SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION

Eligibility

An Employee is eligible to be covered under this Plan if he is Actively at Work for the Policyholder and included in the class that is eligible for coverage, as shown on the Master Application.

Insureds are defined as those who might be eligible for coverage under this Plan in the following categories:

- **Employee Coverage** – We insure only the Employee.
- **Employee and Spouse or Domestic Partner Coverage** – We insure the Employee and spouse or domestic partner (as defined in the applicable rider).
- **Employee and Children Coverage** – We insure the Employee and any dependent children (as defined in the applicable rider).
- **Family Coverage** – We insure the Employee, spouse or domestic partner, and any dependent children (as defined in the applicable rider).

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to Plan coverage are outlined in the Effective Date section.

Effective Date

The Plan's Effective Date is shown on the Policy Schedule. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder's address.

An eligible Employee must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He must enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

We may require evidence of insurability satisfactory to us if we do not receive the Application within 31 days after the Employee was first eligible for coverage. Evidence of insurability may also be required based on an agreement between the Policyholder and us.

An Employee's Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Employee is Actively at Work on that date, or
- The date the Employee returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

If Employee and Spouse or Domestic Partner, Employee and Children, or Family Coverage is offered:

- A Dependent may be added to the Plan after the Employee's Effective Date within 31 days of a Life Event or during an approved enrollment period.
- If Dependent Child Rider coverage is **already in force**, no additional notice or premium is required to add another dependent child.
- If Dependent Spouse Rider or Dependent Child Rider coverage is **not** in force, the Employee must complete an Application to add a Dependent to the Plan. The Company will assign a Dependent Rider Effective Date for a Dependent's coverage after approving the Application. For Dependent coverage to become effective, the premium for the Dependent must be included in the premium payment.
- If Dependent Child Rider coverage is not already in force, *newborn* children are automatically covered from the moment of birth for 60 days. *Newly adopted* children are automatically covered from the earlier of a) placement for adoption, b) the date of entry of an order granting custody of the child for the purposes of adoption, or c) the effective date of adoption, for 60 days. To extend coverage beyond 60 days with no gap in coverage, the Employee must contact the Company within the 60-day time period following the child's birth or adoption. No premium is due for the first 60 days of newborn/newly adopted coverage.

A day begins at 12:01 a.m. standard time at the Employee's place of residence.

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

The Policyholder has the sole responsibility of notifying Certificate holders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Termination of an Employee's Insurance

An Employee's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date (the last day of the Grace Period), if the premium has not been paid.
- The date he no longer belongs to an eligible class.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

Continuity of Coverage

When an Employee who has been continuously insured under this Plan during the entire 3 months immediately preceding termination of eligibility is no longer a member of an eligible class and his coverage would otherwise end, he may elect to continue his coverage under this Plan. He may continue the coverage he had on the date his Certificate would otherwise terminate, including any in-force Dependent Spouse Rider or Dependent Child Rider coverage, without any additional underwriting requirements. He may continue the coverage for a period of 12 months following the date of termination of eligibility or until the date the Group Plan is terminated, whichever occurs later.

To keep his coverage in force, the Employee must:

- Make application for the extended coverage within 31 days after the date his coverage would otherwise terminate, and
- Pay the required premium no later than 31 days after the date his coverage would otherwise terminate and on each premium due date thereafter.

The Employee's continued coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If the Employee qualifies for this Continuity of Coverage, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in his previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

SECTION II – PREMIUM PROVISIONS

Premium Payments

Premiums should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change in premiums.

Grace Period

This Plan has a 31-day Grace Period. If any premium, except for the first premium, is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan in advance of the date of discontinuance.

(This space left intentionally blank.)

For the purposes of this definition, **Family Member** includes the Employee's Spouse or Domestic Partner as well as the following members of the Employee's immediate family:

- Son
- Daughter
- Mother
- Father
- Sister
- Brother

This includes step-Family Members and Family-Members-in-law.

Domestic Partner is an unmarried same or opposite sex adult who resides with the Employee and has registered in a state or local domestic partner registry with the Employee.

- Provides overnight care of injured and sick people,
- Is supervised by a Doctor,
- Has full-time nurses supervised by a registered nurse, and

- Is under close observation by a specially trained nursing staff assigned exclusively to the Hospital Intensive Care Unit 24 hours a day; and
- Has a Doctor assigned to the Hospital Intensive Care Unit on a full-time basis.

The term *Hospital Intensive Care Unit* specifically excludes any type of facility not meeting the definition of Hospital Intensive Care Unit as defined in this Plan, including but not limited to private monitored rooms, surgical recovery rooms, observation units, and the following step-down units:

- A progressive care unit,
- A sub-acute intensive care unit, or
- An intermediate care unit.

Intermediate Intensive Care Step-Down Unit means any of the following:

- A progressive care unit,
- A sub-acute intensive care unit,
- An intermediate care unit, or
- A pre- or post-intensive care unit.

An Intermediate Intensive Care Step-Down Unit is **not** a Hospital Intensive Care Unit as defined in this Plan.

Life Event means an event that qualifies an Employee to make changes to benefits at times other than his enrollment period. Events qualifying as Life Events are established solely by the Policyholder.

Rehabilitation Facility is a unit or facility providing coordinated multidisciplinary physical restorative services. These services must be provided to inpatients under a Doctor's direction. The Doctor must be knowledgeable and experienced in rehabilitative medicine. Beds must be set up in a unit or facility specifically designated and staffed for this service. This is not a facility for the Treatment of alcoholism or drug addiction.

Related – a Related Accidental Injury or Sickness is one that is in correlation to, or occurs as a result of, the initial Accidental Injury or Sickness, and would not otherwise have been sustained if that initial condition had not occurred.

Sickness means an illness, infection, disease, or any other abnormal physical condition or pregnancy that is not caused solely by, or the result of, any injury. A **Covered Sickness** is one that is not excluded by name, specific description, or any other provision in this Plan. For a benefit to be payable, loss arising from the Covered Sickness must occur while the applicable Insured's coverage is in force.

Spouse is an Employee's legal wife or husband.

Telemedicine Service means a medical inquiry with a Doctor via audio or video communication that assists with a patient's assessment, diagnosis, and consultation.

Treatment is the consultation, care, or services provided by a Doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines. Treatment does **not** include Telemedicine Services.

SECTION VI – CLAIM PROVISIONS

If the Policyholder requests a complete record of their claims experience under the group policy, the Company will provide it. We will provide this record within 30 days before the premiums or contractual terms of the Policy are amended. If coverage is being terminated because of unpaid premiums, we will send a written letter to the Policyholder notifying them of the termination date. We will send notice no less than 15 days before the termination date.

Notice of Claim

Written Notice of Claim must be given to us:

- Within 60 days after the Covered Accidental Injury or Covered Sickness, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at the following address:

P.O. Box 427, Columbia, South Carolina, 29202

Failure to provide notice within 60 days will not invalidate or reduce any claim if the Insured can show that notice was given as soon as reasonably possible.

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

P.O. Box 427, Columbia, South Carolina, 29202

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury or Covered Sickness. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury or Covered Sickness, except in the absence of the Employee's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams or autopsy.

Time of Payment of Claims

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims* within 30 calendar days after receiving the appropriate information.

**Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, the Employee, or the employer.*

Payment of Claims

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To the Employee's beneficiary,
- To the Employee's surviving Spouse or Domestic Partner,
- To the Employee's estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

The Employee may not take Legal Action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than 3 years from the time written proof is required to be given.

SECTION VII – GENERAL PROVISIONS

Entire Contract Changes

This insurance is provided under a contract of Group Supplemental Hospital Indemnity insurance with the Policyholder. The Entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; and
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. No written statement by an insured person will be used in any contest unless a copy of the statement is furnished to the person, his beneficiary, or his personal representative.

The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to the Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, and
- May not be made by any insurance agent or producer (nor can an agent or producer waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Successor Insured

If an Employee dies while covered under his Certificate and his Spouse or Domestic Partner is also insured under this Plan at the time of the Employee's death, then his surviving Spouse or Domestic Partner may elect to become the primary Insured. This would include continuation of any Dependent Child Rider coverage that is in force at that time.

To become the primary Insured and keep coverage in force, the surviving Spouse or Domestic Partner must:

- Notify the Company in writing within 31 days after the date of the Employee's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse or Domestic Partner, the Certificate will terminate on the next premium due date following the Employee's death.

Time Limit on Certain Defenses

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Employee's Application. This does not apply to fraudulent misstatements.

No statement made by any person insured under the policy relating to his insurability or the insurability of his insured dependents shall be used in contesting the validity of the insurance with respect to which such statement was made: (1) after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person about whom the statement was made; and (2) unless the statement is contained in a written instrument signed by him.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of such clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage (including any limitations, reductions, and exclusions);
- Any family member or dependent coverage;
- To whom benefits will be paid; and
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Conformity with State Statutes

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

Amendment to Policy, Certificate of Insurance, and Dependent Child Rider for Group Supplemental Hospital Indemnity

This Amendment is subject to all of the provisions of the Policy and Certificate to which it is attached. Additions or changes have been made to the Policy, Certificate, and Dependent Child Rider and are indicated below.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Amendment becomes effective at the same time as the Certificate. If issued after the Certificate, this Amendment will have a later Effective Date.

The Plan Termination provision is deleted and replaced with the following:

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid by the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination no later than 15 days after the receipt of the notice of termination. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

The definition of Dependent Child or Dependent Children is deleted and replaced with the following:

Dependent Child or **Dependent Children** means your or your Spouse's or Domestic Partner's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to intellectual disability or physical handicap, and are chiefly dependent on a parent for support and maintenance. You or your Spouse or Domestic Partner must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26; it is your responsibility to notify us in writing when coverage on a Dependent Child terminates. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse or Domestic Partner Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium.

Children Placed for Adoption are children for whom you have entered a decree of adoption or for whom you have initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

Your natural Dependent Children born after the Effective Date of this Rider will be covered from the moment of live birth. No notice or additional premium is required.

The definition below is added to the Definitions section:

Observation Unit means a unit in which observation services are given through Hospital outpatient services to help the Doctor decide if the patient needs to be admitted as an inpatient or can be discharged. Observation services may be given in the emergency department or another area of the Hospital.

Hospitalization Benefits

The Hospital Admission Benefit is deleted and replaced with the following:

Hospital Admission Benefit

We will pay this benefit when an Insured is admitted to a Hospital and confined as an inpatient because of a Covered Accidental Injury or Covered Sickness. To be eligible to receive this benefit for Accidental Injuries resulting from a Covered Accident, an Insured must be admitted to a Hospital within six months of the date of the Covered Accident.

We will pay the Hospital Admission Benefit amount shown in the Benefit Schedule. We will not pay benefits for confinement to an Observation Unit, or for emergency room Treatment or outpatient Treatment. We will not pay benefits for Hospital Admission of a newborn child following his birth. However, we will pay for a newborn's admission to a Hospital Intensive Care Unit if, following birth, he is confined as an inpatient as a result of a Covered Accidental Injury or Covered Sickness (including congenital defects, birth abnormalities, and/or premature birth).

We will pay this benefit once per period of Hospital Confinement. This benefit is limited to the maximum shown in the Benefit Schedule. We will only pay this benefit once for each Covered Accident or Covered Sickness per Calendar Year. If an Insured is confined to the Hospital because of the same or Related Accidental Injury or Sickness, we will not pay this benefit again in the same Calendar Year.

