury or self destruction, including but not limited to the voluntary inhaling or taking of:

- 7) a Person being legally intoxicated as defined by the law of the jurisdiction in which the incident occurs;
- 8) any event that occurs while a Person is incarcerated in a penal or correctional institution;

- 13) any Injury or Sickness due to employment, and for which benefits are payable by any type of Workers' or Workmen's Compensation Law or any similar act or law.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION EXCLUSION:

Benefits will not be paid if the Person's Disability begins in the first 12 months following the Person's Individual Effective Date of Insurance; and the Person's Disability is caused by, contributed to by, or the result of a condition for which medical advice, diagnosis, care, or treatment was received or recommended within the 3 months just prior to the Person's Individual Effective Date of Insurance.

SECTION 9 - EXCLUSIONS

PRE-EXISTING CONDITION EXCLUSION ON AN INCREASED MAXIMUM WEEKLY BENEFIT: This provision applies to an increase in the Maximum Weekly Benefit that occurs after the Policyholder's Effective Date.

The policy will not cover the amount of the increase in the Maximum Weekly Benefit if the Person's Disability begins in the first 12 months following the effective date of the increase in coverage; and the Person's Disability is caused by, contributed to by, or the result of a condition for which medical advice, diagnosis, care, or treatment was received or recommended within the 3 months just prior to his effective date of increase in amount of insurance.

SECTION 14 - PORTABILITY PRIVILEGE

If a Person's insurance under the policy terminates for any reason other than stated below, the Person is entitled to continue his coverage for 12 months without submission of Evidence of Insurability. To be eligible for this Privilege, the Person must have been insured under the policy for at least 12 consecutive months just before insurance under the policy terminated.

This Portability Privilege provides the same coverage that the Person had immediately prior to the date of his termination. Any benefits payable are governed by the policy according to the provisions and benefits elected by the Policyholder and stated in the Schedule of Benefits. However, the Maximum Benefit Duration will be the lesser of:

- 1) 2 years; or
- 2) the Maximum Benefit Duration in effect immediately prior to the date of his termination.

This Portability Privilege is subject to the following:

- 1) application for Portability must be made via a method approved by AUL within 31 calendar days after termination of insurance under the policy;
- 2) payment of the initial correct amount of premium;
- 3) the premium is based on the Person's age and the premium rate in effect on the date of application for Portability; and
- 4) the effective date for the Person under the Portability Privilege is the date immediately following the date of his termination.

The Portability Privilege is not available to any Person:

- 1) whose insurance under the policy terminates for any of the following reasons:

- 4) who is on leave of absence.

Insurance under the Portability Privilege will terminate on the earliest of the following dates:

- 1) the last day for which any required premium has been made;

- 9) the date the Person leaves the United States or Canada and establishes his residence in any other country. A Person will be considered to reside outside these countries when the Person has been outside the United States or Canada for more than 6 months in any 12 month period.

SECTION 16A - VOCATIONAL REHABILITATION PROGRAM

VOCATIONAL REHABILITATION PLAN means a written plan that a vocational rehabilitation professional, designated by AUL, prepares in accordance with this Vocational Rehabilitation Program section.

VOCATIONAL REHABILITATION PROGRAM: AUL's Vocational Rehabilitation Program is designed to assist a Person in returning to work. A Person's claim is reviewed and medical and vocational information is analyzed to determine if rehabilitation services might assist in this process.

AUL's Rehabilitation Program specialists, who coordinate with a Person's Physician and other specialists, complete an initial review. After this review, AUL may elect to offer and pay for a reasonable and necessary Vocational Rehabilitation Program. A Person must receive written approval from AUL, and a Vocational Rehabilitation Plan must be developed for the Person, before he is eligible for services under this provision. AUL will not reimburse unapproved or unnecessary rehabilitation expenses.

AUL's Vocational Rehabilitation Program may include coordination with other parties to:

- 1) assist in a Person's return to work;
- 2) evaluate adaptive equipment to allow a Person to work;
- 3) provide child care assistance during a Person's participation in a rehabilitation program;
- 4) provide vocational evaluation;
- 5) provide job placement services;
- 6) provide resume preparation;
- 7) provide job-seeking skills training;
- 8) provide retraining for a new occupation;
- 9) provide alternative treatment plans such as recommendations for:
 - a) support groups;
 - b) physical therapy;
 - c) occupational therapy;
 - d) speech therapy;
 - e) exercise programs;
 - f) mental health programs; or
 - g) other medical rehabilitation programs.

SECTION 17 - WORKPLACE MODIFICATION BENEFIT

WORKPLACE MODIFICATION means reasonable and necessary changes to a Person's work environment or to the way a Person's job is performed that enables the Person to return to full or part-time work for the Policyholder.

WORKPLACE MODIFICATION BENEFIT: AUL may pay the expense for any reasonable and necessary modification to a Person's workplace to accommodate the Person's Disability and enable him to return to Active Work for the Policyholder. The amount AUL may pay will not exceed the lesser of:

- 1) 2 times the Person's last Weekly Benefit payment; or
- 2) \$2,000.

To qualify for this Benefit:

- 1) a Person must be receiving a Weekly Benefit under the policy;
- 2) the Policyholder must agree to make reasonable and necessary modifications to the workplace that reasonably accommodates and enables a Person's return to full or part-time employment with the Policyholder; and
- 3) all proposed modifications and costs must be approved by AUL in advance and in writing prior to making any modification.

AUL may evaluate the appropriateness of a proposed modification.

AUL reserves the right, at its expense, to have a Person examined and evaluated by a Physician or other health care professional and a vocational expert or rehabilitation specialist of its choice, as frequently as it deems necessary.

If the Policyholder incurs reasonable and necessary costs for AUL approved modifications, the Policyholder will be reimbursed after:

- 1) proposed modifications made on the Person's behalf are completed;
- 2) written proof of incurred expenses for all modifications have been provided to and approved by AUL; and
- 3) the Person has returned to full or part-time employment with the Policyholder.

This Benefit will not be payable if:

- 1) expenses were not incurred in making the actual modification;
- 2) AUL did not provide written approval for the modification or its cost prior to the expense;
- 3) the Person becomes self-employed or returns to work for an employer other than the Policyholder;
- 4) the Person or Policyholder is able to apply or receives reimbursement for any costs under any other governmental program, grant, insurance policy, law or settlement; or
- 5) the Person ceases to be Disabled before or during the Workplace Modification.

This benefit is available on a one-time basis, per Person.

FIDUCIARY NOTICE

Under North Carolina General Statute Section 58-50-40, no person, employer, principal, agent, trustee, or third party administrator, who is responsible for the payment of group health or life insurance or group health plan premiums, shall: (1) cause the cancellation or nonrenewal of group health or life insurance, hospital, medical, or dental service corporation plan, Multiple Employer Welfare Arrangement, or group health plan coverages and the consequential loss of the coverages of the persons insured, by willfully failing to pay those premiums in accordance with the terms of the insurance or plan contract, and (2) willfully fail to deliver, at least 45 days before the termination of those coverages, to all persons covered by the group policy a written notice of the person's intention to stop payment of premiums. This written notice must also contain a notice to all persons covered by the group contract of their rights to health insurance conversion policies under Article 53 of Chapter 58 of the General Statutes and their rights to purchase individual policies under the Federal Health Insurance Portability and Accountability Act and under Article 68 of Chapter 58 of the General Statutes. Violation of this law is a felony. Any person violating this law is also subject to a court order requiring the person to compensate persons insured for expenses or losses incurred as a result of the termination of the insurance.

NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA LIFE
AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box* below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured person are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- 1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside the state);
- 2) the insurer was not authorized to do business in this state;
- 3) their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- 1) any policy or portion of a policy which is not guaranteed by the insurer or for which the person has assumed the risk, such as a variable contract sold by prospectus;
- 2) any policy of reinsurance (unless an assumption certificate was issued);
- 3) interest rate yields that exceed an average rate specified in the law;
- 4) dividends;
- 5) experience or other credits given in connection with the administration of a policy by a group contractholder;
- 6) employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- 7) unallocated annuity contract (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

- 4) the guaranty association will pay a maximum of \$1,000,000 with respect to any one structured settlement annuity contract holder;
- 5) the guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.
