NOTE: Information about the cost of this <u>plan</u> (called the <u>premiums</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-230-6873 or visit us at <u>www.medcost.com/HBT</u>. Important Questions	Answers		Why This Matters:
	In-Network	Out-of-Network	
What is the overall deductible?	\$30,000 / person \$60,000 / family	\$30,000 / person \$60,000 / family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Most <u>In-Network care</u> , and <u>prescription care</u>		This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.		You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$30,300 / person \$60,600 / family	\$30,300 / person \$60,600 / family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance bill plan doesn't cover, and meet certain plan requi	penalties for failure to	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="https://www.medcost.com/HBT">www.medcost.com/HBT</a> or call 1-888-230-6873 for a list of <a href="https://network.com/network">network</a> providers.		This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No		You can see the <u>specialist</u> you choose without a <u>referral</u> .

\*This Plan is accompanied by a Medical Expense Reimbursement Plan (MERP) that contributes toward the overall Deductible. After an Individual pays \$1,500 and a Family pays \$3,000 toward the Deductible, the MERP pays for qualified expenses 80% In-Network and 50% Non-Network (with Plan Participants paying 20% In-Network and 50% Non-Network) until an individual \$8,500 or a family \$17,000 Deductible has been satisfied, then the MERP pays for qualified expenses 100% for an individual \$20,000 or a family \$40,000 deductible and the full Deduction has been satisfied.