The Health Screening Benefit is deleted and replaced with the following:

Health Screening Benefit

We will pay the amount shown on the Benefit Schedule for Health Screening Tests performed while an Insured's coverage is in force. This benefit is limited to the Calendar Year Maximum shown in the Benefit Schedule.

This benefit is only payable for Health Screening Tests performed as the result of preventive care, including tests and diagnostic procedures ordered in connection with routine examinations.

The Proof of Loss provision is deleted and replaced with the following:

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

P.O. Box 84075, Columbus, Georgia, 31993-9103

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury or Covered Sickness. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury or Covered Sickness, except in the absence of the Claimant's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

The Individual Certificates provision is deleted and replaced with the following:

Individual Certificates

The Company will make available to the Policyholder a Certificate for Employees. The Certificate will set forth:

- The coverage, (including any limitations, reductions and exclusions);
- Any family member or dependent coverage
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

The members will continue to have coverage, with their Certificates remaining in force.

The Company will apply the same benefits and plan provisions as shown in your Certificate on the date you are eligible to continue coverage under this provision. Your continued coverage is subject to all of the provisions, exclusions and limitations of the Group Policy.

To keep your Certificate in force, you must:

- Apply to the Company in writing under this Continuation of Coverage provision within 31 days after the date your Certificate would terminate, **and**

Any such change will be applied to all Certificates in your class and will not be based on your or your Spouse, Domestic Partner and Dependent Children's health or other individual factors.

You may decrease, but not increase, the amount of your coverage, and the amount of your Spouse's or Domestic Partner's coverage, if any.

TERMINATION

Your continued coverage, including any in-force Spouse, Domestic Partner or Dependent Child coverage will end:

- 31 days after the date you fail to pay any required premium.
- When coverage is terminated by the Company. We will provide you a 31-day advance written notice of any termination.

**NOTICE OF PROTECTION PROVIDED BY VIRGINIA LIFE, ACCIDENT AND SICKNESS INSURANCE
GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
 - o \$300,000 in death benefits
 - o \$100,000 in cash surrender or withdrawal values

- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$300,000 in disability income insurance benefits
 - o \$300,000 in long-term care insurance benefits
 - o \$100,000 in other types of health insurance benefits

- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$350,000, except for hospital, medical and surgical insurance benefits, for which the limit is increased to \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association’s website at www.valifega.org or contact:

SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION

Eligibility

An Employee is eligible to be covered under this Plan if he is Actively at Work for the Policyholder and included in the class that is eligible for coverage, as shown on the Master Application.

Insureds are defined as those who might be eligible for coverage under this Plan in the following categories:

- **Employee Coverage** – We insure only the Employee.
- **Employee and Spouse or Domestic Partner Coverage** – We insure the Employee and spouse or domestic partner (as defined in the applicable rider).
- **Employee and Children Coverage** – We insure the Employee and any dependent children (as defined in the applicable rider).
- **Family Coverage** – We insure the Employee, spouse or domestic partner, and any dependent children (as defined in the applicable rider).

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to Plan coverage are outlined in the Effective Date section.

Effective Date

The Plan's Effective Date is shown on the Policy Schedule. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder's address.

An eligible Employee must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He must enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

We may require evidence of insurability satisfactory to us if we do not receive the Application within 31 days after the Employee was first eligible for coverage. Evidence of insurability may also be required based on an agreement between the Policyholder and us.

An Employee's Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Employee is Actively at Work on that date, or
- The date the Employee returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

If Employee and Spouse or Domestic Partner, Employee and Children, or Family Coverage is offered:

- A Dependent may be added to the Plan after the Employee's Effective Date within 31 days of a Life Event or during an approved enrollment period.
- If Dependent Child Rider coverage is **already in force**, no additional notice or premium is required to add another dependent child.
- If Dependent Spouse Rider or Dependent Child Rider coverage is **not** in force, the Employee must complete an Application to add a Dependent to the Plan. The Company will assign a Dependent Rider Effective Date for a Dependent's coverage after approving the Application. For Dependent coverage to become effective, the premium for the Dependent must be included in the premium payment.
- If Dependent Child Rider coverage is not already in force, *newborn* children are automatically covered from the moment of birth for 60 days. *Newly adopted* children are automatically covered from the earlier of a) placement for adoption, b) the date of entry of an order granting custody of the child for the purposes of adoption, or c) the effective date of adoption, for 60 days. To extend coverage beyond 60 days with no gap in coverage, the Employee must contact the Company within the 60-day time period following the child's birth or adoption. No premium is due for the first 60 days of newborn/newly adopted coverage.

A day begins at 12:01 a.m. standard time at the Employee's place of residence.

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

The Policyholder has the sole responsibility of notifying Certificate holders in writing of the Plan's termination as soon as reasonably possible. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

Termination of an Employee's Insurance

An Employee's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date (the last day of the Grace Period), if the premium has not been paid.
- The date he no longer belongs to an eligible class.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

Continuity of Coverage

When an Employee who has been continuously insured under this Plan during the entire 3 months immediately preceding termination of eligibility is no longer a member of an eligible class and his coverage would otherwise end, he may elect to continue his coverage under this Plan. He may continue the coverage he had on the date his Certificate would otherwise terminate, including any in-force Dependent Spouse Rider or Dependent Child Rider coverage, without any additional underwriting requirements. He may continue the coverage for a period of 12 months following the date of termination of eligibility or until the date the Group Plan is terminated, whichever occurs later.

To keep his coverage in force, the Employee must:

- Make application for the extended coverage within 31 days after the date his coverage would otherwise terminate, and
- Pay the required premium no later than 31 days after the date his coverage would otherwise terminate and on each premium due date thereafter.

The Employee's continued coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If the Employee qualifies for this Continuity of Coverage, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in his previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

SECTION II – PREMIUM PROVISIONS

Premium Payments

Premiums should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

Premium Changes

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change in premiums.

Grace Period

This Plan has a 31-day Grace Period. If any premium, except for the first premium, is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan in advance of the date of discontinuance.

(This space left intentionally blank.)

- Is licensed to practice medicine; prescribe and administer drugs; or to perform surgery, or
- Is a duly qualified medical practitioner according to the laws and regulations in the state in which Treatment is made.

A Doctor **does not** include the Insured or an Insured's Family Member.

For the purposes of this definition, **Family Member** includes the Employee's Spouse or Domestic Partner as well as the following members of the Employee's immediate family:

- Son
- Daughter
- Mother
- Father
- Sister
- Brother

This includes step-Family Members and Family-Members-in-law.

Domestic Partner is an unmarried same or opposite sex adult who resides with the Employee and has registered in a state or local domestic partner registry with the Employee.

Employee is a person who meets Eligibility requirements under **Section I – Eligibility, Effective Date, and Termination** and who is covered under this Plan. The Employee is the primary Insured under this Plan.

- Provides overnight care of injured and sick people,
- Is supervised by a Doctor,
- Has full-time nurses supervised by a registered nurse, and

The term *Hospital Intensive Care Unit* specifically excludes any type of facility not meeting the definition of Hospital Intensive Care Unit as defined in this Plan, including but not limited to private monitored rooms, surgical recovery rooms, observation units, and the following step-down units:

- A progressive care unit,
- A sub-acute intensive care unit, or
- An intermediate care unit.

Intermediate Intensive Care Step-Down Unit means any of the following:

- A progressive care unit,
- A sub-acute intensive care unit,
- An intermediate care unit, or
- A pre- or post-intensive care unit.

An Intermediate Intensive Care Step-Down Unit is **not** a Hospital Intensive Care Unit as defined in this Plan.

Life Event means an event that qualifies an Employee to make changes to benefits at times other than his enrollment period. Events qualifying as Life Events are established solely by the Policyholder.

Rehabilitation Facility is a unit or facility providing coordinated multidisciplinary physical restorative services. These services must be provided to inpatients under a Doctor's direction. The Doctor must be knowledgeable and experienced in rehabilitative medicine. Beds must be set up in a unit or facility specifically designated and staffed for this service. This is not a facility for the Treatment of alcoholism or drug addiction.

Related – a Related Accidental Injury or Sickness is one that is in correlation to, or occurs as a result of, the initial Accidental Injury or Sickness, and would not otherwise have been sustained if that initial condition had not occurred.

Sickness means an illness, infection, disease, or any other abnormal physical condition or pregnancy that is not caused solely by, or the result of, any injury. A **Covered Sickness** is one that is not excluded by name, specific description, or any other provision in this Plan. For a benefit to be payable, loss arising from the Covered Sickness must occur while the applicable Insured's coverage is in force.

Spouse is an Employee's legal wife or husband.

Telemedicine Service means a medical inquiry with a Doctor via audio or video communication that assists with a patient's assessment, diagnosis, and consultation.

Treatment is the consultation, care, or services provided by a Doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines. Treatment does **not** include Telemedicine Services.

Written Notice of Claim must be given to us:

- Within 60 days after the Covered Accidental Injury or Covered Sickness, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at the following address:

P.O. Box 427, Columbia, South Carolina, 29202

Failure to provide notice within 60 days will not invalidate or reduce any claim if the Insured can show that notice was given as soon as reasonably possible.

Proof of Loss

Proof of Loss refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

P.O. Box 427, Columbia, South Carolina, 29202

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury or Covered Sickness. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury or Covered Sickness, except in the absence of the Employee's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

Physical Examination and Autopsy

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams or autopsy.

Time of Payment of Claims

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims* within 30 calendar days after receiving the appropriate information.

**Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, the Employee, or the employer.*

Payment of Claims

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To the Employee's beneficiary,
- To the Employee's surviving Spouse or Domestic Partner,
- To the Employee's estate.

Unpaid Premium

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

Changing of Beneficiary

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

Claim Review

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

Appeals Procedure

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

Legal Action

The Employee may not take Legal Action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than 3 years from the time written proof is required to be given.

SECTION VII – GENERAL PROVISIONS

Entire Contract Changes

This insurance is provided under a contract of Group Supplemental Hospital Indemnity insurance with the Policyholder. The Entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; and
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. No written statement by an insured person will be used in any contest unless a copy of the statement is furnished to the person, his beneficiary, or his personal representative.

The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to the Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, and
- May not be made by any insurance agent or producer (nor can an agent or producer waive any Plan provisions).

Misstatement of Age

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

Successor Insured

If an Employee dies while covered under his Certificate and his Spouse or Domestic Partner is also insured under this Plan at the time of the Employee's death, then his surviving Spouse or Domestic Partner may elect to become the primary Insured. This would include continuation of any Dependent Child Rider coverage that is in force at that time.

To become the primary Insured and keep coverage in force, the surviving Spouse or Domestic Partner must:

- Notify the Company in writing within 31 days after the date of the Employee's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse or Domestic Partner, the Certificate will terminate on the next premium due date following the Employee's death.

Time Limit on Certain Defenses

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Employee's Application. This does not apply to fraudulent misstatements.

No statement made by any person insured under the policy relating to his insurability or the insurability of his insured dependents shall be used in contesting the validity of the insurance with respect to which such statement was made: (1) after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person about whom the statement was made; and (2) unless the statement is contained in a written instrument signed by him.

Clerical Error

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of such clerical error, the Company will make a premium adjustment.

Individual Certificates

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage (including any limitations, reductions, and exclusions);
- Any family member or dependent coverage;
- To whom benefits will be paid; and
- The rights and privileges under the Plan.

Required Information

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

Conformity with State Statutes

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

Amendment to Policy, Certificate of Insurance, and Dependent Child Rider for Group Supplemental Hospital Indemnity

This Amendment is subject to all of the provisions of the Policy and Certificate to which it is attached. Additions or changes have been made to the Policy, Certificate, and Dependent Child Rider and are indicated below.

EFFECTIVE DATE

If issued at the same time as the Certificate, this Amendment becomes effective at the same time as the Certificate. If issued after the Certificate, this Amendment will have a later Effective Date.

The Plan Termination provision is deleted and replaced with the following:

Plan Termination

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid by the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan.

The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination no later than 15 days after the receipt of the notice of termination. If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

The definition of Dependent Child or Dependent Children is deleted and replaced with the following:

Dependent Child or **Dependent Children** means your or your Spouse's or Domestic Partner's natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to intellectual disability or physical handicap, and are chiefly dependent on a parent for support and maintenance. You or your Spouse or Domestic Partner must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

The insurance on any Dependent Child will terminate on the last day of the month in which the Dependent Child turns age 26; it is your responsibility to notify us in writing when coverage on a Dependent Child terminates. Termination will be without prejudice to any claim originating prior to the date of termination. Our acceptance of premium after such date will be considered as premium for only the remaining persons who qualify as Insureds under this Plan. When coverage on all Dependent Children terminates, you must notify the Company, in writing, and elect whether to continue this Plan on an Employee or Employee and Spouse or Domestic Partner Coverage basis. After such notice, we will arrange for the payment of the appropriate premium due, including returning any unearned premium.

Children Placed for Adoption are children for whom you have entered a decree of adoption or for whom you have initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. You must continue to have custody pursuant to the decree of the court.

Your natural Dependent Children born after the Effective Date of this Rider will be covered from the moment of live birth. No notice or additional premium is required.

The definition below is added to the Definitions section:

Observation Unit means a unit in which observation services are given through Hospital outpatient services to help the Doctor decide if the patient needs to be admitted as an inpatient or can be discharged. Observation services may be given in the emergency department or another area of the Hospital.

Hospitalization Benefits

The Hospital Admission Benefit is deleted and replaced with the following:

Hospital Admission Benefit

We will pay this benefit when an Insured is admitted to a Hospital and confined as an inpatient because of a Covered Accidental Injury or Covered Sickness. To be eligible to receive this benefit for Accidental Injuries resulting from a Covered Accident, an Insured must be admitted to a Hospital within six months of the date of the Covered Accident.

We will pay the Hospital Admission Benefit amount shown in the Benefit Schedule. We will not pay benefits for confinement to an Observation Unit, or for emergency room Treatment or outpatient Treatment. We will not pay benefits for Hospital Admission of a newborn child following his birth. However, we will pay for a newborn's admission to a Hospital Intensive Care Unit if, following birth, he is confined as an inpatient as a result of a Covered Accidental Injury or Covered Sickness (including congenital defects, birth abnormalities, and/or premature birth).

We will pay this benefit once per period of Hospital Confinement. This benefit is limited to the maximum shown in the Benefit Schedule. We will only pay this benefit once for each Covered Accident or Covered Sickness per Calendar Year. If an Insured is confined to the Hospital because of the same or Related Accidental Injury or Sickness, we will not pay this benefit again in the same Calendar Year.

The Health Screening Benefit is deleted and replaced with the following:

Health Screening Benefit

We will pay the amount shown on the Benefit Schedule for Health Screening Tests performed while an Insured's coverage is in force. This benefit is limited to the Calendar Year Maximum shown in the Benefit Schedule.

This benefit is only payable for Health Screening Tests performed as the result of preventive care, including tests and diagnostic procedures ordered in connection with routine examinations.

**NOTICE OF PROTECTION PROVIDED BY VIRGINIA LIFE, ACCIDENT AND SICKNESS INSURANCE
GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or health insurance company licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
 - o \$300,000 in death benefits
