Section I – Eligibility, Effective Date, and Termination

Eligibility

A person is an eligible Employee under this Plan if he meets the following three requirements. He is:

1. An Employee of the Policyholder,
2. Engaged in full-time work, **and**
3. Included in the class of Employees eligible for coverage, as shown on the Application.

Dependents are eligible for coverage under this Plan. A **Dependent** is:

- The Spouse of an Employee **or**
- The Dependent Child of an Employee. **Dependent Children** are an Employee's or an Employee's Spouse's natural children, step-children, legally adopted children, or children placed for adoption who are younger than age 26 (details included in the **Definitions** section).

Insureds are defined as those who might be eligible for coverage in the following categories under this Plan:

- **Employee Coverage** – We insure only the Employee.
- **Employee and Spouse Coverage** – We insure the Employee and Spouse.
- **Employee and Child Coverage** – We insure the Employee and any Dependent Children.
- **Family Coverage** – We insure the Employee, Spouse, and any Dependent Children.

Any other additions to the Insured class must be added by Endorsement after applying to the Company.

Effective Date

The Plan's Effective Date is shown on Page 1.

An Employee's Effective Date is the date his insurance takes effect. That date is either the date:

- Shown on the Certificate Schedule if the Employee is Actively at Work on that date, **or**
- The Employee returns to an Actively-at-Work status if he is not Actively at Work on the date shown on the Certificate Schedule.

Plan Termination

The Plan may terminate for any of the following reasons:

- The premium is not paid before the end of the Grace Period.
- The Company cancels the Plan any time after the end of the first premium year. To do this, the Company must give 31 days' written notice.
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed master Application.

The Policyholder has the sole responsibility to notify Employees of the Plan's termination.

If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address. If the Plan terminates, we will provide coverage for claims arising from Covered Accidents that occurred while the Plan was in force.

Termination of An Employee's Insurance

An Employee's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date he no longer meets the Plan's definition of an Employee.
- The date he no longer belongs to an eligible class.

If the Plan terminates, we will provide coverage for claims arising from Covered Accidents that occurred while the Plan was in force.

Portability Privilege

When an Employee ends employment with the Employer and his coverage would otherwise terminate, that Employee may elect to continue his coverage under this Plan. The Employee may continue the coverage that he had on the date his employment ended, including any in-force Spouse or Dependent Child coverage.

- To keep his Certificate in force, the Employee must:
 - Apply to the Company in writing within 31 days after the date his insurance would otherwise terminate; **and**
 - Pay the required premium to the Company no later than 31 days after the date the Certificate would otherwise terminate and on each premium due date thereafter.
- Insurance will end on the earlier of these dates:
 - 31 days after the date the Employee failed to pay any required premium
 - The date this Group Policy is terminated
- However, coverage may not be continued if:
 - The Employee failed to pay any required premium, **or**
 - This Group Policy terminates.

If an Employee qualifies for this Portability Privilege, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in his previously issued Certificate.

Section II – Premium Provisions

Premium Calculations

The Schedule of Premiums determines the premium amount payable on any premium due date. The rates shown in this Schedule can be changed every three years. The Company will give the Policyholder written notice 31 days before any change in rates becomes effective.

Premium Payments

The first premiums are due on this Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Aggregate premiums for this Plan should be paid to the Company at its Home Office in Columbia, South Carolina. Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period.

Grace Period

This Plan has a 31-day Grace Period. If any premium, except the first premium, is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan in advance of the date of discontinuance.

- The Policyholder, **or**
- The Insured, **or**
- The Insured's beneficiary.

This will ensure that Policyholders have an opportunity to review the information they have provided in their Applications. The Company *will not* void insurance or reduce benefits (as a result of statements made on the Application) without sending Application copies as outlined above.

Changes to this Plan:

- Will not be valid unless approved in writing by an executive officer of the Company.
- Must be noted on or attached to the Contract.
- May not be made by any agent (nor can an agent waive any Plan provisions).

Any Rider, Endorsement, or Application that modifies, limits, or excludes coverage under this Plan must be signed by the Insured to be valid.

