

MAKE THE MOST OF YOUR HSA

WITH THE AVIDIA HEALTH MOBILE APP

Completely FREE to use, the Avidia Health Mobile App has made it easier than ever for you to take full advantage of your HSA. With an intuitive layout, clean design and seamless integration, you can easily access all features of your HSA account. That includes everything from checking your HSA balance to viewing individual claims.

GETTING STARTED:

- 1 STEP 1:** Open your Android or Apple mobile app store
- 2 STEP 2:** Search for "Avidia HSA" and click download
- 3 STEP 3:** Register your account and you're done!

THE AVIDIA HEALTH MOBILE APP FEATURES:

Claims Tracking:

Examine your medical claims/ bills including when you received service, who provided it and the amount you're responsible for paying on your mobile device as well as your computer.

Account Information:

View your contribution amounts, investments, transactions and previous years' HSA information at your fingertips.

Bill Payment:

Today, more bills are paid online than by paper check. Our free online bill payment saves you time and money and makes paying your eligible medical bills easier than ever.

Emma:

Your questions are answered in real time with your personal virtual assistant, Emma. With Emma available to provide assistance via voice command, you'll understand how to use your account with ease.

Account Alerts:

Receive alerts on your HSA directly in the Avidia Health app or have them sent to your email or phone.

Card Information:

Review and update your HSA card information, including your pin number and reporting your card as lost or stolen.

Profile Updates:

View your personal information, employment information and relevant information on your dependents.

Customer Service:

Contact a member of the Avidia Health team directly from the app.
