**Welcome to Express Scripts!**

Express Scripts is the manager of the prescription benefit program provided through our Employer Sponsored Group Health Plan through Public School and Benefit Plan Administrators, Inc. We'll help you quickly get the prescription care you need.

You must use your member ID number when you fill a prescription.

Have a question about a medication? Call us! Our pharmacists are available 24/7 and will do their best to help you out. No matter how you order prescriptions under your plan — by home delivery or at a pharmacy in your benefit's network — we'll work with you and your doctors to help safeguard your health.

*Please see other side for more information about home delivery with free standard shipping. >>*

**Express Scripts Online services will give you access to:**

- Your retail pharmacy locator
- Your prescription coverage
- Opportunities to save money
- Automatic health and safety alerts

**Get started today!**

Activate your online benefits at:  
**[express-scripts.com/welcome](http://express-scripts.com/welcome)**

Activation is easy. When you go online, be sure you have your new member ID number handy.

*Please don't wait. If you have questions or don't have Internet access, call us toll-free at the number above. One of our prescription benefit specialists will be happy to help.*

Get up to three-month supplies of your maintenance medications (those drugs you take regularly) filled through home delivery from the Express Scripts Pharmacy<sup>SM</sup> or from CVS<sup>TM</sup>.

## You can choose CVS<sup>TM</sup> or choose home delivery to take advantage of . . .

- Exclusive 24-hour access to pharmacists.
- Specialist pharmacists who are trained and experienced in the medications used to treat specific conditions.
- Safety alerts if a new prescription may cause harmful interactions with other medications we know you're taking.
- Automatic refill reminders by email or on our mobile app so you never run out.
- Tips to make taking your medicine easier.

Note: If your doctor prescribes a medication that is not on your plan's preferred list, yet an alternative plan-preferred drug exists, we may contact your doctor to ask whether that medication would be appropriate for you. You'll usually pay less for a plan-preferred drug.

## Take a medication every day? Your benefit gives you a choice.

For maintenance medications, such as those used to treat high blood pressure or high cholesterol, choose the option that best suits your needs.

### Home delivery from the Express Scripts Pharmacy<sup>SM</sup> or a CVS<sup>TM</sup> pharmacy

For a three-month supply, use the Express Scripts Pharmacy<sup>SM</sup> (with free standard shipping<sup>1</sup>) or a CVS<sup>TM</sup> pharmacy.

You'll typically pay less for a three-month supply of maintenance medication.

Enroll in automatic refills, or easily refill orders on our website, with the Express Scripts app, or by phone or mail.

OR

### A retail pharmacy in your plan's network

Up to a one-month supply that you pick up.

Usually higher costs compared to the same supply via home delivery.

Refills at the pharmacy or over the phone.

If you need specialty medications, you must order them through Accredo by visiting online at [accredo.com](http://accredo.com) or, per your plan, you'll pay the entire cost at retail.

For complete details about your prescription benefit or to transfer a retail prescription to home delivery, visit [express-scripts.com/welcome](http://express-scripts.com/welcome) or call us at the number on your new ID card.

<sup>1</sup>Cost of standard shipping is included as part of your prescription benefit.