Incontestability

We will not contest the Plan, except for nonpayment of premiums, after it has been in force for two years. We will not use any insurability-related statement made by the Insured under the Plan in contesting the validity of the Plan, provided:

1. The statement was made after the Plan has been in force (prior to the contest) for two years during the Insured's lifetime; **and**
2. The statement is not contained in a written document signed by the Insured.

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Time Limit on Certain Defenses

After two years from the Insured's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Insured's Application. This does not apply to fraudulent misstatements.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

Individual Certificate

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage (including any limitations, reductions, and exclusions),
- Any family member or dependent coverage,
- To whom benefits will be paid, **and**
- The rights and privileges under the Plan.

Required Information

The Policyholder will furnish all information and proofs which the Company may reasonably require with regard to the Plan.

Conformity With State Statutes

Any Plan provision that conflicts with state statutes where this Plan was issued on its Effective Date is hereby amended to conform to the minimum requirements of those statutes.

The Laceration Benefit is deleted and replaced with the following:

If you receive a laceration in a Covered Accident, we will pay the appropriate amount shown in the Benefit Schedule. The laceration must be repaired with stitches by a Doctor within 14 days after the accident. The amount paid will be based on the length of the laceration.

You may receive a laceration that does not require stitches. However, if that laceration is treated by a Doctor within 14 days after the Covered Accident, we will pay the appropriate amount shown in the Benefit Schedule.

If you suffer multiple lacerations in a Covered Accident, and the lacerations are repaired with stitches by a Doctor within 14 days after the accident, we will pay this benefit based on the largest single laceration which requires stitches, as shown in the Benefit Schedule.

The Burns Benefit is deleted and replaced with the following:

We will pay the appropriate amount shown in the Benefit Schedule if you have burns in a Covered Accident. We will pay the Burns Benefit according to the percentage of body surface burned. You must be treated for burns by a Doctor within 14 days after the accident. First-degree burns are not covered.

The Medical Fees Benefit is deleted and replaced with the following:

We will pay the amount shown in the Benefit Schedule for the following medical fees:

- X-rays.

For benefits to be payable, because of a Covered Accident, you must:

- Be injured and
- Receive initial Treatment from a Doctor within 14 days after the accident.

We will pay the Medical Fees Benefit:

- For Treatment received due to injuries from a Covered Accident and
- For each Covered Accident up to one year after the accident date.

We will not pay the Medical Fees Benefit and the Accident Emergency Room Treatment Benefit for the same Covered Accident. We will pay the highest eligible benefit amount.

The Accident Follow-Up Treatment Benefit is deleted and replaced with the following:

For injuries received in a Covered Accident, we will pay this benefit under the following conditions:

- You receive initial Treatment within 14 days after the Covered Accident.
- You receive Doctor-prescribed follow-up Treatment.

We will pay the amount shown in the Benefit Schedule for injuries received in a Covered Accident if you:

- Receive Treatment in a Hospital emergency room and
- Receive initial Treatment within 14 days after the Covered Accident.

The Group Policy will be continued as if the Group Policy is in force for those who have applied to continue their coverage under this provision. The members will continue to have coverage, with their Certificates remaining in force.

Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse, Domestic Partner and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's or Domestic Partner's coverage, if any.

- On the date you die (unless your Spouse or Domestic Partner elects to become the Primary Insured under the Successor Insured provision, if applicable).

Once continued coverage is cancelled it cannot be reinstated. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was active.

CONTRACT

This Endorsement is part of the Certificate. It will terminate when:

**NOTICE OF PROTECTION PROVIDED BY VIRGINIA LIFE, ACCIDENT AND SICKNESS INSURANCE
GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
 - o \$300,000 in death benefits
 - o \$100,000 in cash surrender or withdrawal values

- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$300,000 in disability income insurance benefits
 - o \$300,000 in long-term care insurance benefits
 - o \$100,000 in other types of health insurance benefits

- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000, except for hospital, medical and surgical insurance benefits, for which the limit is increased to \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association’s website at www.valifega.org or contact:
