

TELEHEALTH

See a doctor from home, at work or on the go

Your Blue Cross and Blue Shield of North Carolina (Blue Cross NC) health plan includes telehealth services from Teladoc. Because telehealth is such a convenient and effective option, Blue Cross NC encourages you to set up your account today.

Convenient care for your total health

- **Range of services.** Your telehealth offering includes acute care as well as behavioral health services and substance use support.*
- **Affordable care.** Costs vary depending on your benefits and whether you have a \$10 copay or deductible/coinsurance plan. Telehealth is typically less expensive than a visit to urgent care.
- Available 24 hours a day, seven days a week (even holidays) for acute care.
- Low wait times.¹
- Prescriptions sent electronically to your local pharmacy if needed.²
- On the couch, at work or traveling – you can use Teladoc anywhere in the U.S.³
- Pediatricians available if your child gets sick.⁴
- Teladoc doctors are board-certified with an average of 20 years' experience.⁶ Specialties range from primary care and internal medicine, to pediatrics and family medicine.

3 ways to sign up today
So it's ready when you need it!

Download the Teladoc mobile app

(iOS- / Android-supported)

Go to [Teladoc.com](https://www.teladoc.com) and click "Log in/Register"

Call 1-800-835-2362 (1-800-TELADOC)

Please Note:

You must wait until your health plan effective date before registering for telehealth services.

Happy customers

Teladoc has a >90% satisfaction rate with 92% of issues resolved after the first visit.⁵

* Behavioral health telehealth is currently only available to members 18+.

1 www.teladoc.com/start (Accessed June 2021).

2 In some states, laws require that a doctor only prescribe medication in certain situations and subject to certain limitations.

3 Consults can only be held within the United States.

4 Children under 36 months who present with fever must be referred to their pediatrician (medical home), child friendly urgent care center or emergency department for clinical evaluation and care. Teladoc doctors may not treat any children with urinary symptoms. Parent/guardian will be required to complete a different medical history disclosure form for children under the age of 36 months prior to making an appointment with an Teladoc doctor.
